INTRODUCTION

The Pennsylvania Department of Revenue will again join the Internal Revenue Service (IRS) to provide electronic filing of state Personal Income Tax returns. The Federal/State **e-file** program will provide tax preparers and taxpayers one-stop federal and state electronic tax filing.

The PA Department of Revenue requires that all participants be accepted into the federal **e-file** program in order to participate in the joint program.

This document will provide Electronic Return Originators (EROs) and transmitters with the necessary information to successfully implement the Federal/State **e-file** program.

The **Pennsylvania Publication PA-1345, Handbook for Electronic Filers of Pennsylvania Individual Income Tax Returns for Tax Year 2002**, should be used in conjunction with the **IRS Publication 1345, Handbook for Electronic Filers of Individual Income Tax Returns**. The PA Department of Revenue will conform to all procedures governing electronic filing participants set forth in the IRS Revenue Procedure 2000-31 Requirements of Participants in the IRS **e-file** Program for Individual Income Tax Returns.

The **Pennsylvania Handbook** will identify those items that are unique to the electronic filing of PA income tax returns.

For the latest details on electronic filing, including a list of software developers, visit the PA Department of Revenue's home page at:

CHAPTER 1 • CHANGES FOR TAX YEAR 2002

Additions and Changes to Accepted Schedules for 2002

- **Eliminating the PA Schedule UE-1**– This short-form UE schedule will **no longer be available**. All allowable employee business expenses will now be reported on the PA Schedule UE.
- **Allowing up to 6 PA Schedule D-1's** per return.
- **Allowing up to 10 PA Schedule E's** per return.
- **Allowing up to 30 PA Schedule D's** per return.
- **Allowing an entry on a PA Schedule D that has a gross sale price that is equal to zero**. In the past, returns having a gross sale price of zero on a Schedule D were excluded from electronic filing.

PA Accepts State-Only Returns & Current Year Amended Returns for Tax Year 2002

Beginning with tax year 2002, the IRS will allow **State-Only** tax returns to be filed electronically through the current Federal/State **e-file** system. The same forms and schedules transmitted through the Federal/State program can be filed through the **State-Only** system. This will allow tax preparers and taxpayers to file a PA Personal Income Tax return electronically even if they have had their federal return rejected or they do not need to file a federal return. This will also give taxpayers who have multiple state returns the ability to file all returns electronically. Also, tax preparers and taxpayers will be able to file **amended** PA Personal Income Tax returns electronically for the **current year** instead of having to file a paper amended return. (*To verify that your software program will be supporting State-Only filing, please check with your software developer*).

PA Accepts the Federal Self-Select PIN for Tax Year 2002 **(Except When Filing State-Only Returns)**

Beginning with tax year 2002, the PA Department of Revenue will begin accepting the Federal Self-Select PIN as a valid signature on PA returns that are filed through the Federal/State **e-file** program. Pennsylvania is accepting the Federal Self-Select PIN as a way for taxpayers to file a totally paperless return to both the IRS and the PA Department of Revenue.

In order for the Department to accept the Federal PIN as an acceptable signature, the Department will require software developers to display a Jurat/Disclosure Statement (similar to the language on the PA-8453, PA's Individual Income Tax Declaration for Electronic Filing) in the software program when a taxpayer elects the Federal PIN option. At the end of the Jurat, taxpayers will be required

to enter their Adjusted Gross Income from their 2001 tax return and their Date of Birth for verification purposes. When a valid PIN is entered as the signature, the Department will not require the taxpayer to complete the PA-8453 form. If the IRS does not accept the PIN, or the taxpayer elects not to use the Self-Select PIN, then the PA-8453 form must be completed and signed. This acceptance applies to the taxpayer's PIN only. If a practitioner PIN is used to sign the Federal return, the taxpayer must sign a PA-8453 form.

State-Only returns and Amended returns are excluded from using the Federal Self-Select PIN as a valid signature. If filing an online return, the PA-8453 form must be completed, signed by the taxpayer(s), and retained for three years by the ERO or taxpayer .

PA Accepts Credit Cards to Pay Your Personal Income Taxes

In cooperation with Official Payments Corp., the PA Department of Revenue makes it possible for Pennsylvania taxpayers to charge the balance due on their 2002 Personal Income Tax on a credit card over the phone or via the Internet. Pennsylvania taxpayers can also make estimated and extension payments via credit card. The payment process is simple and secure. There will be a 2.5% convenience fee, charged by the service provider. The taxpayer will be notified of this fee before their payment is made. Payments made under \$40 will be charged a flat fee of \$1.00. The PA Department of Revenue receives no portion of this fee. To access Official Payments, call 1-800-272-9829, or visit www.officialpayments.com. American Express, MasterCard, Discover/NOVUS, and Visa are accepted.

