### **Interest**

All taxes due the commonwealth shall bear interest from the date they become due and payable until paid. (72 PS § 806).

### **Filing**

If the amount of taxable income, as returned by a corporation to the federal government, is finally changed or corrected, such corporation must file RCT-128C. This includes changes in federal taxable income resulting from the taxpayer filing an amended federal income tax return for years in which the department did not issue an Official Notice of Settlement, as well as changes initiated by the federal government due

to an audit or examination of the federal return regardless of the year involved. In cases where the change was based on a federal amended return, RCT-128C must be filed within six months of the filing of the federal amended return. If RCT-128C is being filed to report changes due to an audit or examination of the federal return, the report must be filed within six months after the receipt of the final change or correction. A \$5 a day penalty may be imposed for a late filed return.

**NOTE:** For tax years beginning prior to Jan. 1, 2013, RCT-128C must be filed within 30 days of the filing of the federal amended return.

When filing an amended report, be sure to use the instructions for the tax year being amended. Year specific instructions can be found at [www.revenue.pa.gov](http://www.revenue.pa.gov).

**ATTACH A COPY OF THE INCOME TAX EXAMINATION CHANGES OR AMENDED FEDERAL RETURN.**
