

## Motor Carriers Road Tax Decals

DMF-30 (SU) 02-24

### GENERAL INFORMATION

As an International Fuels Tax Agreement (IFTA) member jurisdiction, PA recognizes IFTA decals issued by other states in lieu of a PA Motor Carrier Road Tax (MCRT) decal. All qualified motor vehicles are required to display IFTA or PA MCRT vehicle identification markers and carry associated license/cab cards.

A qualified motor vehicle is a vehicle designed, used, or maintained for the transportation of persons or property that is:

1. A power unit with two axles and a gross or registered gross weight greater than 26,000 pounds;
2. A power unit with three or more axles regardless of weight; or
3. Used in combination, when the gross weight or registered gross weight of the combination exceeds 26,000 pounds.

A recreation vehicle is not considered a qualified motor vehicle.

To the right are examples of the 2024 PA IFTA decal and the PA MCRT decal.

All 2024 IFTA and PA MCRT decals will be the same color and formatting as the samples above. Another two-letter base-state designator will appear in place of "PA" on decals from other jurisdictions. Such decals will be honored in lieu of PA IFTA or PA MCRT decals. The IFTA license will be similar in appearance to the license/road tax registration card (cab card) shown on Page 2.

Decals must be displayed on both sides of the cab of the vehicle. Non-exempt vehicles must display IFTA or PA MCRT decals on both sides of the cab and must carry a road tax registration card, an IFTA license, or a legible photocopy of either. Decals are valid for a calendar year. Any vehicle with a current year's decal may display a 2024 decal as of Nov. 1, 2023. All other qualifying vehicles may display the 2024 decals as of Dec. 1, 2023. Carriers may operate until Feb. 29, 2024, displaying 2023 credentials. 2024 decals must be displayed as of March 1, 2024, on all non-exempt qualified motor vehicles.

PA-based carriers must decide what decal(s) must be purchased and displayed:

- A carrier operating inside and outside PA that selects PA as its base jurisdiction must purchase and display PA IFTA decals.
- A carrier operating exclusively in PA must purchase and display PA MCRT decals.

- A carrier registered with another IFTA jurisdiction is allowed to operate in PA under the IFTA agreement. However, in addition to other requirements mandated by the other jurisdiction or federal government, such a carrier must display its base jurisdiction IFTA decal and carry an IFTA license similar to the PA Motor Carriers Road Tax Registration Card (Cab Card).