Out-of-State Credit & Foreign Tax Credit Returns for 2002

The PA Department of Revenue's **e-file** program accepts returns claiming credit for taxes paid to other states or countries (Line 23, PA-40). In order for a taxpayer to receive credit for taxes paid to another state or country, a PA Schedule G and/or a PA Schedule RK-1 must be completed and submitted with the taxpayer's electronic return. In addition, a **signed** copy of the taxpayer's out-of-state return and/or a copy of the taxpayer's **Federal Form 1116** (Foreign Tax Credit) must be sent to the Department within 15 days from the date the Pennsylvania electronic return was accepted. This information may be faxed to **(717) 772-4193 or (717) 787-2840**, or mailed to the following address:

PA Department of Revenue
Bureau of Individual Taxes
Electronic Filing Section
Dept. 280507
Harrisburg, PA 17128-0507

Note: Taxpayers will not receive credit for taxes paid to another state or country until the PA Department of Revenue receives a signed copy of the other state or country's return.

CHAPTER 2 • FEDERAL/STATE e-file

2001 Tax Year Results

Pennsylvania's sixth year of statewide electronic filing saw the largest growth since the statewide program began. An indication of the growing popularity of the Federal/State **e-file** program is that the PA Department of Revenue received over **1 million** electronic returns for tax year 2001. Of the 1 million returns filed, over 183,400 returns were filed from taxpayers through home computer filing. Once again, the number of EROs filing returns increased for tax year 2001. While 2,566 EROs were registered to **e-file** for tax year 2000, an additional 624 EROs registered to file returns for tax year 2001.

Whether you participated in last year's Federal/State **e-file** program or this is the first time you will take advantage of this method of filing, the PA Department of Revenue wants to thank you for your interest in the PA **e-file** program. We are striving to make tax filing as easy as possible.

How Federal/State e-file Works

Electronic Return Originators (EROs) and transmitters accepted in the IRS's **e-file** program are able to participate in the PA **e-file** program. Once registered, they are able to file both the federal and the state return in one transmission to the IRS's Andover Service Center. The IRS acknowledges to the transmitter the acceptance of the federal return and receipt of state data. The state data is then retrieved by the PA Department of Revenue and processed on the PA Personal Income Tax System.

The PA Department of Revenue acknowledges to the transmitter the acceptance or rejection of the PA data through the Centralized State Acknowledgment System (StAck).

The Department uses an Electronic Messaging System to communicate problems to EROs. Electronic notifications are transmitted through the same acknowledgment service that acknowledges receipt of the PA return. The electronic notifications inform the EROs that more information is needed to process an electronic return. The Electronic Messaging system was designed to enable direct contact between the Department and ERO without inconveniencing the taxpayer.

The taxpayer can expect to receive a PA refund check (if applicable) within 3-4 weeks from the PA acceptance date, or if a notification is issued, 3-4 weeks from the finished notification code.

Who May Participate

The Federal/State **e-file** program for PA returns is available to all interested parties who have been accepted as "Authorized IRS **e-file** Providers" in the Federal **e-file** program and transmit returns to the Internal Revenue Service's Andover Service Center. This includes Electronic Return Originators (EROs), transmitters, and software developers, who are defined as follows:

Electronic Return Originator (ERO) - A firm, organization, or individual who deals directly with the taxpayer and prepares tax returns to electronically file the returns, or collects prepared tax returns to electronically file the returns.

Transmitter - A firm, organization, or individual who transmits electronic returns directly to the IRS Center.

Software Developer - A firm, organization, or individual that develops software for the purpose of (a) formatting electronic tax return information according to PA return layouts and specifications and/or (b) transmitting electronic returns directly to the IRS.

CHAPTER 3 • APPLICATION PROCESS

New Applicants

To participate in the Federal/State **e-file** program, participants must first be accepted by the IRS. To be accepted into the electronic filing program, potential filers must complete the Internal Revenue Service's application (Form 8633, Application to Participate in the IRS **e-file** Program). Applicant processing begins August 1, 2002, at the Andover Service Center and continues through May 31, 2003. To ensure review of your application prior to the beginning of the filing season, please apply by December 1, 2002.

The IRS encourages new applicants to address any questions to their nearest IRS office. Questions for the Philadelphia area and eastern part of the state can be directed to Lea Zacharka at (215) 861-1664 or at **www.Lea.Zacharka@irs.gov**. Questions for the Pittsburgh area and western part of the state can be directed to Diana Smith at (412) 395-6569 or at **www.Diana.M.Smith@irs.gov**. For questions concerning the submission or processing of Forms 8633, the Andover Service Center's toll-free number is 1-800-691-1894.

2002 PA Registration

Electronic Return Originators (EROs) and Transmitters planning to file PA electronic returns for the **first time** in tax year 2002 must provide the PA Department of Revenue with a copy of their IRS acceptance letter in order to register with Pennsylvania. EROs who have previously registered and have received a letter of confirmation of registration from the Department will **not** need to register again to file PA Electronic returns for the 2002 tax season. However, if you have been issued a new Electronic Filer Identification Number (EFIN), you will need to register the new number with the PA Department of Revenue. Acceptance letters may be faxed to (717) 772-4193, or mailed to the following address:

PA Department of Revenue
Bureau of Individual Taxes
Dept. 280507
Harrisburg, PA 17128-0507

In the event the ERO/transmitter cannot locate a copy of the acceptance letter, contact the Help Desk at (717) 787-4017 for assistance.

