REMINDERS

The Capital Stock/Foreign Franchise tax has been phased out for tax years beginning on or after Jan. 1, 2016. This means that many business types such as S corporations, LLC's taxed as pass-through entities and business trusts that are not federally taxed as a C corporation will need to file their **final** RCT-101 corporation tax report for the **2015 reporting period**. These reports must be marked as **final** reports.

Corporations not subject to the PA corporate net income tax for the years mentioned above include, single member LLC's, Multi Member LLC's taxed as a partnership or S corporation, Business Trusts and PA S corporations (except PA S corporations that have Built-In-Gains). Solicitation only corporations would also no longer be required to file a RCT-101, PA Corporate Net Income Tax Report, unless activity exceeds solicitation only.

Corporations subject to the PA corporate net income tax (including PA S corporations that have Built-In-Gains) must continue to file RCT-101, PA corporate net income tax report.

RCT-101 is a **revised, year specific, four page** form and includes a revised Page 1, eliminating CS-FF and LOANS from Step D. It also includes a revised Page 2, Bonus Depreciation, Corporate Net Income Tax, and Sales Factor Apportionment (Schedule C-1). Use **ONLY** this **year-specific, four page** RCT-101 for filing all tax years beginning on or after Jan. 1, 2016. All reports for tax years beginning prior to Jan. 1, 2016 **MUST** be filed on the **non-year-specific, six page** RCT-101. These forms can be found on the department's website at www.revenue.pa.gov.

RCT-101-I, Inactive PA Corporate Net Income Tax Report, is a **revised, year-specific** form. It includes a revised Page 1, eliminating CS-FF and LOANS Tax. This form **MUST** be used for filing all tax years beginning on or after Jan. 1, 2016. All reports for tax years beginning prior to Jan. 1, 2016 **MUST** be filed on the **non-year-specific** RCT-101-I. These forms can be found on the department's website at www.revenue.pa.gov.

Amended reports filed for tax years beginning on or after Jan. 1, 2016, **MUST** be filed on the **revised, year-specific, four page** RCT-101. You must check the Amended Report checkbox on Page 1, Step B, and include REV-1175 with the report. Amended reports filed for tax years beginning prior to Jan. 1, 2016, **MUST** be filed on the **non-year-specific, six page** RCT-101. You must check the Amended Report checkbox on Page 1, Step B, and include REV-1175 with the report.

Act 52 of 2013 requires the add-back of intangible expenses to income for interest, royalties, patents, trademarks, etc., between affiliated entities in certain circumstances.

Taxpayers claiming Add-Back on RCT-101, PA Corporate Net Income Tax Report, must provide schedules REV-802 and REV-803 by submitting them with RCT-101.

Completing the sales factor as 0/0, leaving the sales factor field blank or typing "none" in this field will result in apportionment being changed to 100 percent in Pennsylvania, automatically changing the reported tax liabilities. A corporation with no sales both inside and outside Pennsylvania should complete

REMINDERS CONT.

Failure to submit a properly completed and signed tax report may result in the delay of processing and the imposition of late filing penalties and/or estimated assessments.

The penalty imposed for failure to file reports when due is a minimum of \$500, regardless of the determined tax liability, plus an additional 1 percent of any determined tax liability over \$25,000.

Taxpayers filing a full year report and disclosing a bulk sale **should not** fill in the bulk sale checkbox on Page 3 of RCT-

101, PA Corporate Net Income Tax Report. Rather, you must complete REV-181, Application for Tax Clearance Certificate and mail separately to the Bureau of Compliance. **DO NOT** send with RCT-101.

PENNSYLVANIA CORPORATE NET INCOME TAX REPORT INSTRUCTIONS FOR FORM RCT-101

GENERAL INSTRUCTIONS

FEDERAL S CORPORATIONS

The Capital Stock/Foreign Franchise tax has been phased out for tax years beginning on or after Jan. 1, 2016. However, PA S Corporations that have built-in gains are required to file RCT-101.

Any federal subchapter S corporation that does not desire to be a Pennsylvania S corporation must file the Election Not to be Taxed as a Pennsylvania S Corporation, REV-976, on or before the due date or extended due date of the report for the first year in which the election is to be in effect. This election must be signed by all of the shareholders and once made cannot be revoked for five years. The completed REV-976 must be submitted via fax or email to:

Fax: 717-787-3708

Email: ra-btftregisfax@pa.gov

To revoke an election not to be taxed as a PA S Corporation, the corporation must send a letter signed by shareholders holding more than one-half of the shares of stock of the corporation on the day on which the revocation is made. This letter must contain the name of the corporation, federal EIN, Revenue ID number and the effective date of the revocation. If no effective date is provided, the revocation will be effective for the first tax period for which the revocation was timely submitted. In the case of a corporation with qualified subchapter S subsidiaries, the letter must also include the names and Revenue ID numbers of all qualified subchapter S subsidiaries doing business in Pennsylvania.

Qualified subchapter S subsidiaries may not be Pennsylvania S corporations, or elect not to be Pennsylvania S corporations, separate from the parent corporation. Federal subchapter S corporations doing business in Pennsylvania that do not make this election are required to file both RCT-101 and PA-20S/PA-65, and the shareholders of these corporations must report the income from these corporations on their PA personal income tax returns.

IMPORTANT: This election must be filed by all federal subchapter S corporations that do not want to be taxed as Pennsylvania S corporations, regardless of any prior actions taken by a corporation on this issue.

If a corporation has elected to be taxed as an S corporation for federal tax purposes, but has elected not to be taxed as a PA S corporation, it must: (1) complete Section B of RCT-101, (2) include a copy of federal Form 1120S with the PA Corporate Net Income Tax Report, and (3) include a schedule reflecting adjustments to Line 21 of federal Form 1120S for the pass-through items on Schedule K, Shareholders' Share of Income, Credits, Deductions, etc. These adjustments should produce taxable income similar to that for a C corporation and must be reported in Section B, Line 1 of the RCT-101.

