In cases where the change was based on a federal amended return, RCT-128C must be filed within 30 days of the filing of the federal amended return. If RCT-128C is being filed to report changes due to an audit or examination of the federal return, the report must be filed within 30 days after the receipt of the final change or correction. A \$5 a day penalty may be imposed for a late filed return.

**NOTE:** For tax years beginning on or after Jan. 1, 2013, the timeframe to file a report of change is increased from 30 days to six months.