CHAPTER 4 • PENNSYLVANIA'S ACCEPTANCE PROCESS

The PA Department of Revenue will recognize the federal acceptance process for the 2002 tax period.

The Electronic Filer Identification Number (EFIN) and Electronic Transmitter Identification Number (ETIN) assigned by the IRS will be the same numbers that the PA Department of Revenue uses in the Federal/State **e-file** program.

All participants are required to pass the IRS's Participants Acceptance Testing System procedures for acceptance into the Federal/State **e-file** program.

The software used to transmit data must be approved by the IRS and the PA Department of Revenue as part of the acceptance process.

When a developer's test returns have been accepted at the IRS's Andover Service Center, the state data will be retrieved by the PA Department of Revenue for testing. All known software developers will be provided with test material and instructions to perform the PA testing.

Software developers must transmit test data to the Department to ensure the software meets its specifications.

Only software developers are required to test with the PA Department of Revenue for approval of the software.

Test materials and instructions may be obtained from the following address:

Bureau of Individual Taxes
Electronic Filing Section
Dept. 280507
Harrisburg, PA 17128-0507
Fax: (717) 772-4193
E-mail: **ncarberry@state.pa.us**
Telephone: (717) 787-4017

Federal/State **e-file** software testing begins November 5, 2002, and ends January 10, 2003. To assist EROs in finding PA electronic filing software, the Department lists the companies approved on its home page at **www.revenue.state.pa.us**.

CHAPTER 5 • FILING AN ELECTRONIC RETURN

The filing of an electronic return will consist of the electronic transmission of data and supporting paper documents. The paper documents contain information which cannot be transmitted electronically, such as the taxpayer's signature. These documents are retained by the ERO.

The Pennsylvania Electronic Return

The following Pennsylvania forms may be transmitted electronically (**refund, equal, and balance due, with or without payment**). **Payment must be made by electronic funds withdrawal, check, money order, or credit card:**

- Form PA-40 - Pennsylvania Individual Income Tax Return (Includes Nonresident and Part-Year Resident returns)
- PA Schedule A - Interest (4 schedules or less)
- PA Schedule B - Dividends (4 schedules or less)
- PA Schedule C - Profit or Loss From Business or Profession (5 schedules or less)
- PA Schedule C-EZ - Profit from a Business or Profession (1 per taxpayer)
- PA Schedule D - Sale, Exchange, or Disposition of Property (30 schedules or less)
- PA Schedule D-1 - Computation of Installment Sale Income (6 schedules or less)
- PA Schedule D-71 - Sale or Exchange of Property Prior to June 1, 1971 (2 schedules or less)

- W-2 Forms (50 or less)
- 1099-R Forms (20 or less)
- W-2G Forms (20 or less)
- Statement Schedule (4 or less)

Completed Documents to be Retained by ERO/Statement Schedule

If the Federal Self-Select PIN is **not** used to sign the return, the following paper documents must be completed (and attached to the **PA-8453**) if a PA return is filed electronically:

- * Form PA-8453 - Pennsylvania Individual Income Tax Declaration for Electronic Filing. **(This form is required for all electronic returns that have not selected the Federal Self-Select PIN.)**
- * State copies of Form(s) W-2 or W-2G which would normally be attached to a paper return. Form(s) W-2 or W-2G must be attached to the front of Form PA-8453.
- * Form 1099-R which would normally be attached to a paper return. **Forms 1099-R must be attached to the front of Form PA-8453.**

The PA Department of Revenue allows a “statement” to be filed with the electronic return. The Statement Schedule gives the ERO the ability to communicate additional information to explain their client’s reporting of income. **Every time any of the following forms are verified for authenticity and attached to the PA-8453, a Statement Schedule must accompany the electronic return.** The Statement Schedule must explain what particular paper document is being retained by the ERO and how it affects the reporting of income on the PA-40.

Examples of when and how to use a **Statement Schedule** are:

1. When extension Form 4868 is attached to the PA-8453 which is retained by the ERO:
Statement: Valid Form 4868 reviewed and attached to PA-8453.
2. When military orders verifying active duty outside PA are attached to the PA-8453:
Statement: Valid military orders showing active duty outside PA reviewed and attached to the PA-8453.
3. When documentation from a department head explaining a scholarship, stipend, or grant is attached to PA-8453:
Statement: Valid documentation from department head explaining scholarship reviewed and attached to PA-8453.
4. When documentation from the City of Philadelphia explaining Injury on Duty (I.O.D.) pay for city police and firemen is attached to PA-8453:
Statement: Valid I.O.D. documentation from City of Philadelphia reviewed and attached to PA-8453.
5. When the number of dependents exceeds the available lines on Schedule SP, Part B, a statement would be entered listing the additional SP dependents’ information: Name, Age, Relationship, Social Security Number, and Total Income.

The following documents are excluded from electronic filing:

Or returns having:

Common Errors to Avoid

- **Improper entry of taxpayers' names and addresses on Pennsylvania electronic returns** delays the processing of returns and issuance of refunds. Please carefully review the following edit requirements to ensure that the returns you send to the Department are error free and processed without delays.