INACTIVE CORPORATIONS

Inactive corporations must complete and file form RCT-101-I. Only skeleton corporations - those performing no business activity and owning no assets anywhere - may use the RCT-101-I. Corporations that have business activity outside Pennsylvania must complete and file the PA Corporate Net Income Tax Report, RCT-101. A copy of federal Form 1120 must be included and apportionment fractions must be reported.

CAUTION: Prior period forms are not acceptable. Do not use forms for other years when filing a PA Corporate Net Income Tax Report, RCT-101, or an Inactive PA Corporate Net Income Tax Report, RCT-101-I.

COPY OF FEDERAL FORM 1120, 1120C OR 1120S

IMPORTANT: A copy of the federal income tax return - Form 1120, 1120C, 1120S, or other applicable federal form must be included with the PA Corporate Net Income Tax Report. This is in addition to any requirement to supply a copy of the federal tax return with any other filing.

Pennsylvania does not allow consolidated filing of corporate tax reports. A corporation filing a consolidated return to the federal government must include the following:

1. Separate company income statement reflecting taxable income that would have been returned to and ascertained by the federal government, if a separate return had been made to the federal government.
2. Separate company balance sheet reflecting financial position of the taxpayer at the beginning and end of the taxable period, if separate return had been made to the federal government. A corporation with subsidiaries also must include a consolidated balance sheet.
3. Schedules reflected on the federal Form 1120, 1120C or 1120S on a separate company basis, including a schedule of taxes expensed.
4. Corporations participating in a consolidated federal income tax filing must provide consolidating income statements and balance sheets to the department, including separate company schedules and all consolidations and eliminations.

CAUTION: Failure to submit a properly completed and signed report may result in the delay of processing and imposition of late filing penalties and/or estimated assessments.

CONFIRMATION OF "DEPOSITS ON ACCOUNT" FOR A NON-FILED TAX YEAR.

Prior to filing a PA Corporate Net Income Tax Report, taxpayers can confirm the total amount of deposits on account by calling 1-888-PATAXES (728-2937). You will be asked to enter your Revenue ID number and a specific tax year. Once confirmed, the system will provide:

1. Total deposits by tax type for a specific tax year; or
2. A detailed response for each cash deposit and credit by tax type for a specific tax year. (Note: "restricted credits" are NOT uniquely identified by name of program) The system will provide details on up to 20 transactions.

HOW TO PAY

If the total taxes owed are less than \$1,000, you may send a check made payable to the PA Dept. of Revenue, enclosed with the tax report, to the address listed on Page 3.

ELECTRONIC PAYMENT REQUIREMENT

The PA Departments of Treasury and Revenue have implemented programs that enable taxpayers to pay certain taxes electronically. All payments of \$1,000 or more must be remitted

electronically or by certified or cashier's check remitted in person or by express mail courier. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500. For information on electronic filing options, visit the Online Services Center at www.revenue.pa.gov.

DUE DATE OF REPORT AND PAYMENT

The PA Corporate Net Income Tax Report, RCT-101, is due 30 days after the federal due date for both calendar and fiscal year filers. Domestic International Sales Companies (DISC) must file on or before the 15th day of the 10th month following the close of the fiscal year. If the due date falls on a Saturday, Sunday or holiday, the report is due the next business day.

FILING REQUIREMENTS

First reports of domestic corporations must begin with the date of incorporation. All domestic corporations are required to file annual reports even if no business activity was conducted during the taxable period.

First reports of foreign corporations must begin with the beginning date of the fiscal period in which the Certificate of Authority was issued or the date Pennsylvania activity began, whichever date is earlier.

IMPORTANT: All corporations are required to file annual reports even if no business activity was conducted within the commonwealth during the tax period. PA Corporate Net Income Tax Reports are due 30 days after the original due date of the federal tax return.

OUT-OF-EXISTENCE/WITHDRAWAL

A PA corporation that has ceased doing business and completely or totally divested itself of ALL assets, or a foreign corporation that has ceased to do business in Pennsylvania and liquidated ALL PA assets may be relieved of the responsibility of filing corporate tax reports by indicating Final Report in Section C, Corporate Status Change, found on Page 3 of RCT-101.

NOTE: Entities formed under the laws of the Commonwealth of Pennsylvania must answer the questions under "PA Corporations" in this section. Entities formed under the laws of another jurisdiction are required to answer the questions under "Foreign Corporations".

By completing this section of RCT-101, a corporate taxpayer wishing to be removed from the active records of the PA Department of Revenue will no longer be required to file the Out of Existence/Withdrawal Affidavit. However, taxpayers desiring to dissolve or formally withdraw with the Department of State are still required to file an Application for Corporate Clearance, REV-181.

To qualify for out-of-existence or withdrawn status, the corporation must:

1. File all corporate tax reports and pay all taxes due the commonwealth up to and including the date of cessation of activities and divestiture of assets. Where capital assets have been sold prior to liquidation, complete in detail a schedule reflecting the gain or loss realized as a result of the sale.
2. Include with the corporate tax reports a "Disposition of Assets," Schedule DA, REV-861, which must reflect the date or dates of divestiture of all assets. Where a distribution of assets is made directly by the corporation to its shareholders in return for their stock, include with the "Distribution of Assets," a copy of federal Form 1099-DIV.

CAUTION: Failure to submit the "Distribution of Assets" could delay the acceptance of the return as a final report resulting in continued corporate tax reporting requirements. Corporate taxpayers reporting the disposition of PA real estate must provide evidence that the transfer of title has been filed with the Recorder of Deeds of the respective county. This information must be provided in order to be removed from the active records of the Bureau of Corporation Taxes.

PA corporations that never transacted business or held title to assets, or foreign corporations that never transacted business in Pennsylvania, are required to file annual tax reports until they file final returns and qualify for out-of-existence or withdrawn status. Such inactive corporations should mail the executed Out-of-Existence/ Withdrawal Affidavit, REV-238, directly to:

**PA DEPARTMENT OF REVENUE
BUREAU OF COMPLIANCE
PO BOX 280947
HARRISBURG PA 17128-0947**

BULK SALES

Taxpayers filing a full year report and disclosing a bulk sale, should not fill in the bulk sale checkbox on Page 3 of the PA Corporate Net Income Tax Report. Rather, you must complete REV-181, Application for Tax Clearance Certificate and mail separately to the Bureau of Compliance. DO NOT send with the PA Corporate Net Income Tax Report.

