

2007 PERSONAL INCOME TAX STATISTICS

Edward G. Rendell, Governor

Stephen H. Stetler, Secretary of Revenue

pennsylvania
DEPARTMENT OF REVENUE

COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF REVENUE
Harrisburg, PA 17128-1100

The Secretary

August 2009

I am pleased to present the Pennsylvania Department of Revenue's annual publication containing information on taxable income as reported on 2007 Personal Income Tax returns filed with the Commonwealth. As in previous years, amounts of taxable income by types of income are reported by county and also by total taxable income ranges.

Additional copies of this report may be obtained by contacting the Bureau of Research, PA Department of Revenue, 11th Floor, Strawberry Square, Harrisburg, PA 17128-1100; through our website at www.revenue.state.pa.us; or by calling (717) 787-6300.

A handwritten signature in black ink, appearing to read 'S. Stetler', enclosed within a large, loopy circular flourish.

Stephen H. Stetler
Secretary of Revenue

2007 INCOME TAX SUMMARY STATISTICS

INTRODUCTION AND EXPLANATIONS

This publication provides data extracted from tax returns and summarized in various formats for your convenience. Tables are included showing data by county and by taxable income class within each county. Fiduciary and tax forgiveness return data are shown separately. Selected historical data, including tax rates, are also provided.

Tax Year 2007 Highlights

- ◆ For tax year 2007, all eight taxable income categories showed increases over tax year 2006.
- ◆ Total taxable income continued its upward trend increasing by 10.2% from tax year 2006. Taxable compensation, the largest component of the eight taxable income categories, increased by 6.8% in tax year 2007.
- ◆ Interest, dividend, net profit, sale of property, rents or royalties, and trust or estate income showed significant increases of 26.3%, 35.3%, 15.0%, 26.4%, 11.4%, and 16.2%, respectively, in tax year 2007.
- ◆ Gambling or lottery income increased by 8.1% from tax year 2006.
- ◆ The Special Tax Provision for Poverty (SP) credit was not adjusted in tax year 2007. Both the eligibility income for each dependent and the eligibility income for each claimant remained at \$9,500 and \$6,500, respectively, in tax year 2007. The brackets for partial forgiveness also remained at \$250. A family of four earning \$32,000 annually would owe no tax. The tax revenues forgone increased from \$312.1 million in 2006 to \$312.3 million in tax year 2007, and a total of about 1.3 million taxpayers filing 2007 individual income tax returns benefited from the SP program.

History and Overview of the Tax

The current Personal Income Tax is authorized by Article III of the Act of August 31, 1971 (P.L. 362), applicable to income received on or after June 1, 1971. The original Personal Income Tax, enacted on March 4, 1971, imposed a tax on income for taxable years ending after December 31, 1970, but was found unconstitutional by the Supreme Court of Pennsylvania.

Eight classes of income are taxable under the current Personal Income Tax: (1) compensation; (2) interest; (3) dividends; (4) net profits from operation of a business, profession or farm; (5) net gains or income from disposition of tangible or intangible property; (6) net gains or income from rents, royalties, patents and copyrights; (7) net gains or income derived through estates or trusts; and (8) gambling or lottery winnings (except Pennsylvania State Lottery winnings won on or after July 21, 1983). A loss in one class of income may not be used to offset income in another class, nor may gains or losses be carried backward or forward from year to year.

Sources and Limitations of the Data

All data in this report are taken from tax returns filed for tax year 2007. The data do not include the following types of income which are not required to be reported on the tax return:

- ◆ pension or retirement income;
- ◆ social security income;
- ◆ gains from the sale of exempt securities;
- ◆ exempt interest and dividends; or
- ◆ any other tax exempt income.

PA income from all flow-through entities (S corporations, partnerships and limited liability companies (LLCs)) may be reflected in several income classes. Taxpayers are required to report PA income from S corporations, partnerships and LLCs in the same category in which it was received by the business. For example, a taxpayer would report as net gains from the disposition of property a proportionate share of the capital gains received by the business.

2007 INCOME TAX SUMMARY STATISTICS

All county information is based on the county in which the taxpayer resided at the time the return was filed, not necessarily the county in which income was earned.

Explanation Of Terms

Business Expenses - unreimbursed expenses which were ordinary, actual, reasonable and necessary to enable the taxpayer to perform properly the duties of his or her employment. Allowable business expenses include union dues, work clothes, small tools and supplies, professional license fees, malpractice insurance and fidelity bond premiums, certain work area or office expenses and certain moving and education expenses. Expenses for which an employer reimbursed the taxpayer may be considered if the reimbursements were included in *gross compensation*.

Claimant - a person who qualifies to receive a *tax forgiveness* credit. Qualification and rate of forgiveness depend upon *eligibility income* and number of *dependents*.

Dependent - a natural child, adopted child, stepchild, grandchild, or foster child who lives in the home of a *tax forgiveness claimant* and who is provided more than one-half of his or her support by the claimant.

For tax year 1997 and thereafter a dependent is a child who is the dependent of a claimant for purposes of Section 151 of the Internal Revenue Code of 1986.

Dividends - any distribution by a corporation or business association from its earnings and profits. Distributions from mutual funds, money market funds, and investment trusts are considered dividends. Dividends do not include exempt interest payments received from fixed portfolio investment trusts which invest in obligations free from state taxation under the laws of the Commonwealth or the United States.

