Honorable Uri Monson  
Secretary of the Budget  
Governor's Budget Office  
238 Main Capitol Building  
Harrisburg, PA 17120

Dear Secretary Monson,

I hereby certify, pursuant to section 3 of the act of November 27, 2019 (P.L. 695, No. 101) (73 P.S. § 850.351(g)), known as the Military Installation Remediation Program (MIRP), \$22,139,307.06 in General Fund revenue is attributable to the MIRP for calendar year 2022.

\$4,231,883.00 was reported by the Military Installation Remediation and Infrastructure Authority as the local effort for calendar year 2022. Pursuant to law, certified funds transferred to the MIRP fund may not exceed 500% of the local taxes and additional money designated and transferred to the qualified authority by a municipality or municipal authority during the year.

The amount of state taxes paid, less any state tax refunds received, by qualified businesses and contractors filing reports with the Department of Revenue and attributable to the designated parcels within the MIRP between January 1 and December 31, 2022, total \$22,139,307.06.

The certified taxes exceed the funding cap for this program year, therefore, the amount of state taxes attributable to the MIRP in 2022 to be transferred from the General Fund to the MIRP Fund shall not exceed \$21,159,415.00.

Respectfully,