If a taxpayer is filing a short period report and has a bulk sale, fill in the bulk sale checkbox on Page 3 of the PA Corporate Net Income Tax Report. You must also complete REV-181, Application for Tax Clearance Certificate, and mail separately to the Bureau of Compliance. DO NOT send with the PA Corporate Net Income Tax Report.

REINSTATEMENT

A corporation considered out-of-existence through the acceptance of an affidavit may reinstate with the PA Department of Revenue by confirming with the PA Department of State, that the corporation name is available for use by calling 717-787-1057. A corporation considered out-of-existence/withdrawn, must be reinstated on Department of Revenue records before its corporate franchise can again be utilized. This can be effected by filing PA Corporate Net Income Tax Reports from the date of out-of-existence status through the end of the last calendar or fiscal period of no activity. Taxpayer's filing RCT-101-I for this purpose must check the reinstatement box found in Step J, Corporate Status Changes, and enter the beginning date of the first tax period in which business resumed (effective date).

RECORDING DOLLAR AMOUNTS

All RCT-101 forms and schedules must show money amounts in whole-dollars. Eliminate any amount less than \$0.50 and increase any amount that is \$0.50 or more to the next highest dollar.

Negative amounts should be written as follows: -3,456.

FILING PERIOD

Reports must be filed on the same filing basis as reported to the federal government. Where a change in filing period has occurred, the taxpayer must provide the new month, day and year by electronically filing REV-854 using the Online Services Center at www.revenue.pa.gov. Indicate a permanent change in filing period on the RCT-101 (Page 1, Step B).

EXTENSION OF TIME TO FILE

A request for an extension of time to file must be submitted on or before the due date of the PA Corporate Net Income Tax Report.

Taxpayers granted an extension to file the federal income tax return will automatically be granted an extension to file PA Corporate Net Income Tax Report, RCT-101. Corporate taxpayers granted a federal extension must indicate this on Page 1 of RCT-101 and include a copy of the federal extension request with the report.

Corporations that do not request an extension to file the federal income tax return may still request a 60-day extension to file the PA Corporate Net Income Tax Report. The extension must be filed on or before the due date of the report. To apply for an annual extension, complete the Annual Extension Request, REV-853, electronically using the Online Services Center at www.revenue.pa.gov. After review by the PA Department of Revenue, you will receive written notification as to whether your extension was approved or denied.

You may also use REV-853 to make an annual tax payment with the extension request. If the taxes total more than \$1,000, you must make the required payment by an electronic payment method. (Refer to Page 8, Electronic Payment Requirement.)

All payments of \$1,000 or more must be made electronically or by certified or cashier's check remitted in person or by express mail courier.

PENALTIES IMPOSED FOR FAILURE TO FILE REPORTS WHEN DUE

If a report is filed late, the taxpayer should wait until assessed by the department to remit the penalty amount. Interest does not accrue on penalties. Do not include penalty with tax amounts reported on form RCT-101.

The penalty imposed for failure to file reports when due is now a minimum of \$500, regardless of the determined tax liability, plus an additional one percent of any determined tax liability over \$25,000.

INTEREST

Interest is charged on late payments received after the due date of a tax report. Taxpayers should not precalculate interest or include interest with the tax amount reported on the RCT-101 (Step D, Column A). The department will forecast interest on unpaid tax balances and provide a notice to the taxpayer. Taxpayers may request a payoff of unpaid balances (that includes interest on unpaid tax and collection agency fees, if applicable) by contacting the Bureau of Corporation Taxes Accounting Division at 717-705-6225.

TRANSFERS/REFUNDS OF CORPORATE TAXES

After completing Step D on Page 1 of the RCT-101 Annual Report, if an overpayment exists taxpayers must instruct the department to either transfer any available credit to the next tax year or consider any available credit for refund, or both, under Step F. If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities within the account. A tax period overpayment summary will be mailed to the taxpayer confirming the disposition of the credit.

ASSIGNMENT OF TAX CREDIT (OVERPAYMENT)

Department regulation (61 Pa. Code 151.21-151.22) provides authorization for taxpayers to assign a credit to another taxpay-

er. To accomplish the assignment, the Department of Revenue requires both assignor and assignee to complete REV-774, Assignment of Tax Credit.

Only credits that meet the following conditions can be assigned:

- All taxes (corporate, sales/use, employer withholding, liquid fuels, etc), interest, penalties, fees and additions to tax owed by the taxpayer (assignor) must be paid in full.
- Restricted credits (credits originating from special credit programs) may be sold or assigned. These credits include the Research and Development Tax Credit (R&D), Film Production Tax Credit (FPT), Neighborhood Assistance Tax Credit (NAT), Resource Enhancement and Protection Tax Credit (REAP), Keystone Innovation Zone Tax Credit (KIZ), Keystone Special Development Zone Credit (KSDZ), Historic Preservation Tax Credit (HPTC), and Coal Refuse Energy and Reclamation Tax Credit (CRER).
- For information regarding the sale or assignment of R&D, KIZ, NAT, FPT, HPTC and KSDZ credits, call the Department of Community and Economic Development at 717-787-7120 or visit www.NewPa.com.
- For information regarding the sale or assignment of REAP tax credits, call the State Conservation Commission at 717-705-4032 or visit <http://www.agriculture.pa.gov/Protect/StateConservationCommission/REAP/Pages/default.aspx>

Additional information regarding the sale or assignment of tax credits can be obtained from Corporation Tax Bulletin 2014-04 found on the Department of Revenue website at www.revenue.pa.gov.

Call the Bureau of Corporation Taxes Accounting Division at 717-705-6225 if you have questions regarding credit assignment or restricted credits limitations or to request the REV-774 Assignment of Tax Credit Form. The form can also be found at www.revenue.pa.gov.

