**NOTE:** The automatic PA extension provided by Act 52 of 2013 to those with valid federal extensions DOES NOT apply to this tax.
- **Revenue ID:** A corporation's Revenue ID is a unique, 10-digit number assigned by the department to a taxpayer, separate from any federally issued identification number(s) or Pennsylvania license number(s).
- RCT-112 is available as a fill-in form on the department's website at [www.revenue.pa.gov](http://www.revenue.pa.gov). Use ONLY the most current, non-year-specific tax form and instructions for filing ALL years. **If an amended report must be filed, taxpayers must use the most current, non-year-specific tax form, completing all sections of the form. REV-1175, Schedule AR (explanation for amending), must be included when filing an amended report.**
- One estimated payment coupon (REV-423) and one extension coupon (REV-426) will be used for all specialty taxes. The coupons and the tax report will no longer be mailed. These forms are available as fill-in documents on the department's website at [www.revenue.pa.gov](http://www.revenue.pa.gov). REV-423 and REV-426 coupons can be filed electronically through e-TIDES at [www.etides.state.pa.us](http://www.etides.state.pa.us). However, electronic filing of the tax report is not available. The report should be completed using the computer-based fill-in form, printed and submitted by mail to the department. The form can be saved electronically for your records.
- For tax years beginning on or after Jan. 1, 2011, taxpayers subject to gross receipts tax must file the Pennsylvania gross receipts tax report using the same method of accounting used to file reports with the Federal Energy Regulatory Commission (FERC) or the Federal Communications Commission (FCC). If the taxpayer has no regulatory reporting requirement to FERC or FCC, the taxpayer must file the Pennsylvania gross receipts tax report using the same method of accounting used to file reports with the Pennsylvania Public Utility Commission (PUC). If the taxpayer has no regulatory reporting requirement to FERC, FCC or PUC, the taxpayer must file the Pennsylvania gross receipts tax report using the same method of accounting used to file the federal income tax return with the Internal Revenue Service. If this requires a taxpayer to change the accounting method for reporting Pennsylvania gross receipts, see Tax Bulletin 2011-02 for the applicable rules in reporting for the transition year.
- For tax years beginning on or after Jan. 1, 2011, taxpayers using the accrual method of accounting may take an adjustment to PA receipts for bad debts. The taxpayer must provide detail of all adjustments, including tax type, amount, location and tax period.

**Imposition, Base and Rate**

Gross receipts tax is imposed on electric light companies, water power companies and hydro-electric companies, including electric distribution companies and electric generation suppliers that do business in Pennsylvania establishing or maintaining a market for the sale of electric energy. The tax applies to retail sales of electric generation, transmission and distribution; supply of electric energy; dispatching and customer services; competitive transition charges, intangible transition charges; universal service and energy conservation charges; and any other receipts considered sales of electric energy. Retail sales of electric generation occur at the retail customers' meters. For more information, see Section 1101 of the Tax Reform Code of 1971 (72 P.S. § 8101).

If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. Paid preparers must sign and date the tax report. If the preparer is an individual without any association to a firm, provide the name, address, telephone number, email address and PTIN/SSN of the individual preparing the report.

**Estimated Payment Instructions**

All accounts are expected to remit estimated prepayments toward the final liability a corporation estimates is due for the taxable year. Prepayment for gross receipts tax is due March 15 of the reported year. Tax remaining due at the close of the taxable year must be paid on or before March 15 of the following year.

Should a corporation realize estimated tax is underpaid, additional payments should be submitted to minimize underpayment penalty. Underpayment is measured against 90 percent of the tax reported due for the taxable year. However, if the final total tax increases the self-reported tax by 10 percent or more, the underpayment will be measured against 90 percent of the final total tax. The period of underpayment is measured from the due date of the installment to the date the underpayment is paid or the date the safe harbor is satisfied. A corporation may avoid interest charges by timely paying estimated tax equal to the liability in the second-prior taxable year (safe harbor). This amount must be adjusted to reflect the tax rate and law for the estimated tax year and must reflect the total liability if it exceeds the self-reported liability by 10 percent or more. Where the second-prior year is a short period, the safe harbor is annualized. Second year corporations may use the immediate prior year (annualized if necessary) as the base year for the safe harbor. Mail the estimated payment coupon (REV-423) separately from all other forms.

If you have questions regarding estimated payments, call the Accounting Division at 717-705-6225 (Option 5, then Option 1 or 3).

**Extension Request Due Date**

To request a due date extension of up to 60 days to file the annual report, you must file an extension request (REV-426) by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax, and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested.

Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities or commonwealth obligations for the account.

**Payment and Mailing Information**

Remittance should include tax plus interest and penalty, if applicable. Penalty and interest calculators can be found at [www.revenue.pa.gov](http://www.revenue.pa.gov). All payments of \$1,000 or more must be made electronically. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500. For more information on electronic payment options, visit [www.etides.state.pa.us](http://www.etides.state.pa.us). Payments under \$1,000 may be remitted by mail, made payable to the PA Department of Revenue.

**Current Period Overpayment**

If an overpayment exists on Page 1 of the RCT-112, the taxpayer must instruct the department to refund or transfer overpayment as indicated below.

**Refund:** Identify the amount to refund from the current tax period overpayment. Prior to any refund, the department will offset current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

**Transfer:** Identify the amount to transfer from the current tax period overpayment to the next tax period for estimated tax purposes. Prior to any transfer, the department will offset current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

**NOTE:** If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

**Requests for Refund or Transfer of Available Credit**