Name Edits	First position cannot be blank. No special characters are allowed except a hyphen (-). No more than one space is allowed between characters (word separation). No numbers allowed except in suffix.
Address Edits Line 1 and 2	First position cannot be blank. No periods (.) or commas (,) allowed. No more than one space is allowed between characters (word separation).
City Edits	No special characters are allowed except a hyphen (-) or ampersand (&). No numbers allowed. No periods (.) or commas (,) allowed.

- **Improper entry of Electronic Funds Withdrawal payment information** causes errors in the processing of payments for taxpayers who choose this option. If a taxpayer elects to pay their tax due with the Electronic Funds Withdrawal method, **it is important to verify the Routing Transit Number, the Depositor Account Number, and the payment date** for accuracy prior to submission of the electronic return.

Guidelines for Proper Entry of Military and Out-of-Country Addresses

Military addresses can have the following abbreviations in the City and State block: **APO** (army/air force post office), **FPO** (fleet post office), **AE** (Zip codes 090-098 for armed forces in Europe and the Middle East), **AP** (Zip codes 962-900 for armed forces in the Pacific) and **AA** (Zip code 340 for armed forces in Central and South America). Listed below are examples of properly entered of military addresses:

PC1 X-1 DIV ADMIN USS NIMITZ CVN 68 FPO AP 96697-2820	FPO is entered in the city. AE is entered in the state. No periods (.) or commas (,) allowed.
PFC M SMITH CMR 401 BOX 775 APO AE 09096-6775	APO is entered in the city. AE is entered in the state. No periods (.) or commas (,) allowed.
SCOTT E SMITH SETAGAYA KU APT 107 3-23-28 MATSUBARA TOKYO JAPAN 156 0043 OC	Out-of-Country addresses need the "OC" designation in the state block. These are identified as not having a valid United States Zip code.

CHAPTER 6 • TRANSMITTING THE PENNSYLVANIA ELECTRONIC RETURN

A PA electronic return can be transmitted jointly either with the federal return or, beginning this year, sent separately through the Federal/State system. Direct transmitters must comply with all transmitting procedures, communication requirements, and technical specifications required by the Internal Revenue Service, as defined in Publication 1345.

Participants in the Federal/State **e-file** program should confirm with their software developer or direct transmitters that their software has been approved by the IRS and the PA Department of Revenue to process and transmit the state data jointly with the federal data to the Andover Service Center.

Rejected Returns

The IRS will ensure all data is present. Basic formatting edits will be performed. If the IRS identifies a condition on the state return data which will cause a rejection, the IRS will indicate this error with a code on the acknowledgment record and both the federal and state returns will be rejected. If a federal return is rejected, the accompanying PA return will also be rejected. Note: In some instances, the PA return will be able to be filed again without an IRS return attached.

Form 8453, U.S. Individual Income Tax Declaration for an IRS **e-file** Return, informs taxpayers that their returns may be rejected due to errors on their PA records and, consequently their federal return may be delayed. If the error can be corrected by the Electronic Return Originator (ERO), both the federal and PA records may be retransmitted to the IRS. If the PA or Federal returns cannot be corrected, the filer can, in some instances, retransmit the Federal or State data separately.

Rejection of the PA return by the PA Department of Revenue after its retrieval from the IRS will have no effect on the accepted federal return.

Acknowledgment of Pennsylvania Electronic Return

The PA acknowledgment system is designed to inform transmitters that the PA return data has been retrieved by the PA Department of Revenue. Upon retrieval of the PA return from the IRS, the PA Department of Revenue will generate acknowledgment records and post the records for retrieval by transmitters through an electronic bulletin board. The PA acknowledgment is separate from the federal acknowledgment and the codes are different from those used by the IRS. For **State-Only** returns, PA will acknowledge these returns with the same codes as used for the Federal/State **e-file** returns.

Acknowledgment of PA Electronic Return (Continued)

Pennsylvania, along with many other states, uses the Centralized State Acknowledgment System (StAck). Program participants that are required to directly access StAck to retrieve their state acknowledgments will be required to register. You should be aware that there is a nominal fee charged by the service provider for using StAck.

If your software provider accesses this system on your behalf, you will not be required to register with StAck. You should refer to your software instructions or contact your software representative for information regarding your responsibilities for accessing and retrieving state acknowledgments.

For information on registration and fee schedules, please contact the StAck's Help Desk at (828) 349-5750 to request an application. You may also register with StAck on **www.state-ack.net**.

Pennsylvania will provide the following electronic return acknowledgments: **Initial Receipt** and **Acceptance** (ACK Code = A); **Rejection** (ACK Code = R) when the software used has not been approved; **Notification** (ACK Code = N) when additional information is needed to process the return; **Finish** (ACK Code = F) when the additional information requested has been received.

An **Acceptance** acknowledgment indicates that the electronic return will be processed to the Department's Personal Income Tax master file. The acceptance does not indicate that the return has completed the master file processing.