DEPARTMENT NOTICES

Notice of Adjustment – This notice provides a copy of the changes if the department made one or more adjustment that resulted in a recalculation of tax. The accompanying worksheet details the amounts originally reported and the adjustments made by the department.

The notice also provides instructions for amending if taxpayers believe they submitted incorrect data on the original report, and instructions of what taxpayers should do if they believe the department's adjustments are in error.

Assessment Notice – This notice is provided to taxpayers as official notification of an unpaid or underpaid balance due the commonwealth. Balances include tax, interest, penalty, other fees and forecasted interest. The elements of the notice are unique to a specific tax type and tax period. The date of the notice establishes a lien with the commonwealth and initiates the window to petition for reassessment. Taxpayers must file petitions for reassessment on or before the due dates specified

on notices. For additional information visit the Board of Appeals website at www.boardofappeals.state.pa.us.

Basis of Assessment – Attached to every Assessment Notice is a Basis of Assessment, which explains the adjustments made by the department in the determination of the liability. This is in addition to other detailed worksheets that may have been prepared and provided to the taxpayer.

Estimated Assessment Notice – This notice identifies estimated liabilities that have been imposed for a specific tax type and tax period. Estimated liabilities are imposed for failure to file a complete PA Corporate Net Income Tax Report. The assessment includes tax, interest and penalties that represent a first lien upon the entity's franchise and property, both real and personal. These liabilities are not subject to appeal. To resolve the estimate, taxpayers must file a complete PA Corporate Net Income Tax Report. The Department of Revenue is required to remove estimated assessments 90 days following receipt of a complete PA Corporate Net Income Tax Report.

Tax Period Overpayment Summary – This notice confirms the disposition of a tax overpayment. Tax credits may develop from the filing of tax reports, adjustments to a tax liability by the Department of Revenue and the Department of the Auditor General, tax relief granted from various levels of appeal or from account maintenance initiated by the department.

Statement of Account – This notice provides a summary of a taxpayer's account. Three categories of information are contained on the notice:

- **Summary of Active (filed) tax periods** – Tax periods displayed include the three most recently filed periods and those with open, unpaid balances.
- **Summary of Non-filed tax periods (includes estimated tax and estimated prepayments)** – Tax periods displayed include the current non-filed tax period estimated prepayments and restricted credits.
- **Summary of Restricted Credits** – This section includes a summary of restricted tax credits available for future periods.
- Business taxpayers and tax practitioners now have the ability to electronically request and receive a more detailed version of the Statement of Account (e-SOA) in PDF format through the new Document Center section in e-TIDES. The e-SOA can be requested at any time and is made available in PDF format in the Document Center to print or download on the next business day. The new online delivery saves time and money and provides more up-to-date information. You can access the e-SOA by visiting www.revenue.pa.gov and selecting Online Services then select e-TIDES.

The exact steps needed to access the new functionality in the **e-TIDES Document Center** varies slightly based on your current access. To learn more, visit the **Get Assistance** section in e-TIDES for step-by-step instructions on getting setup to electronically request an e-SOA.

Audit Assessment Notice – This notice is provided to taxpayers as official notification of an unpaid or underpaid balance due the commonwealth as the result of a field audit. Balances include tax, interest, penalty, other fees and forecasted interest. The elements of the notice are unique to a specific tax type and tax period. The date of the notice establishes a lien with the commonwealth and initiates the window to petition for reassessment. Taxpayers must file petitions for reassessment on or before the due dates specified on notices. For additional information visit the Board of Appeals website at www.boardofappeals.state.pa.us.

AMENDED REPORTS

Amended reports must be filed when requesting the Bureau of Corporation Taxes to adjust the corporate net income taxes for a particular year. Phone calls and/or letters submitted to the department are not acceptable and will not be considered an amended report.

CAUTION: Amended reports filed for tax years beginning on or after Jan. 1, 2016, **MUST** be filed on the **revised, year-specific, four page RCT-101**. Taxpayers must complete all sections of the report; this includes those sections originally filed and those sections being amended. The apportionment must be completed with the factors as originally filed or being amended. This must be numeric with a numerator and a denominator present. If no activity anywhere, the numerator must be "0" and the denominator must be "1". The amended report check box under Step B, Page 1 of RCT-101 must be checked and REV-1175 must be included with the report.

CAUTION: Amended reports filed for tax years beginning prior to Jan. 1, 2016 **MUST** be filed on the **non-year specific, six page RCT-101**. Taxpayers must complete all sections of the report; this includes those sections originally filed and those sections being amended. The apportionment must be completed with the factors as originally filed or being amended. This must be numeric with a numerator and a denominator present. If no activity anywhere, the numerator must be "0" and the denominator must be "1". The amended report check box under Step B, Page 1 of RCT-101 must be checked and REV-1175 must be included with the report.

A taxpayer may file an amended report anytime within three years of the filing of the original report. When filing the amended report the taxpayer must consent to an assessment period of three years from the filing of the original report or one year from the filing of the amended report, whichever expires last. If you fail to provide such consent the department might not consider the amended report. This consent to extend the assessment period is included as part of the affirmation statement at the bottom of Page 1 of RCT-101. Per act 84 of 2016, the department will have one year from the date the amended report is filed to notify the taxpayer if the changes are accepted. If the taxpayer is not notified within one year, the report is deemed accepted. If, after reviewing the amended report, the department determines the tax liability reflected on the taxpayer's PA corporate tax account is incorrect, an adjustment will be made to the liability. The department will then generate a credit for the amount of any overpayment, strike all or part of any previous assessment or issue an assessment for any additional tax liability.

An amended report should only be filed if an original PA Corporate Net Income Tax Report, RCT-101, was previously filed for the same tax period. An amended report must contain documentation to support the adjustment(s).

All amended tax reports must include Schedule AR, REV-1175, which includes a detailed explanation of the reason for filing the amended report and a summary of the change to the tax liability. In completing the Summary of Tax Change, enter the corporate net income tax; the tax liability currently reflected on the taxpayer's account; the amended tax liability; and the amount of change in the tax.

