### **Instructions for RCT-112**

Gross Receipts Tax (GRT) Report - Electric, Hydro-Electric and Water Power Companies

### HIGHLIGHTS

- All RCT-112 gross receipts taxpayers are required to make an annual estimated prepayment of tax. Failure to do so will result in an assessment of Underpayment Interest and could result in the taxpayer losing operating authority in the state of Pennsylvania.
  - For Further guidance, refer to the "Estimated Payment Instructions" on Page 3.
- All payments of \$1,000 or more must be made electronically or by certified or cashier's check remitted in person or by express mail courier.
- Use ONLY whole dollars when preparing tax reports.
- PA sales for resale exemptions must be reported on Page 3 of the report. If additional pages are needed, please make a clean copy of Page 3 and complete.
- Taxpayers may request a 60-day extension to file this report by filing REV-426.
  - NOTE: The automatic PA extension provided by Act 52 of 2013 to those with valid federal extensions DOES NOT apply to this tax.
- The penalty imposed for failure to file timely reports is now a minimum of \$500, regardless of the determined tax liability, plus an additional 1 percent of any determined tax liability over \$25,000.
- RCT-112 is available as a fill-in form on the department's
  website at www.revenue.pa.gov. Use ONLY the most
  current, non-year-specific tax form and instructions for
  filing ALL years. If an amended report must be filed,
  taxpayers must use the most current, non-year-specific tax form, completing all sections of the form.
  REV-1175, Schedule AR (explanation for amending),
  must be included when filing an amended report.
- One estimated payment coupon, REV-423, and one extension coupon, REV-426, will be used for all specialty taxes. The coupons and the tax report will no longer be mailed. These forms are available as fill-in documents on the department's website www.revenue.pa.gov. The REV-423 and REV-426 coupons can be filed electronically through e-TIDES at www.etides.state.pa.us. However, electronic filing of the tax report is not available. The report should be completed using the computer-based fill-in form, printed and submitted by mail to the department. The form can be saved electronically for your records.
- For tax years beginning on or after Jan. 1, 2011, taxpayers subject to gross receipts tax must file the Pennsylvania gross receipts tax report using the same method of accounting used to file reports with the Federal Energy

Regulatory Commission (FERC) or the Federal Communications Commission (FCC). If the taxpayer has no regulatory reporting requirement to FERC or FCC, the taxpayer must file the Pennsylvania gross receipts tax report using the same method of accounting used to file reports with the Pennsylvania Public Utility Commission (PUC). If the taxpayer has no regulatory reporting requirement to FERC, FCC or PUC, the taxpayer must file the Pennsylvania gross receipts tax report using the same method of accounting used to file the federal income tax return with the Internal Revenue Service. If this requires a taxpayer to change the accounting method for reporting Pennsylvania gross receipts, see Tax Bulletin 2011-02 for the applicable rules in reporting for the transition year.

For tax years beginning on or after Jan. 1, 2011, taxpayers using the accrual method of accounting may take an adjustment to PA receipts for bad debts. The taxpayer must provide detail of all adjustments, including tax type, amount, location and tax period.

#### IMPOSITION, BASE AND RATE

Gross receipts tax is imposed on electric light companies, water power companies and hydro-electric companies, including electric distribution companies and electric generation suppliers that do business in Pennsylvania establishing or maintaining a market for the sale of electric energy. The tax applies to retail sales of electric generation, transmission

and distribution; supply of electric energy; dispatching and customer services; competitive transition charges, intangible transition charges; universal service and energy conservation charges; and any other receipts considered sales of electric energy. Retail sales of electric generation occur at the retail customers' meters. For more information, see Section 1101 of the Tax Reform Code of 1971 (72 P.S. § 8101).

#### **TAX YEAR**

Enter month, day and year (MMDDYYYY) for the tax year beginning and enter year (YY) for the tax year end.

#### REPORT DUE DATE

This report is due March 15 for the preceding year ended Dec. 31. If March 15 falls on a Saturday, Sunday or holiday, the report is due the next business day. The penalty imposed for failure to file timely reports is now a minimum of \$500, regardless of the determined tax liability, plus an additional 1 percent of any determined tax liability over \$25,000.

#### **ADDRESS CHANGE**

Enter "Y" in the block on Page 1 if the address of the corporation has changed from prior tax periods. The current mailing address should be reflected on the report.

#### **CLAIMING SALES FOR RESALE**

If you are claiming an exemption for Sales for Resale, please check this box and complete all information on Page 3. Exemption is contingent on the subjectivity to PA gross receipts tax on the receipts from the resale.

#### **AMENDED REPORT**

Enter "Y" in the block on Page 1 if you are filing an amended report to add, delete or adjust information. Provide documentation to support all changes being made. An amended report should only be filed if an original report was filed previously for the same period.

