PRACTICES AND PROCEDURES OF THE BOARD OF APPEALS

WHAT IS THE BOARD OF APPEALS?

The Board of Appeals was established as a unit within the Department of Revenue responsible for the review of appeals filed by taxpayers contesting tax assessments issued by the department.

The board has original jurisdiction over all petitions for refunds, except for refunds of liquid fuels taxes paid by political subdivisions, farmers, nonpublic schools not operated for profit, volunteer fire companies, volunteer rescue squads and volunteer ambulance services; users of liquid fuel in propeller driven aircraft or engines; agencies of the federal government; agencies of the commonwealth; and the Boat Fund of the PA Fish and Boat Commission.

WHAT ARE THE PRACTICES AND PROCEDURES OF THE BOARD OF APPEALS?

A taxpayer filing an appeal may appear on his own behalf or be represented by someone else with the required technical knowledge. There is no requirement that the petitioner be represented by an accountant, attorney or other representative. However, a petitioner's representative must be authorized in writing to represent the petitioner before the Board of Appeals.

The Board of Appeals will review evidence submitted and conduct hearings, as necessary, to decide the merits of the petitioner's appeal. It is important to note that the burden of proof shall be with the petitioner on all issues except fraud.

HOW CAN I REQUEST A COMPROMISE?

A petitioner may request a compromise of an appeal by submitting a Request for Compromise (DBA-10) with the petition for appeal or as soon as possible after the petition is filed. For further information, please see Miscellaneous Tax Bulletin 2011-02, which details the compromise option.

HOW DO I CONTEST MY TAX ASSESSMENT?

If you want to request a refund or appeal an assessment or determination, a petition must be filed with the Board of Appeals.

WHEN SHOULD I CONTACT THE BOARD OF APPEALS?

Your Notice of Assessment specifies the time in which an appeal must be filed with the Board of Appeals. Petitions for refund must be filed within the timeframe provided by the statute governing the tax requested for refund. Petitions are considered timely filed if received by the board or postmarked by the U.S. Postal Service on or prior to the final day prescribed for filing.

HOW ARE HEARINGS SCHEDULED AND CONDUCTED BEFORE THE BOARD?

Hearings before the board are scheduled at the petitioner's request or as required by the board. Hearings will be conducted by a member of the board or by a designated hearing officer. In corporation tax and cigarette tax hearings, a representative of the Department of the Auditor General may be in attendance.

Hearings are informal, and it is not necessary to have professional representation. However, witnesses will give testimony under oath, and the proceedings may be recorded as part of the record. Adequate pre-hearing preparation will expedite the proceedings.

WHAT IF I CANNOT ATTEND A SCHEDULED HEARING?

Hearings may be postponed, but a request for continuance must be made in writing and received by the board five business days prior to the scheduled hearing date. Such requests will be granted at the discretion of the board.