A **Rejection** indicates that the entire electronic return has been temporarily placed in a rejected status. The Help Desk will work with the transmitter to resolve the problem that caused the rejection. In the event the problem cannot be resolved and the return remains rejected, the taxpayer will be required to file a paper return. A paper return for a state rejected electronic return must be mailed to:

PA Department of Revenue
Bureau of Individual Taxes
Dept. 280507
Harrisburg, PA 17128-0507

If the PA Department of Revenue needs additional information to process the return once on the master file, it will provide an electronic messaging **Notification** (ACK Code = N) identifying the information needed. When the additional information that had been requested is received, a **finished** code (ACK Code = F) will be provided by the PA Department of Revenue. **(Detailed information is provided in Chapter 7 - Pennsylvania's Electronic Messaging System and Acknowledgment Codes.)**

Direct transmitters **must** retrieve these acknowledgments and notifications and, within 48 hours, relay the information to the appropriate ERO.

CHAPTER 7 • PENNSYLVANIA'S ELECTRONIC MESSAGING SYSTEM AND ACKNOWLEDGMENT CODES

Electronic Messaging System

In order to reduce correspondence, improve customer service, and speed up return processing, the Department identified the top 13 reasons that electronic returns were unable to be processed as received. When additional information is needed to process an electronic return during master file processing, PA's Electronic Messaging System will generate an "N" code to the ERO's electronic mailbox. A three-digit number beginning with "9" will accompany the "N" notification code telling the ERO what is needed to process the return. In the event the information needed does not fall into one of the pre-defined notification codes, a generic "909" code will be sent. When a 909 code is received, the ERO should call PA's **e-file** Help Desk to resolve the problem.

**To expedite processing, EROs may FAX the requested information to:
(717) 772-4193 or (717) 787-2840.**

or

The information can be mailed to: PA Department of Revenue
Bureau of Individual Taxes
Electronic Filing Section
Dept. 280507
Harrisburg, PA 17128-0507

or

Overnight mail service address: PA Department of Revenue
Bureau of Individual Taxes
Fourth Floor Strawberry Square
4th & Walnut Streets
Harrisburg, PA 17128

On the accounts where the Department receives the information requested through the "N" notification code messaging system, an "F" acknowledgment code will be sent to the ERO's electronic mailbox. **The "F" code will only be sent for the cases where an "N" previously was issued.** This "F" Code indicates that the additional information sent satisfies the Department's review needs and that the return will process through the master file system.

Pennsylvania's Electronic Messaging System was developed to allow the EROs to fix problems with taxpayers' accounts without the Department directly contacting the taxpayer. After analyzing the data from last year, the Department anticipates that EROs will be able to resolve at least 95% of the problems on **e-file** returns through this messaging system.

If the Department does not receive a response to one of our predefined notification requests within 20 days, the taxpayer will be sent a letter for the needed information. Exception: If a 909 notification is not resolved within 10 days, a letter will be generated to the taxpayer.

CHAPTER 8 • FORM PA-8453

ERO Retention of PA-8453s

If a taxpayer elects **not** to use the Federal Self-Select PIN, or the return is filed without a Federal return, the PA Department of Revenue requires EROs and Transmitters to retain completed Forms PA-8453 for three years after the due dates of the returns, or the dates the returns were filed electronically, whichever dates are later. **Please do not mail PA-8453 forms to the PA Department of Revenue.**

In the event that the PA Department of Revenue or the Treasury Department selects an electronic return for examination, the ERO may be required to provide the PA-8453 with all attachments within five business days from the date of the request. In addition, a percentage of PA-8453 forms will be randomly requested yearly for monitoring compliance.

In situations where the ERO moves, the ERO must inform the PA Department of Revenue of the address change for the ERO's office within 14 days of the change. In situations where the ERO ceases operation and has retained the PA-8453 forms for Pennsylvania income tax returns, which have been filed electronically for taxpayers, the ERO must send all PA-8453 forms that are within three years of the due dates of the returns or the dates the returns were filed, whichever is later, to the PA Department of Revenue. Please attach a letter of explanation to the PA-8453 forms and mail them to:

CHAPTER 9 • REFUND OPTIONS AND DIRECT DEPOSIT

Refund Options

Taxpayers may elect to have their 2002 refunds paid in one of the following ways:

1. Remitted as a paper check.
2. Deposited into a financial institution account.

Taxpayers also have the option of distributing overpayments as follows:

1. Credit to the 2003 estimated tax account.
2. Donation to the Wild Resource Conservation Fund.
3. Donation to the U. S. Olympic Committee, Pennsylvania Division.
4. Donation to the Governor Robert P. Casey Memorial Organ and Tissue Donation Awareness Trust Fund.
5. Donation to the Korea/Vietnam Memorial, Inc.
6. Donation to the Breast and Cervical Cancer Research Fund.

Direct Deposit

The direct deposit option is available only for electronically filed refund returns for Tax Year 2002. Refunds by direct deposit are electronically transferred to the financial institution account indicated in the PA return record, as written on the PA-8453 form.

NOTE: The financial institution accounts into which the PA refund and the Internal Revenue Service refund are deposited **may** be different. Therefore, the state and federal Routing Transit Numbers (RTN) and Deposit Account Numbers (DAN) may be different.

Requirements for Direct Deposit

The PA Department of Revenue will make state refunds by direct deposit to a taxpayer's financial institution if the following requirements have been met:

1. Taxpayers electronically file their returns
2. Taxpayers provide acceptable proof of an established or existing account.