When filing an amended RCT-101, the tax liability in Column A of Step D should reflect the amended liability. Column B, Estimated Payments and Credits on Deposit, must reflect the payments and credits on the account at the time the amended report is filed. Column C, Restricted Credits, must report the restricted credits the taxpayer is entitled to based on the filing of the amended report.

Amended reports cannot be filed for the following:

1. To challenge PA statute or regulations.
2. To challenge department policy or interpretation of statutes or regulations.
3. For the sole purpose of claiming the report is a final report. **IMPORTANT:** REV-238 or REV-181 must be filed instead.
4. To change or correct taxpayer information electronically such as the Revenue ID or EIN. Use REV-854 found at www.revenue.pa.gov and select Online Services, then e-Tides.
5. To change the end of the tax year. (A new original report must be filed including an explanation why the original tax year end was incorrect).

See the following section concerning changes in federal taxable income. **IMPORTANT:**

- The filing of an amended PA Corporate Net Income Tax Report does not replace the filing of a petition, nor does it extend a corporate taxpayer's time to file an appeal.
- The department is not obligated to revise tax due the commonwealth upon review of an amended report. Its failure to revise tax due the commonwealth is not an appealable action and will not change any existing appeal rights of the taxpayer.

RCT-128C, CHANGES IN FEDERAL TAXABLE INCOME/REPORTS OF CHANGE

Changes in federal taxable income must be reported to the department within the statutory period to report the change. This includes changes in federal taxable income resulting from the taxpayer filing an amended federal income tax return and changes initiated by the federal government due to an audit or examination of the federal return. For tax years beginning prior to Jan. 1, 2013, changes in federal taxable income must be reported to the department within 30 days of the change. This has been extended to six months for tax years beginning after Dec. 31, 2012.

If a taxpayer files an amended federal income tax return for a period for which the department did or did not issue an Official Notice of Settlement, the taxpayer must report the change on RCT-128C.

Changes to federal taxable income initiated by the federal government as part of an audit or examination of the federal income tax return **MUST** be reported on RCT-128C and **MUST** include the **federal audit date or date filed with the IRS**, regardless of whether the PA corporate net income tax for that period was settled by the department.

CAUTION: If this date is not provided, interest plus a \$5 a day penalty, will be imposed from the original due date.

PREVENTING RCT-101 PROCESSING ERRORS

CAUTION

The business tax system enables a more robust and analytical review of the RCT-101, PA Corporate Net Income Tax Report data. To prevent a report from suspending, taxpayers are encouraged to provide a complete and accurate report that will process smoothly, following the below tips.

1. The Revenue ID **must** be present for processing of the report, along with all other applicable fields in STEP C.
2. NEVER input the word "**none**" in numeric fields.
3. Checkbox indicators-Pay close attention to all checkboxes within the report such as IRS Type (Page 1), STEP B (Page 1), SECTIONS C AND D (Page 3) and Schedule of Real Property (Page 4).
4. Taxpayer's claiming Add-Back on Page 2 of RCT-101, SECTION B, Line 3E, must provide schedules REV-802 and REV-803 by submitting them with RCT-101.
5. If taking a deduction for bonus depreciation, Section A 1., Current Year Federal Depreciation of 168K Property, must be completed on Page 2. Also, REV-799, Schedule C-3, must be completed and included with the report.

IMPORTANT:

RCT-101 is a **revised, year specific, four page** form and includes a revised Page 1, eliminating CS-FF and LOANS from Step D. It also includes a revised Page 2, Bonus Depreciation, Corporate Net Income Tax, and Sales Factor Apportionment (Schedule C-1). Use **ONLY** this **year-specific, four page** RCT-101 for filing all tax years beginning on or after Jan. 1, 2016. All reports for tax years beginning prior to Jan. 1, 2016 **MUST** be filed on the **non-year specific, six page** RCT-101. These forms can be found on the department's website at www.revenue.pa.gov.

Amended Reports

Amended reports filed for tax years beginning on or after Jan. 1, 2016, **MUST** be filed on the **revised, year-specific, four page** RCT-101. You must check the amended report checkbox on Page 1, Step B, and include REV-1175 with the report.

Amended reports filed for tax years beginning prior to Jan. 1, 2016, **MUST** be filed on the **non-year-specific, six page** RCT-101. You must check the amended report checkbox on Page 1, Step B, and include REV-1175 with the report.

CAUTION: Taxpayers must complete ALL sections of the amended report; this includes those sections originally filed and those sections being amended. The apportionment must be completed with the factors as originally filed or being amended. This must be numeric with a numerator and a denominator present. If no activity anywhere, the numerator must be "0" and denominator must be "1". REV-1175 must be included with the report.

Apportionment

- a) Completing the sales factor as 0/0, leaving the sales factor field blank or typing "**none**" in this field **will** result in apportionment being changed to 100 percent in Pennsylvania, automatically changing the reported tax liabilities. Partnerships' factors also must be provided per a corporation's ownership percentage and not entered as zeros.
- b) Eligible corporations claiming sales factor apportionment must complete RCT-106 and carry to RCT-101, Page 2, Section B, Line 7 and Schedule C-1.
- c) Amounts differing from information on federal forms 1120, 1120C or 1120S must be reconciled.

- d) If a corporation owns underlying partnerships, the partnerships' sales must be passed through to the corporate owner, in relation to the ownership percentage. A corporation's ownership interest in a partnership or other unincorporated entity (hereinafter referred to as a partnership) must be included in the apportionment fraction as a direct interest of the corporation in the assets of the partnership.

The portion of the partnership's gross receipts, net of returns and allowances, are included in the numerator and denominator of the corporation's sales factor to the extent of the taxpayer's interest in the partnerships for that period, as appropriate. Sales of tangible personal property are considered in-state if the property is delivered or shipped to a purchaser within Pennsylvania. This sales calculation should be reflected on the Partner's Share of Sales from Partnerships line on RCT-106.