An amended report must be filed within three years of the filed date of the original report. The department may adjust the tax originally reported based on information from the amended report. The taxpayer must consent to extend the assessment period.

If the amended report is timely filed and the taxpayer consented to extend the assessment period, the time period in which to assess tax will be the greater of three years from the filed date of the original report or one year from the filed date of the amended report.

Regardless of the tax year being amended, taxpayers must use the most current non-year-specific tax form, completing all sections of the report. This includes those sections originally filed and those sections being amended. All tax liabilities should be recorded on Page 1. Taxpayers must check the Amended Report check box on Page 1 and include Schedule AR, REV-1175, with the report.

#### **FIRST REPORT**

Enter "Y" in the block on Page 1 if this is the taxpayer's first PA gross receipts tax filing.

#### **ELECTRONIC PAYMENT**

Enter "Y" in the block on Page 1 if the taxpayer has made any electronic payments using e-TIDES.

- Include a copy of your PUC and/or FERC cancellation notice.
- Include a copy of the regulatory authority's approval of the merger, dissolution, plan of reorganization and/or articles of merger.

#### **CORPORATE OFFICER INFORMATION**

A corporate officer must sign and date the tax report. The signature must be original; photocopies or faxes will not be accepted. Print the first and last name, title, Social Security number, telephone number and email address of the corporate officer.

#### PREPARER'S INFORMATION

Paid preparers must sign and date the tax report. If the preparer works for a firm, provide the name, FEIN and address of the firm along with the name, telephone number, email address and PTIN/SSN of the individual preparing the report. If the preparer is an individual without any association to a firm, provide the name, address, telephone number,

2 RCT-112 www.revenue.pa.gov

email address and PTIN/SSN of the individual preparing the report.

#### **ESTIMATED PAYMENT INSTRUCTIONS**

The full amount of the required prepayment for gross receipts tax is due **on or before** March 15 of the reported year. Tax remaining due at the close of the taxable year must be paid on or before March 15 of the following year.

Mail the estimated payment coupon, REV-423, separately from all other forms.

If you have questions regarding estimated payments, call the Accounting Division at 717-705-6225.

#### **ESTIMATED PAYMENT SAFE HARBOR**

The gross receipts tax prepayment MUST be equal to 90% of the current tax year liability. However, taxpayers are eligible to use the "safe harbor" option in the event they cannot accurately estimate their current year liability. The prepayment requirement will be satisfied if the taxpayer prepays an amount equal to 100% of their "safe harbor" tax year liability. The "safe harbor" tax year is the second preceding year to the current tax year. For example, the "safe harbor" year for purposes of making the 2019 estimated prepayment is tax year 2017.

#### **EXTENSION REQUEST DUE DATE**

To request a due date extension of up to 60 days to file the annual report, you must file an extension request, REV-426, by the original report due date. However, an extension of time to file does not extend the deadline for payment of tax, and an extension request must be accompanied by payment of taxes owed for the taxable year for which the extension is requested.

Mail the extension coupon separately from all other forms. A taxpayer using an electronic method to make a payment with an extension request should not submit the extension coupon. Do not use the extension coupon to remit other unpaid liabilities within the account.

#### PAYMENT AND MAILING INFORMATION

All payments of \$1,000 or more must be made electronically or by certified or cashier's check remitted in person or by express mail courier. Failure to make a payment by an approved method will result in the imposition of a 3 percent penalty of the tax due, up to \$500. For more information on electronic payment options, visit **www.etides.state.pa.us**. Payments under \$1,000 may be remitted by mail, made payable to the PA Department of Revenue.

Mail payments, extension requests and Tax Report, RCT-112, to the following address:

PA DEPARTMENT OF REVENUE 327 WALNUT ST FL 12 PO BOX 280407 HARRISBURG PA 17128-2005

#### **CURRENT PERIOD OVERPAYMENT**

If an overpayment exists on Page 1 of the RCT-112, the taxpayer must instruct the department to refund or transfer overpayment as indicated below.

#### **REFUND**

Identify the amount to refund from the current tax period overpayment. Prior to any refund, the department will offset

current period liabilities and other unpaid liabilities within the account.

#### **TRANSFER**

Identify the amount to transfer from the current tax period overpayment to the next tax period for estimated tax purposes. Prior to any transfer, the department will offset current period liabilities and other unpaid liabilities within the account.

**NOTE:** If no option is selected, the department will automatically transfer any overpayment to the next tax year for estimated tax purposes after offsetting current period liabilities and other unpaid liabilities within the account.

A tax period overpayment summary will be mailed to the taxpayer confirming the disposition of the credit.