Requirements for Direct Deposit (Continued)

Internal Revenue Service **Publication 1345** sets forth detailed eligibility requirements, responsibilities, and instructions governing tax preparers, transmitters, and EROs who offer taxpayers the option of direct deposit. Those same rules, policies, and procedures apply when offering direct deposit on the state return.

Preparing Taxpayers for Pennsylvania Direct Deposit

Before authorizing a direct deposit, taxpayers should confirm with their financial institutions that the institutions can accept direct deposit transactions.

Preparers and EROs must stress to taxpayers the importance of supplying correct information because **neither** the direct deposit election, the RTN, or DAN may be changed once a return has been acknowledged by the PA Department of Revenue.

Taxpayers usually receive refunds by direct deposit within three to four weeks of filing their returns.

If any of the following conditions exist, a paper check will be issued:

1. Invalid RTN or DAN.
2. Rejection by the receiving depository financial institution.
Note: Some financial institutions do not permit deposit of a joint refund into an individual account. The PA Department of Revenue is not responsible when a financial institution refuses a direct deposit.

The PA acknowledgment only indicates the acceptance of the return at the PA Department of Revenue. It does **not** indicate proof that a refund check will be issued or that a direct deposit will be honored.

CHAPTER 10 • PROCESSING DELAYS

The PA Department of Revenue will make every effort to process refunds for electronic returns within three to four weeks of receipt of the electronic return. However, delays may occur. Taxpayers may confirm acknowledgment of their PA state return with their ERO. Taxpayers should be advised to wait at least 30 days from the date of acknowledgment before calling the PA Department of Revenue to inquire about the status of their refunds.

Taxpayers may call our toll-free 24 hour automated FACT & Information Line at 1-888-PATAXES (1-888-728-2937) to check on their refund status.

In the event the Fact & Information Line is unable to provide information on their return, taxpayers may also call our Taxpayer Services Information Center at (717) 787-8201 or e-mail [**parev@state.pa.us**](mailto:parev@state.pa.us). Additionally, they should inform the Department that the return was filed electronically and be prepared to provide their SSN, and the PA state acknowledgment date of their electronically filed return.

CHAPTER 11 • OPTIONS FOR PAYMENT OF BALANCE DUE

The taxpayer is responsible for submitting the payment due to the PA Department of Revenue by April 15, 2003. Taxpayers may elect to pay their tax in one of the following ways:

1. Authorizing a withdrawal from their checking or savings account through electronic funds withdrawal.
2. Mailing a check or money order with the Department's preprinted Payment Voucher, PA-V, provided in their 2002 PA Individual Income Tax booklet or the voucher letter they received.
3. Authorizing a credit card payment through Official Payments Corp. American Express, Master Card, Discover/Novus, or Visa card are accepted.

Electronic Return Originators (EROs) must inform taxpayers that payment of taxes due must be made no later than April 15, 2003. If the taxpayer does not make full payment of income taxes due on or before April 15, an assessment will be sent requesting payment. The assessment will indicate the tax due, as well as interest and penalty for late payment of taxes due.

Electronic Funds Withdrawal

Electronic funds withdrawal is available only for electronically filed balance due returns for Tax Year 2002. Payments by electronic funds withdrawal are automatically and electronically transferred from the financial institution account indicated in the PA return record, as written on the PA-8453.

NOTE: The financial institution accounts from which the PA payment and the Internal Revenue Service payment are withdrawn may be different. Therefore, the state and federal routing transit numbers (RTN) and deposit account numbers (DAN) may be different.

Electronic Funds Withdrawal - Taxpayers who choose this option must provide EROs with account numbers and routing numbers for the qualified savings, checking, or share draft accounts. This information is best obtained from official financial records, account cards, checks or shared drafts that contain the taxpayer's name and address. EROs should caution taxpayers to determine, before they file, that their financial institution supports electronic funds withdrawal requests.

Taxpayers must specify the bank account from which they wish to have the balance paid and the date on which the debit will be made. This allows taxpayers to pay the balance as soon as the return is processed or delay it to a future date, not later than the return due date without extension. For example, the ERO may transmit the return in March and the taxpayer can specify that the debit be made on any specific day on or before April 15. The taxpayer does not have to do anything at a later date. For returns transmitted after April 15, the debit will be processed on the day the electronic return is received.

EROs that collect already completed returns, including returns from Drop-off Collection Points, from taxpayers who elect to pay their balances due by electronic funds withdrawal should be careful to ensure that all the information needed for the electronic funds withdrawal request is included in the return. Taxpayers must provide all of the following: 1) routing number; 2) account number; 3) type of account (checking or savings); 4) date of withdrawal; and 5) amount to be withdrawn. In addition, EROs must provide those taxpayers with printouts of the electronic return data.

If taxpayers do not provide all of the needed information, EROs must contact the taxpayers. If the ERO is unsuccessful in obtaining the electronic funds withdrawal information, but the returns are otherwise complete, the ERO should proceed with the transmission of the electronic return data to the IRS. The ERO must notify the taxpayer(s), in writing, that other arrangements must be made to pay the balance due.