NOTE: For tax periods beginning on or after Jan. 1, 2013, all business income must be apportioned to PA by multiplying income by the sales factor ONLY.

IMPORTANT: A corporation with no sales both inside and outside Pennsylvania must complete RCT-106, using "0" as the numerator and "1" as the denominator.

Bulk Sales

- a) Taxpayers filing a full year report and disclosing a bulk sale **should not** fill in the bulk sale checkbox on Page 3 of the RCT-101, PA Corporate Net Income Tax Report. Rather, you must complete REV-181, Application for Tax Clearance Certificate and mail separately to the Bureau of Compliance. DO NOT send with RCT-101.
- b) If a taxpayer is filing a short period report and has a bulk sale, you **must** fill in the bulk sale checkbox on Page 3 of RCT-101. You must also complete REV-181, Application for Tax Clearance Certificate and mail separately to the Bureau of Compliance. DO NOT send with RCT-101.

Reports where the taxpayer is calculating a liability using a method other than the standard calculation, including any position granted as the result of an appeal in a prior year cannot be filed electronically. In such cases, the RCT-101, PA Corporate Net Income Tax Report and all required schedules, including the reason the report cannot be e-filed, **MUST** be mailed to:

**PA DEPARTMENT OF REVENUE
BUREAU OF CORPORATION TAXES
PO BOX 280704
HARRISBURG PA 17128-0704**

- Any interest on indebtedness incurred to carry the securities;
- Any expenses incurred in the production of such interest income;
- Any other expenses deducted on the federal income tax return that would not have been allowed under Section 265 of the Internal Revenue Code of 1986, if the interest were exempt from federal income tax.

However, interest from repurchase agreements is not considered interest from U.S. securities. Therefore, it is not deductible.

To calculate the net U.S. interest deduction on Line (2B):

- Provide a detailed schedule showing the calculation of net U.S. interest deduction and include a listing of investments that generated the exempt interest income.

Pennsylvania allows a pass-through exemption from corporate net income for interest or dividend income received from a regulated investment company to the extent such distribution or dividend is derived from obligations free from state taxation. Such obligations include those issued by the U.S. Government; the Commonwealth of Pennsylvania; any public authority, commission, board or other agency created by the commonwealth; any political subdivision of the commonwealth; or any public authority created by any such subdivision.

To support any claim for a pass-through deduction for corporate net income tax purposes, the taxpayer must submit evidence that the income was received from a regulated investment company. A schedule must be submitted indicating the percentage of income applicable to exempt obligations and the percentage of income applicable to nonexempt obligations, including repurchase agreements, obligations of the Federal National Mortgage Association, (Fannie Mae), the Government National Mortgage Association (Ginnie Mae) and any other obligations that were not actually issued by the U.S. Government.

All income claimed to be exempt must be reduced by any expenses incurred in the production of such income and this information must be included to support all entries on Line 2B.

Line 2C. This is the amount of additional depreciation allowed under Act 89 of 2002 for IRC Section 168(k) property. See instructions for Schedule C-3 for additional details.

Line 2D. Other allowable deductions. As an example, certain charitable contributions may be deductible for a subsidiary corporation which has income on a separate company basis. Targeted jobs credit wages is another deductible item. If issued prior to Feb. 4, 1994, net gains on the sale of U.S. or PA securities are deductible. FICA tax obligation on employee tips, if taken as a credit for federal purposes, are also deductible.

The 50 percent of travel and entertainment expense that is disallowed on the federal form is not permitted as a deduction for Pennsylvania purposes.

All other deductions must be reported on REV-860, Schedule OD, Other Deductions. Attach schedule if additional space is needed.

Add Lines 2A, 2B, 2C and 2D and enter the result on Line 2, Total Deductions.

Line 3A. Enter the total amount of taxes imposed on or measured by net income and deducted on the attached copy of the federal tax return. All taxpayers reporting expenses for taxes on federal income tax returns must complete REV-860, Schedule of Taxes, even if no taxes are imposed on or measured by net income. If a state's tax is based on the higher of a tax on net income or a tax on another item, such as gross receipts or net worth value, the taxpayer is required to add back the entire amount of the tax in periods where the liability is based on net income. If a state's tax is a combination of a tax on net income and a tax on another item, such as gross receipts or net worth, the income portion of the tax is added back.

NOTE: The portion of Philadelphia business tax measured by net income must be included.

Line 3B. Employment incentive payment credit adjustment. In calculating wages as a cost for tax purposes, employment incentive payment credits shall be deducted, reducing the wages cost item by any employment incentive payment credit taken by the corporation. Include PA Schedule W with RCT-101.

Line 3C. This is the amount of bonus depreciation claimed by the corporate taxpayer under IRC Section 168(k) in the calculation of federal taxable income. See instructions for Schedule C-3 (PAGE 18) for additional details.

Line 3D. Act 52 of 2013 requires the add-back of intangible expense to income for interest, royalties, patents, trademarks, etc., between affiliated entities in certain instances. In order to report the add-back for tax years beginning in 2016, taxpayers must complete REV-802, Schedule C-6, Add-Back for Intangible Expense or Related Interest Expense. The total amount of additions from Schedule C-6, Line 11 should be carried to and included as a separate line item on RCT-101, Page 2, SECTION B, Line 3D. Section 401(3)1.(o) of the Tax Reform Code of 1971 requires taxpayers to add-back taxes imposed on or measured by net income, expensed on the federal income tax return, in calculating PA corporate taxable income. Schedule of Taxes includes the most common taxes expensed by corporate taxpayers on the federal income tax return. This schedule must be completed and submitted by all corporate taxpayers who are subject to PA corporate net income tax, and the total must equal the total tax expense reported on the federal income tax return.

If a state's tax is based on the higher of a tax on net income or a tax on another item, such as gross receipts or net worth value, the entire amount of the tax is entered on the line labeled "Income Taxes – Other States" in years where the liability is based on net income. Otherwise the entire amount of the tax is included on the line labeled "Other Taxes–Not Based on Income".

