If your total PA-taxable dividend and capital gains distributions income (taxpayer, spouse and/or joint) is equal to the amount reported on your federal return and does not include any amounts for Lines 2 through 10 (not including subtotal Line 6) of PA Schedule B, you must report your income on Line 3 of the PA-40, but you do not have to submit PA Schedule B. If there are any amounts (taxpayer, spouse and/or joint) for any of the Lines 2 through 10 (not including subtotal Line 6), you must complete and submit PA Schedule B with your PA-40. A taxpayer and spouse must complete separate schedules to report their income if any amounts are reported on Lines 2 through 10 (not including subtotal Line 6) of Schedule B. However, if all the income is earned on a joint basis, one schedule may be completed. Complete the oval to indicate whether the income included on the schedule is from the taxpayer, spouse or joint. If a separate PA Schedule B is prepared for a taxpayer and spouse, include only the taxpayer or spouse share of the income for each line.

## WHAT'S NEW

Additional clarification instructions have been included for Who Must Complete PA-40 Schedule B for residents, part-year residents and nonresidents.

## GENERAL INFORMATION

### PURPOSE OF SCHEDULE

Use PA-40 Schedule B to report the amount of dividend income earned and reported for federal income tax purposes from:

- U.S. corporations;
- Foreign corporations;
- Mutual Funds;
- Other corporate capital investments.

PA-40 Schedule B also adjusts the federal income to determine the PA-taxable dividend income by reporting income and adjustments from:

- Capital gains distributions;
- S corporations not electing to be taxed as an S corporation for PA tax purposes;
- Exempt-interest dividends from other states bonds; and
- Various other increase and decrease adjustments included in the following instructions.

Refer to Chapter 9 of the PA PIT Guide for additional information.

## RECORDING DOLLAR AMOUNTS

Show money amounts in whole-dollars only. Eliminate any amount less than \$.50 and increase any amount that is \$.50 or more to the next highest dollar.

## WHO MUST COMPLETE

PA resident and part-year resident taxpayers must complete and include PA-40 Schedule B with an originally filed PA-40, Personal Income Tax Return, if there are any amounts on

Lines 2 through 9 (not including subtotal Line 6). If there are no amounts on Lines 2 through 9 (not including subtotal Line 6), do not complete and include PA-40 Schedule B with the PA-40, Personal Income Tax Return. However, the amount of dividend income received must be reported on Line 3 of the PA-40. Nonresident taxpayers are not required to complete PA-40 Schedule B.

Separate schedules must be completed for a taxpayer and spouse if either has income on Lines 2 through 9 of PA Schedule B (not including subtotal Line 6). Both schedules must be completed and included even if only one had amounts on those lines. A joint PA-40 Schedule B may be completed only if all amounts of interest income are earned on a joint basis. If some income is earned on a joint basis while other income is not, the joint income must be split and the taxpayer and spouse must report their separate share of the income from the jointly owned accounts on each PA-40 Schedule B.

An amended PA Schedule B must be included with Schedule PA-40X if increases or decreases in income amounts on PA Schedule B are discovered after an original or other amended return is filed with the department. Part III on Page 2 of Schedule PA-40X must be completed to explain any increase or decrease to the amount of dividend income reported on an amended PA-40, Personal Income Tax Return.
