Imposition, Base and Rate

Cooperative agriculture association corporate net income tax is imposed at the rate of 4 percent on the net income attributable to business transacted in Pennsylvania of incorporated cooperative agriculture associations having capital stock, and either doing business or having capital or property employed or used in Pennsylvania. This tax is imposed under the Act of May 23, 1945, P.L. 893 (72 P.S. § 3420-21).

Revenue ID, Federal Employer Identification Number (FEIN), Parent Corporation FEIN, Name and Address

The Revenue ID number, FEIN, name and complete mailing address must be provided. If the taxpayer is a subsidiary of a corporation, the parent corporation's FEIN must be provided. Also provide the telephone number and email address of the taxpayer.

Tax Year

Enter month, day and year (MM DD YYYY) for the tax year beginning and year (YY) for the tax year end.

Report Due Date

This report is due April 15 for an association reporting on a calendar year basis. For associations reporting on a fiscal year basis, the report is due on or before the 15th day of the fourth month after the close of the fiscal year. If either date falls on a Saturday, Sunday or holiday, the report is due the next business day. A 10 percent late-filing penalty will be imposed on late reports and assessed at the time of filing.

Address Change

Enter "Y" in the block on Page 1 if the address of the corporation has changed from prior tax periods. The current mailing address should be reflected on the report.

Correspondence to Preparer

Enter "Y" in the block on Page 1 if all correspondence (notices and requests for additional information) is to be sent to the preparer's address. If "Y" is entered, the address recorded on Page 2 will be used.

Amended Report

Enter "Y" in the block on Page 1 if you are filing an amended report to add, delete or adjust information. Provide documentation to support all changes being made. An amended report should only be filed if an original report was filed previously for the same period.

An amended report must be filed within three years of the filed date of the original report. The department may adjust the tax originally reported based on information from the amended report. The taxpayer must consent to extend the assessment period. If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. This includes those sections originally filed and those sections being amended. All tax liabilities should be recorded on Page 1. Taxpayers must check the Amended Report check box on Page 1 and include Schedule AR, REV-1175, with the report.

Preparer's Information

Paid preparers must sign and date the tax report. Extension Request Due Date

To request a due date extension of up to 60 days to file the annual report, you must file an extension request (REV-426) by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax, and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested. Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities or commonwealth obligations within the account.

Payment and Mailing Information

Remittance should include tax plus interest and penalty if applicable. Penalty and interest calculators can be found at **www.revenue.pa.gov**. All payments of \$1,000 or more must be made electronically or by certified or cashier's check remitted in person or by express mail courier. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500.
