

Instructions for RCT-128C

Report of Change in Corporate Net Income Tax

RCT-128C IN (CT) 02-19

PURPOSE OF FORM

Use the RCT-128C to report changes to an entity's income as a result of a federal audit, examination or changes as a result of an amended federal income tax return filed by the entity. The RCT-128C is used only by entities subject to corporate net income tax. This includes all entities who file as a corporation with the federal government.

 **NOTE:** The RCT-128C is not to be used to file an amended RCT-101, PA Corporate Net Income Tax Report **for reasons other than amending federal taxable income.**

WHO MUST FILE

Any corporation who finally changes or corrects the amount of taxable income as returned to the federal government must file RCT-128C. This includes changes in federal taxable income resulting from the taxpayer filing an amended federal income tax return, as well as changes initiated by the federal government due to an audit or examination of the federal return regardless of the year involved.

WHEN TO FILE

In cases where the change was based on a federal amended return, RCT-128C must be filed within six months of the filing of the federal amended return. If RCT-128C is being filed to report changes due to an audit or examination of the federal return, the report must be filed within six months after the receipt of the final change or correction. A \$5 a day penalty will be imposed for a late filed return.

 **NOTE:** For tax years beginning prior to Jan. 1, 2013, RCT-128C must be filed within 30 days of the filing of the federal amended return. If

RCT-128C is being filed to report changes due to an audit or examination of the federal return, the report must be filed within 30 days after the receipt of the final change or correction. A \$5 a day penalty will be imposed for a late filed return.
