To claim expenses or deductions or to offset between classes of income, the corporation should file an RCT-101, PA Corporate Tax Report, and if appropriate, file for a refund.

Note to Partnership preparing Schedule CP: The partnership must complete this schedule to determine the withholding for nonfiling corporate partners required to file an RCT-101, PA Corporate Tax Report. Before completing this schedule, complete the PA-20S/PA-65 Schedule H-Corp (to apportion business income (loss) for the corporate partner). The partnership should use the federal Schedule K-1 to calculate withholding for any corporate partner that it is not filing an RCT-101. Withholding is based on federal Schedule K-1 income only, without regard to losses or deductions.