Eligibility Income - amount of income which determines qualification for the special poverty (SP) credit. See *total income schedule SP* and *tax forgiveness*.

Estates, Trusts - income received by an estate or trust which is currently distributable or, in fact, is paid or credited to a beneficiary of the estate and trust. Cash and property acquired from an estate or trust by gift, bequest, or inheritance is not included.

Gambling, Lottery - gambling and lottery winnings, offset by gambling and lottery losses. This does not include payments for prizes of the Pennsylvania State Lottery won on or after July 21, 1983.

Gross Compensation - income from wages, salaries, tips or any other payment received for services rendered, before any exclusion for *business expenses*.

Interest - income received from savings and loan associations, credit unions, bank deposits, bonds, certificates of deposit, interest bearing checking accounts and other interest producing activity. It does not include interest not subject to tax - such as interest on obligations of the Commonwealth of Pennsylvania and the United States Government.

Joint Filers - married individuals who, for convenience, file together on the same return.

Limited Liability Companies (LLCs) - LLC individual members are subject to personal income tax on distributions made by the LLC. LLC income is found in various classes under Personal Income Tax.

Married Filing Separate - married individuals who file on separate returns.

Median Taxable Income - the median is a value, based on total taxable income, which divides the total number of non-zero returns into two equal parts. Half of all returns have total taxable income lower than the median and half of all returns have total taxable income higher than the median.

Net Profits - income, after expenses, from a business, profession, or farm. It includes profits from unincorporated businesses as well as shareholders' proportionate shares of PA S corporation income.

2007 INCOME TAX SUMMARY STATISTICS

Other Filers - includes the final returns of deceased individuals and those who have not otherwise designated a filing status.

Other Taxable Income - income from the *sale or exchange of property; rent, royalties, patents, copyrights; estates or trusts; and gambling or lottery winnings.*

Partnership – A partner’s share of partnership income or gain, whether or not distributed, must be reported as income if it falls within the enumerated classes of taxable income. Partnership income is found in various classes under Personal Income Tax.

Rent, Royalties, Patents, Copyrights - income received for use of real or tangible property, the use of a patent or copyright, or the extraction of coal, oil, gas or other minerals.

PA S Corporation - also known as a subchapter S corporation is a corporation through which income is taxed to individual shareholders in proportion to their investment rather than being taxed as corporate income. PA S corporation income is found in various classes under Personal Income Tax.

Sale of Property - net gains or income less net losses from the sale, exchange or other disposition of any kind of property. Beginning January 1, 1998, Sale of Property income no longer includes gains from the sale of a principal personal residence.

Single Filers - persons who are unmarried on the last day of the year or whose spouse died during the year.

Tax - taxable income multiplied by the effective tax rate rounded down to the nearest dollar. This does not reflect credits such as the special tax provisions for poverty (SP) credit, out-of-state credit or the Employment Incentive Payment Credit.

Taxable Compensation - *gross compensation* reduced by *business expenses.*

Tax Forgiveness - special tax provisions for poverty (SP) allow eligible claimants to reduce

their tax liability depending on their *eligibility income* and number of *dependents.*

Total Income Schedule SP - the total of taxable income, nontaxable interest, dividends and gains; alimony and child support; life insurance and inheritance proceeds; gifts, awards and prizes; educational stipends; proceeds from sales; nontaxable military pay; nonresident income; and any other income not specifically excluded. This constitutes a claimant's *eligibility income* for determining the level of *tax forgiveness.*

Notes To Tables

All summary tables by county include a representative share of the city of Bethlehem in the Lehigh and Northampton county data.

Data shown in Tables 6 through 9 (Returns Receiving Tax Forgiveness) are included in summary Table 1 (Taxable Income for All Returns by County) and Table 4 (Income for All Returns by Taxable Income Range and County).

Data shown in Table 3 (Taxable Fiduciary Income by County) are not included in any other statistics.

The detail may not add to the totals on the various tables due to rounding.

Data replaced by “***” has been deleted to prevent disclosure of individual tax information.

Beginning tax year 1998, the SP tables are reported by number of exemptions (dependents) filed instead of total household members (claimants plus dependents).

2007 INCOME TAX SUMMARY STATISTICS

TAX FORGIVENESS

Special tax forgiveness provisions allow eligible claimants to reduce their liability depending upon the amount of their eligibility income and number of dependents.

Who is Eligible for Tax Forgiveness?

A taxpayer is eligible for tax forgiveness if he/she:

1. has taxable income; and
2. provides at least one-half of his/her own support; and
3. meets certain eligibility income limitations.

Eligibility income is a combination of taxable income plus income from nontaxable interest and dividends; alimony and child support; life insurance and inheritance proceeds; gifts, awards and prizes; educational stipends; proceeds from sales; realized capital gains (whether taxable or nontaxable); nontaxable military pay; nonresident income; and any other income not specifically excluded.

For tax year 2007, the eligibility income limit for 100% tax forgiveness was \$6,500 for the claimant, with an additional \$9,500 for each additional dependent. Partial tax forgiveness was available to claimants for eligibility incomes of up to \$2,250 above the limit for 100% forgiveness.