If a state's tax is a combination of a tax on net income and a tax on another item, such as gross receipts or net worth, the income portion of the tax is entered on line labeled "Income Taxes–Other States". The remainder of tax is included on the line labeled "Other Taxes–Not Based on Income".

Please refer to Corporation Tax Bulletin 2008-05 for a list of taxes imposed on or measured by net income. Tax bulletins are available at www.revenue.pa.gov.

Similar assets may be included on one line with a general description (i.e. automobiles) rather than listing each individual asset separately.

The Cost of Assets As Reported on Balance Sheets column should report the cost of the assets prior to depreciation, as would have been reported on the balance sheet immediately prior to the sale or distribution of the assets.

If the gain on the disposition of an asset is not reported on Schedule D or federal Form 4797, the taxpayer must provide an explanation why the gain is not reported in the calculation of federal taxable income.

Taxpayers answering "YES" to any of the questions on REV-986 are subject to corporate net income tax and must complete and file RCT-101.

If a taxpayer answers "NO" to ALL questions on REV-986, they are not required to file REV-986 or RCT-101.

RCT-101D, DECLARATION OF DE MINIMIS PA ACTIVITY

IMPORTANT: RCT-101D is only for use by non-Pennsylvania corporations.

A non-Pennsylvania corporation whose Pennsylvania activity during a tax period is considered de minimis as outlined in Tax Bulletin 2004-01 is not required to file a complete PA Corporate Tax Report, RCT-101, for that period. Instead, such a corporation may file RCT-101D, affirming that PA activity during that period is de minimis. In filing RCT-101D a corporation is reminded of the following:

1. RCT-101D is not a tax report. For this reason the statute of limitations regarding the assessment of tax does not apply to RCT-101D.
2. For a taxpayer to realize any tax benefits from a year the taxpayer filed RCT-101D, the taxpayer will be required to file a complete RCT-101 for each year, beginning with the year the benefit is generated through the year the benefit is to be used.

In cases where the taxpayer files RCT-101D and later files RCT-101, the taxpayer will be liable for all taxes due for these periods. Applicable interest will also be imposed from the original due date of the report to the date the taxes are paid. The imposition of late filing penalties will be based on the filing date of the RCT-101D. Tax Bulletin 2004-1 is available on the PA Department of Revenue website at www.revenue.pa.gov.

REV-799, SCHEDULE C-3—ADJUSTMENT FOR BONUS DEPRECIATION

IMPORTANT: Taxpayers are required to adjust Pennsylvania taxable income for 100 percent bonus depreciation of qualified property placed in service after September 27, 2017, and allowable for federal tax purposes under Section 168(k) of the IRC. See Corporation Tax Bulletin 2017-02.

DECOUPLING FROM FEDERAL BONUS DEPRECIATION (PRIOR TO SEPT. 27, 2017)

Act 89 of 2002 requires corporate taxpayers who elect the bonus depreciation under IRC Section 168(k) to make the following adjustments in arriving at Pennsylvania taxable income:

- A. Add to federal taxable income the amount of bonus depreciation expensed on the federal income tax return.
- B. Deduct from federal taxable income additional PA depreciation, calculated as follows: federal depreciation on Section 168(k) property claimed in the current year X 3/7.

C. In the year of disposition of an asset, the taxpayer may decrease taxable income by the amount of bonus depreciation on that asset disallowed in the year of acquisition and not deducted as additional depreciation.

These provisions apply to tax periods beginning after Sept. 10, 2001.

When filing PA Corporate Net Income Tax Reports, taxpayers who expensed federal bonus depreciation in the calculation of federal taxable income are required to include Schedule C-3, Adjustment for Bonus Depreciation, showing the calculation of these adjustments and the amount of bonus depreciation to be recovered in subsequent years. If the taxpayer disposes of Section 168(k) property during the tax period, the taxpayer must also include Schedule C-4 showing the calculation of the remaining recovered in the year of disposition.

IMPORTANT: This schedule must be updated each year and submitted with RCT-101 (i.e., Schedule C-3 for the current year will reflect the adjustments made for all prior years along with the adjustments made for the current year). APPORTIONMENT OF TAXABLE INCOME

Corporate taxpayers with activity in multiple states may be able to apportion taxable income. In order to apportion income, a corporation must be subject to tax in another state.

For tax years beginning on or after Jan. 1, 2013, unless the taxpayer is required to use a special apportionment method, the apportionment factor used in the calculation of the PA taxable income will consist only of sales attributable to PA divided by total sales of the taxpayer.

Sales Factor – The numerator is the total gross receipts of the taxpayer inside this state during the tax period, and the denominator is the total gross receipts of the taxpayer everywhere during the taxable period. Gross receipts are net of returns and allowances. Sales of tangible personal property are inside this state if the property is delivered or shipped to a purchaser within this state. The partnership's gross receipts shall be included in the denominator of the taxpayer's sales factor to the extent of the taxpayer's ownership interest in the partnership. The amount of such gross receipts attributable to Pennsylvania shall be included in the numerator of the sales factor. These figures should be reflected on the Partner's Share of Sales from Partnerships line of RCT-106. Amounts applicable to an ownership interest in an LLC or business trust that is a partnership or disregarded entity for federal income tax purposes must be included.

CAUTION: This must be numeric with a numerator and a denominator present. If no activity anywhere, the numerator must be "0" and the denominator must be "1".

Act 52 of 2013 established the following criteria for determining if receipts from other than the sale of tangible personal property are sourced to PA:

- Sales from the sale, lease, rental or other use of real property, if the real property is located in this state. If a single parcel of real property is located both inside and outside this state, the sale is in this state based upon the percentage of original cost of the real property located in this state.
- Sales from the rental, lease or licensing of tangible personal property, if the customer first obtained possession of the tangible personal property in this state. If the tangible personal property is subsequently taken out of this state, the taxpayer may use a reasonably determined estimate of usage in this state to determine the extent of sale in this state.
- Sales from the sale of service, if the service is delivered to a location in this state. If the service is delivered both to a location inside and outside this state, the sale is in this state based upon the percentage of total value of the service delivered to a location in this state.

