Tax Year

Enter month, day and year (MM DD YYYY) for the tax year beginning and year (YY) for the tax year end.

Report Due Date

This report is due on June 1 for the preceding year ended Dec. 31. If June 1 falls on a Saturday, Sunday or holiday, the report is due the next business day. The penalty imposed for failure to file timely reports is now a minimum of \$500, regardless of the determined tax liability, plus an additional 1 percent of any determined tax liability over \$25,000.

An amended report must be filed within three years of the filed date of the original report. The department may adjust the tax originally reported based on information from the amended report. The taxpayer must consent to extend the assessment period. If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. Extension Request Due Date

To request a due date extension of up to 60 days to file the annual report, you must file an extension request (REV-426) by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax, and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested. Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities or commonwealth obligations within the account.

Payment and Mailing Information

Remittance should include tax plus interest and penalty, if applicable. Penalty and interest calculators can be found at **www.revenue.pa.gov**. All payments of \$1,000 or more must be made electronically or by certified or cashier's check remitted in person or by express mail courier. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500.
