

**NEW FOR 2013**

The electronic funds transfer requirement was reduced from \$10,000 to \$1,000; all payments of \$1,000 or more made after Dec. 31, 2013, must be made electronically.

Taxpayers may request a 60-day extension to file this report by filing REV-426.

**NOTE:** Act 52 of 2013 — which grants an automatic PA extension to file the PA Corporate Tax Report, RCT-101, if the taxpayer has a valid federal extension — DOES NOT apply to this tax.

**REMINDER**

- **Revenue ID:** A corporation's Revenue ID is a new, unique, 10-digit number assigned by the department to a taxpayer, separate from any federally issued identification number(s) or Pennsylvania license number(s).

As the department continues to transition into an integrated tax system, a 10-digit Revenue ID will be assigned and communicated to each taxpayer. A corporation's seven-digit PA Tax Account ID will continue to be accepted by the department on tax forms and schedules, but upon assignment of a 10-digit Revenue ID to a taxpayer, the department will begin using the 10-digit Revenue ID on outbound correspondence in lieu of referencing the seven-digit Tax Account ID.

- RCT-121A has been redesigned and is no longer year-specific.
- Line-by-line instructions for RCT-121A are now available.
- RCT-121A is available as a fill-in form on the department's website at **www.revenue.state.pa.us**.
- REV-1175, Schedule AR, (explanation for amending) must be included when filing an amended report.
- One estimated payment coupon (REV-423) and one extension coupon (REV-426) will be used for all specialty taxes. The coupons and the tax report (RCT-121A) will no longer be mailed. They are available as fill-in documents on the department's website at **www.revenue.state.pa.us**. The coupons can be filed electronically through e-TIDES at **www.etides.state.pa.us**. However, electronic filing of the tax report is not available. The report should be completed using the computer-based fill-in form, printed and submitted by mail to the department. The form can be saved electronically for your records.

**Annual Report Checklist:** Make sure you include the following to file your annual report properly and completely:

- Complete RCT-121A, Gross Premiums Tax Report for Domestic Casualty Life or Life Insurance Companies Associations or Exchanges
- Copy of the Pennsylvania Business Page
- Copy of Schedule T from the annual report
- Corporate officer's signature on Page 1 and preparer's signature and PTIN on Page 2 (if applicable)

All tax calculations must be shown in **whole dollar** amounts. An amount less than 50 cents will be eliminated, and an amount of 50 cents or more will be rounded to the next dollar.

**Imposition, Base and Rate**

Gross premiums tax is imposed on insurance companies at a rate of 2 percent of gross premiums received from business conducted in Pennsylvania. For more information, see the Act of March 4, 1971 (P.L. 6, No.2).

Extraordinary medical benefit premiums for coverage under 75 Pa.C.S. § 1715(a)(1.1) are not subject to the tax (See 75 Pa.C.S. § 1798.1(c)).

The following may be deducted from taxable premiums:

- Amounts returned on policies cancelled or not taken
- Premiums received for reinsurance
- The portion of advanced premiums, premium deposits or assessments returned in cash or credited to members or policyholders upon the expiration or termination of their contracts (in the case of mutual insurance companies, associations, exchanges and stock companies with participating features)
- Notes and other obligations received by mutual insurance companies to secure contingent premium liabilities to the extent that no assessment has been made and collected against the notes or obligations.

Companies exempt from the tax include title insurance companies subject to the title insurance and trust companies shares tax; purely mutual beneficial associations whose funds for the benefit of members and families or heirs are made up entirely of the contributions from their members and the accumulated interest on those contributions; corporations organized under the Nonprofit Hospital Plan Act of 1937 (Act of June 21, 1937, (P.L. 1948, No.378)); and corporations organized under the Nonprofit Medical, Osteopathic, Dental and Podiatry Service Corporation Act of 1939 (Act of June 27, 1939, (P.L. 1125, No.399) Act of 1937 (Act of June 21, 1937, (P.L. 1948, No. 378))); and corporations organized under the Nonprofit Medical, Osteopathic, Dental and Podiatry Service Corporation Act of 1939 (Act of June 27, 1939, (P.L. 1125, No.399)).

Enter month, day and year (MM DD YYYY) for the tax year beginning and enter year (YY) for the tax year end.

**Report Due Date**

A penalty for late filing will be imposed as follows and assessed at the time of filing: 10 percent of the first \$1,000 of tax liability, 5 percent of the next \$4,000 of tax liability and 1 percent on any tax liability in excess of \$5,000.