Revoking the Electronic Funds Withdrawal Authorization

Taxpayers can revoke the electronic funds withdrawal authorization by notifying the PA Department of Revenue in writing no later than two business days prior to the debit date. Written requests to revoke the electronic funds withdrawal must include the taxpayer's name, address, Social Security Number (SSN), RTN, DAN and payment amount. Written requests can be faxed to (717) 772-4193 or (717) 787-2840 or e-mailed to **ra-achrevok@state.pa.us**.

Requirement for Electronic Funds Withdrawal

The PA Department of Revenue will allow payment of PA tax due from a taxpayer's financial institution if the following requirements have been met:

1. Taxpayers electronically file their returns; and
2. Taxpayers provide acceptable proof of an established or existing account.

Internal Revenue Service **Publication 1345** sets forth detailed eligibility requirements, responsibilities, and instructions governing tax preparers, transmitters, and EROs who offer taxpayers the option of electronic funds withdrawal. Those same rules, policies, and procedures apply when offering an electronic payment on the state return.

Preparing Taxpayers for Pennsylvania Electronic Funds Withdrawal

Before authorizing an electronic funds withdrawal, taxpayers should confirm with their financial institutions that the institutions can accept electronic funds withdrawals.

Preparers and EROs must stress to taxpayers the importance of supplying correct information because **neither** the electronic payment election, the RTN **nor** the DAN may be changed once a return has been acknowledged by the PA Department of Revenue.

If any of the following conditions exist, a paper check or money order will need to be issued by the taxpayer for payment of PA taxes:

1. Invalid RTN or DAN;
2. Invalid ACH Payment Date selected; or
3. Rejection by the taxpayer's financial institution.

Note: The PA Department of Revenue is not responsible when a financial institution refuses to honor an electronic payment.

The PA acknowledgment only indicates the acceptance of the return at the PA Department of Revenue. It does **not** indicate proof that an electronic payment will be honored by the taxpayer's bank.

Checks or Money Orders

A PA Individual Income Tax Payment Voucher, PA-V, is included in the taxpayer's 2002 Pennsylvania Individual Income Tax Forms and Instructions booklet or the taxpayer's Payment Voucher letter. The payment voucher must be mailed with the taxpayer's check made payable to the PA Department of Revenue to:

PA Department of Revenue
Payment Enclosed
1 Revenue Place
Harrisburg, PA 17129-0001

Note: If your tax preparation software prints a PA-V facsimile approved by the PA Department of Revenue, that PA-V may be used when no preprinted PA-V is available. Mail the PA-V and check to the above address.

In the event the taxpayer does not have a preprinted voucher and your software is unable to produce a Department-approved facsimile, the Pennsylvania income tax return payment should be attached to a copy of the PA-8453. Make your check or money order payable to PA Department of Revenue. Include the taxpayer's SSN on the check or money order. Clearly mark "**payment copy only**" on the PA-8453 and mail to the address listed above.

Credit Card Payment

Taxpayers can now pay their 2002 Personal Income Tax payment by credit card over the phone or the Internet. The payment process is simple and secure. There will be a 2.5% fee, charged by the service provider. The taxpayer will be notified of this fee before their payment is made. Payments made under \$40 will be charged a flat fee of \$1.00. American Express, MasterCard, Discover/NOVUS, or Visa Card are accepted. To access this service, contact Official Payments at 1-800-272-9829, or visit www.officialpayments.com. You can also access a link to Official Payments by visiting the Department of Revenue's home page at www.revenue.state.pa.us.

In addition to charging the balance due on their credit card, taxpayers can also charge their estimated tax payments, extension payments, and pay their delinquent tax payments.

CHAPTER 12 • RESPONSIBILITIES OF ELECTRONIC FILERS/ TRANSMITTERS/ELECTRONIC RETURN ORIGINATORS

Compliance

Electronic Return Originators (EROs) and transmitters must comply with the requirements and specifications set forth in the Internal Revenue Service Publications 1345 (Handbook), 1346 (File Specification), 1436 (Test Package), 1545 (Logo Guidelines), and the Pennsylvania PA-1345 (Handbook), and PA-1346 (File Specification).

EROs must furnish taxpayers with documentation of all completed PA forms and schedules filed by the taxpayer, including Form PA-8453. These documents must be supplied at the time the taxpayer signs Form PA-8453.

EROs must retain the following material for three years after the due dates of the return, or the dates the returns were filed electronically, whichever dates are later:

- A signed Form PA-8453
- PA copies of Form(s) W-2, W-2G and **1099-R**
- Copy of Military Orders, scholarship, stipend, or grant documentation, City of Philadelphia Injured on Duty (I.O.D.) documentation (only when applicable)
- Federal Extension Form 4868 (only for returns with extensions of time to file)
- Complete copy of the electronic portion of the return (may be retained on magnetic media)

Timeliness of Filing

Transmitters must ensure that electronic returns are filed in a timely manner. The electronic return will be considered electronically filed as of the date the return is accepted by the IRS **e-file** system. The deadline for timely filing is April 15, 2003.

Further, transmitters should confirm acknowledgment of the return by the PA Department of Revenue before considering the state portion received and accepted.

