

ELECTRONIC FILING REQUIREMENT
City Revitalization and Improvement Zone Program

Beginning this year, all City Revitalization and Improvement Zone tax reports must be filed electronically through the Department of Revenue website.

Electronic filing will be accessible from April 1 to the June 15, 2015, filing deadline at www.revenue.pa.gov/CRIZ.

The filing application requires users to create a Department of Revenue electronic signature, then log on using the e-signature. A single user may file CRIZ reports for one or more businesses, and there are no limits to the number of reports a user may file.

All filers should review the report instructions prior to electronically filing a report to ensure accuracy of reports. A system-generated confirmation number will be provided to a user upon completion of a successful filing. Errors within a report will prevent the report from being filed.