If the state or states of assignment cannot be determined for a customer who is an individual who is not a sole proprietor, a service is deemed to be delivered at the customer's billing address.

- If the state or states of assignment cannot be determined for a customer who is a sole proprietor, a service is deemed to be delivered at the location from which the services were ordered in the customer's regular course of operations. If the location from which the services were ordered in the customer's regular course of operations cannot be determined, a service is deemed to be delivered at the customer's billing address.

Dividends and income from U.S. securities and receipts from sales of securities (unless a securities dealer) must be excluded from both the numerator and denominator of the sales factor.

SPECIAL APPORTIONMENT FRACTIONS

Railroad, Truck, Bus or Airline Companies – All business income of railroad, truck, bus or airline companies shall be apportioned to the Commonwealth of Pennsylvania by multiplying the income by a fraction. The numerator is the taxpayer's total revenue miles within the commonwealth during the taxable period. The denominator is the total revenue miles of the taxpayer everywhere during the taxable period. A revenue mile means the average receipts derived from the transportation by the taxpayer of persons or property one mile. Where revenue miles are derived from the transportation of both persons and property, the revenue mile fractions attributable to each such class of transportation are calculated separately. The average of the two fractions, weighted in accordance with the ratio of total receipts from each such class of transportation everywhere to total receipts from both such classes of transportation everywhere, is used in apportioning business income to the commonwealth.

Pipeline or Natural Gas Companies – All business income of pipeline companies is apportioned to the commonwealth by multiplying the income by a fraction. The numerator is the revenue ton miles, revenue barrel miles or revenue cubic feet miles of the taxpayer inside the commonwealth during the tax period. The denominator is the revenue ton miles, revenue barrel miles or revenue cubic feet miles of the taxpayer everywhere during the tax period. A revenue ton mile, revenue barrel mile or revenue cubic feet mile means, respectively, the receipts derived from the transportation by the taxpayer of one ton of solid property, one barrel of liquid property or one cubic foot of gaseous property transported one mile. All business income of natural gas companies subject to regulation by the Federal Power Commission or by the Pennsylvania Public Utility Commission is apportioned to the Commonwealth of Pennsylvania by multiplying the income by a fraction. The numerator is the cubic foot capacity of the taxpayer's pipelines inside the commonwealth. The denominator is the cubic foot capacity of the taxpayer's pipelines everywhere, at the end of the taxable period. Determine the cubic foot capacity of a pipeline by multiplying the square of its radius by its length in feet.

Water Transportation Companies Operating on High Seas – All business income of water transportation companies operating on high seas is apportioned to the Commonwealth of Pennsylvania by multiplying the business income by a fraction.

The numerator is the number of port days spent inside the commonwealth. The denominator is the total number of port days spent inside and outside the commonwealth. Port days do not include periods when the ships are not in use because of strikes or withheld from service for repair or because of seasonal reduction of services. Days in port are calculated by dividing the aggregate number of hours in all ports by 24.

Water Transportation Companies Operating on Inland Waters

– All business income of water transportation companies operating on inland waters is apportioned to the Commonwealth of Pennsylvania by multiplying the business income by a fraction. The numerator is the taxpayer's total revenue miles inside the commonwealth during the taxable period. The denominator is the total revenue miles of the taxpayer everywhere during the taxable period. In the determination of revenue miles, one-half of the mileage of all navigable waterways bordering between the commonwealth and another state shall be considered commonwealth miles. A revenue mile means the revenue receipts derived from the transportation by the taxpayer of persons or property one mile.

IMPORTANT: Corporations with two distinct activities like warehousing/trucking and distribution/trucking or personal transportation and property transportation must file a paper report to ensure timely processing. Mail the report to the "Special Handling" address found on Page 4.

APPORTIONMENT AND INVESTMENTS IN UNINCORPORATED ENTITIES

A corporate taxpayer's investment in an unincorporated entity is considered a direct ownership in the corporation's share of the assets of the unincorporated entity rather than an intangible interest. When determining the sales factor, the numerator and the denominator of the factor must include the sales of the corporate taxpayer plus the corporate taxpayer's share of the sales of the unincorporated entity. In situations where the corporate taxpayer has an investment in a business not subject to the corporate net income tax (i.e. an LLC that files federal Form 1065 with the IRS), the apportionment factor used in the calculation of the PA corporate net income tax will include only the sales of the LLC.

A corporate taxpayer with an investment in a LLC or business trust that files a federal partnership return or is disregarded for federal income tax purposes, would include the activity of the investee LLC or business trust in the single sales factor apportionment used in the calculation of the corporate net income tax.

NONBUSINESS INCOME

TRC § 401(3)2.(a)(1)(A) defines business income as income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if either the acquisition, the management or the disposition of the property is an integral part of the taxpayer's regular trade or business operations. The term includes all income apportionable under the U.S Constitution. Nonbusiness income means all income other than business income.

Rents and royalties from real or tangible personal property, gains, interest, patent or copyright royalties, to the extent that they constitute nonbusiness income, are allocated as reflected below:

1. Net rents and royalties from real property located in this state are allocable to this state.
2. Net rents and royalties from tangible personal property are allocable to this state to the extent the property is used in this state. The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

Net rents and royalties from tangible personal property are also allocated to this state if the commercial domicile of the taxpayer is in PA and the taxpayer is not organized or subject to tax in the state where the property is utilized. "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed

3. Interest is allocable to this state if the taxpayer's commercial domicile is in this state.
4. Patents and copyright royalties are allocable to this state if and to the extent that the patent or copyright is utilized by the payer in this state, or if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state. A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located. A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

IMPORTANT: Taxpayers claiming non-business income must include REV-934, Schedule of Non-Business Income, when filing RCT-101.

IMPORTANT: Nonbusiness income of railroad, truck, bus or airline companies; pipeline or natural gas companies; and water transportation companies operating on high seas or inland waters also is allocated as noted above.
