Imposition, Base and Rate

Gross receipts tax is imposed on transportation companies that do business in Pennsylvania. The tax applies to gross receipts received for transportation of passengers, baggage, freight and oil wholly within Pennsylvania. The following transportation companies no longer have a filing requirement: railroads, repealed in 1995, motor vehicle for hire, repealed in 1998, and natural gas, repealed in 2000. No exemptions from tax exist for transportation companies; however, the transportation of U.S. mail is tax-exempt. Both lessors and lessees are subject to tax. If the works are operated by another company, the tax is apportioned with respect to the lease or agreement.

The tax rate for transportation companies includes the Public Utility Realty Tax Act (PURTA) surcharge. For more information, see Section 1101 of the Tax Reform Code of 1971 (72 P.S. § 8101).

The tax rates are as follows:

Tax Period	Rate	Surtax	PURTA Surcharge	Total Tax Rate:
12/31/2015	45 mills	5 mills	0.0 mills	50.0 mills (0.0500)
12/31/2014	45 mills	5 mills	0.0 mills	50.0 mills (0.0500)
12/31/2013	45 mills	5 mills	0.0 mills	50.0 mills (0.0500)
12/31/2012	45 mills	5 mills	0.0 mills	50.0 mills (0.0500)

The taxpayer must consent to extend the assessment period. If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. Estimated Payment Instructions

All accounts are expected to remit estimated prepayments toward the final liability a corporation estimates is due for the taxable year. Prepayment for gross receipts tax is due March 15 of the reported year. Tax remaining due at the close of the taxable year must be paid on or before March 15 of the following year.

Should a corporation realize estimated tax is underpaid, additional payments should be submitted to minimize underpayment penalty. Underpayment is measured against 90 percent of the tax reported due for the taxable year. However, if the final total tax increases the self-reported tax by 10 percent or more, the underpayment will be measured against 90 percent of the final total tax. The period of underpayment is measured from the due date of the installment to the date the underpayment is paid or the date the safe harbor is satisfied. A corporation may avoid interest charges by timely paying estimated tax equal to the liability in the second-prior taxable year (safe harbor). This amount must be adjusted to reflect the tax rate and law for the estimated tax year and must reflect the total liability if it exceeds the self-reported liability by 10 percent or more. Where the second-prior year is a short period, the safe harbor is annualized. Second year corporations may use the immediate prior year (annualized if necessary) as the base year for the safe harbor. Mail the estimated payment coupon (REV-423) separately from all other forms.

If you have questions regarding estimated payments, call the Accounting Division at 717-705-6225 (Option 5, then Option 1 or 3).

Extension Request Due Date

To request a due date extension of up to 60 days to file the annual report, you must file the extension request (REV-426) by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax, and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested. Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities or commonwealth obligations for the account.

Payment and Mailing Information

Remittance should include tax plus interest and penalty, if applicable. Penalty and interest calculators can be found at www.revenue.pa.gov. All payments of \$1,000 or more must be made electronically. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500. For more information on electronic payment options, visit www.etides.state.pa.us. Payments under \$1,000 may be remitted by mail, made payable to the PA Department of Revenue.

Current Period Overpayment

If an overpayment exists on Page 1 of the RCT-113A, the taxpayer must instruct the department to refund or transfer overpayment as indicated below.

Refund: Identify the amount to refund from the current tax period overpayment. Prior to any refund, the department will offset current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

Transfer: Identify the amount to transfer from the current tax period overpayment to the next tax period for estimated tax purposes. Prior to any transfer, the department will offset current period liabilities and other unpaid liabilities or commonwealth obligations within the account.

NOTE: If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities or commonwealth obligations within the account.