Deadline For Filing

The PA Department of Revenue will accept electronically filed PA returns, which have been submitted for transmission to the IRS Andover Service Center from January 10, 2003, through October 15, 2003, whether or not the taxpayers have extensions of time to file. Any PA returns submitted after October 15, 2003, cannot process in our electronic filing system and must be filed as paper documents.

Amending the Return Electronically

Beginning this year, Electronic Return Originators (EROs) and taxpayers that need to make changes after a return has been accepted can now file an electronic **AMENDED** PA Personal Income Tax return, for the current year (Tax Year 2002) through the IRS's **State-Only** filing system. *(To verify that your software program will be supporting State-Only filing, please check with your software developer).*

In the event that your software program does not support **State-Only** filing, and the taxpayer must file an **amended paper return**, taxpayers must follow the directions for filing amended returns as described in the PA-40 instruction booklet or the brochure, form REV-630, Amending PA-40 Returns. Mail amended paper returns to the following address:

PA Department of Revenue
Bureau of Individual Taxes
Dept. 280502
Harrisburg PA 17128-0502

Acknowledgment of Pennsylvania Returns

Transmitters are encouraged to regularly inquire concerning the status of returns transmitted. Transmitters must notify their EROs of the return's acceptance within two working days after obtaining the acknowledgment.

Note: If transmitters do not receive acknowledgment, indicating that the PA return was received within three days of the IRS acceptance acknowledgment, they should call the Department's Help Desk at (717) 787-4017.

In the spaces provided, you must enter the taxpayer's correct Social Security Number and that of the spouse, if applicable. If a husband and wife use different last names, please separate the names as in the following example: Paul A. Smith and Joan A. Weston would be Smith, Paul A. and Joan A. Weston.

The address must match the address shown on the electronically filed PA-40.

Note: *In the event the taxpayer does not have a preprinted voucher, the payment should be attached to a copy of the Form PA-8453. Clearly mark "payment copy only" on the Form PA-8453 and mail to:*

Part II - Direct Deposit of Refund or Electronic Funds Withdrawal

Taxpayers can elect to have their refund directly deposited or elect the electronic funds withdrawal method of payment by completing Part II.

Line 6 - The routing transit number (RTN) must contain nine digits. If the RTN does not begin with 01 through 12, or 21 through 32, the direct deposit request will be rejected.

Line 7 - The depositor account number (DAN) can contain up to 17 alphanumeric characters. Include hyphens, but omit spaces and special symbols. If fewer than 17 characters, enter the number from left to right and leave the unused boxes blank.

Line 8 - Check the appropriate box.

Line 9 - Debit Date - Enter the date that the taxpayer wants the payment electronically withdrawn, but no later than April 15, 2003, if filed on or before April 15, 2003.

Caution: *The account cannot include the name of any other person unless the taxpayer's filing status on the return is married filing joint or married filing separately, and the taxpayer's spouse is the other name listed on the account.*

Some financial institutions do not permit the deposit of a joint refund in an individual account. The PA Department of Revenue is not responsible when a financial institution refuses a direct deposit for this reason.

To be eligible for direct deposit or electronic funds withdrawal, taxpayers must provide proof of account ownership to their ERO. An acceptable proof of account ownership is a check, form, report, or other statement generated by the financial

institution that has the taxpayer's name, RTN of the financial institution, and the DAN preprinted on it.

For accounts that are payable through a financial institution other than the one at which the account is located, the taxpayer must provide a document, such as an account statement or account identification card, showing the RTN of the bank or institution where the account is located. A deposit slip should not be used to verify the RTN and DAN because it can contain internal routing numbers that are not part of the RTN.

If there is any doubt about the correct RTN, the taxpayer should contact the financial institution and ask for the correct RTN for direct deposit or electronic funds withdrawal.

Note: *Some financial institutions may not accept direct deposits into accounts that are payable through another bank or financial institution, including credit unions.*

Part III - Declaration of Taxpayer

Line 10 - All filers must check one of the boxes.

Note: Taxpayers can revoke the electronic funds withdrawal authorization by notifying the PA Department of Revenue in writing no later than two business days prior to the debit date. Written requests to revoke the electronic funds withdrawal must include the taxpayer's name, address, social security number, routing transit number (RTN), depositor account number (DAN) and payment amount. Written requests can be faxed to (717) 772-4193 or (717) 787-2840 or e-mailed to ra-achrevok@state.pa.us.

After the return has been prepared and before the return is transmitted, the taxpayer (and spouse, if joint) must verify the information on the return and sign and date the completed Form PA-8453. The ERO must provide the taxpayer with a copy of this form.

If the ERO makes changes to the electronic return after the Form PA-8453 has been signed by the taxpayer, but before it is transmitted, the ERO must have the taxpayer complete and sign a corrected Form PA-8453.

Part IV - Declaration of Electronic Return Originator (ERO) and Preparer

The PA Department of Revenue requires the ERO to sign this form and keep it along with the required attachments for three years.

A preparer must sign the Form PA-8453 in the space for Preparer. If the Preparer is also the ERO, do not complete the Preparer Section; instead check the box labeled "Check if also paid preparer."