**Address Change**

Enter "Y" in the block on Page 1 if the address of the corporation has changed from prior tax periods. The current mailing address should be reflected on the report.

**Correspondence to Preparer**

An amended report must be filed within three years of the filed date of the original report. The department may adjust the tax originally reported based on information from the amended report. The taxpayer must consent to extend the assessment period. If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

When filing an amended report, record the amended tax liability on Page 1, Line 1a, 1b or 1c. REV-1175, Schedule AR, must be included when filing an amended report.

The following credits are available against gross premiums tax:

- Neighborhood Assistance Program Tax Credit
- Educational Improvement Tax Credit
- Employment Incentive Payment Credit
  - Employment incentive payment credits are not posted to the account prior to assessment, therefore the account review statement will reflect a debit balance until the credit is approved. Schedule W must be attached to claim this credit. Check the appropriate box if the corporate taxpayer is claiming the employment incentive payment credit.
- PA Life and Health Insurance Guaranty Association Credit
  - To claim a credit for a PA Life and Health Insurance Guaranty Association Assessment, submit a copy of the assessment invoice certificate of contribution for the first year the credit is claimed. Submit all pages. Include a copy of the Pennsylvania Business Page, Schedule T for the year immediately preceding the year of the assessment and a schedule of all credits claimed for each type of assessment (i.e. life insurance, accident and health insurance annuity). **Corporate Officer Information**

A corporate officer must sign and date the tax report. The signature must be original; photocopies or faxes will not be accepted. Print the first and last name, title, Social Security number, telephone number and email address of the corporate officer.

**Preparer's Information**

Paid preparers must sign and date the tax report. If the preparer works for a firm, provide the name, FEIN and address of the firm along with the name, telephone number, email address and PTIN/SSN of the individual preparing the report. If the preparer is an individual without any association to a firm, provide the name, address, telephone number, email address and PTIN/SSN of the individual preparing the report.

**Estimated Payment Instructions**

All accounts are expected to remit estimated prepayments toward the final liability a corporation estimates is due for the taxable year. Prepayment for gross premiums tax is due March 15 of the reported year. Tax remaining due at the close of the taxable year must be paid on or before April 15 of the following year.

Should a corporation realize estimated tax is underpaid, additional payments should be submitted to minimize underpayment penalty. Underpayment is measured against 90 percent of the tax reported due for the taxable year. However, if the final total tax increases the self-reported tax by 10 percent or more, the underpayment will be measured against 90 percent of the final total tax. The period of underpayment is measured from the due date of the installment to the date the underpayment is paid or the date the safe harbor is satisfied. A corporation may avoid interest charges by timely paying estimated tax equal to the liability in the second-prior taxable year (safe harbor). This amount must be adjusted to reflect the tax rate and law for the estimated tax year and must reflect the total liability if it exceeds the self-reported liability by 10 percent or more. Where the second-prior year is a short period, the safe harbor is annualized. Second year corporations may use the immediate prior year (annualized if necessary) as the base year for the safe harbor. Mail the estimated payment coupon (REV-423) separately from all other forms.

If you have questions regarding estimated payments, call the Accounting Division at 717-705-6225 (Option 5, then Option 1 or 3).

**Extension Request Due Date**

To request a due date extension of up to 60 days to file the annual report, you must file an extension request (REV-426) by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested. Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities or commonwealth obligations within the account.

**Payment and Mailing Information**

Remittance should include tax plus interest and penalty, if applicable. Penalty and interest calculators can be found at [www.revenue.state.pa.us](http://www.revenue.state.pa.us). The electronic funds transfer requirement was reduced from \$10,000 to \$1,000; all payments of \$1,000 or more made after Dec. 31, 2013, must be made electronically. For more information on electronic filing options, visit [www.etides.state.pa.us](http://www.etides.state.pa.us). Payments under \$1,000 may be remitted by mail, made payable to the PA Department of Revenue.

PA DEPARTMENT OF REVENUE

**Current Period Overpayment**

If an overpayment exists on Page 1 of RCT-121A, the taxpayer must instruct the department to refund or transfer overpayment as indicated below.

**Refund:** Identify the amount to refund from the current tax period overpayment. Prior to any refund, the department will offset current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

**Transfer:** Identify the amount to transfer from the current tax period overpayment to the next tax period for estimated tax purposes. Prior to any transfer, the department will offset current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

**NOTE:** If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

**Requests for Refund or Transfer of Available Credit**

Requests for refund or transfer of available credit from prior periods can be faxed on company letterhead, signed by an authorized representative, to 717-705-6227.
