

Instructions for Estimating PA Personal Income Tax Nonresident Withholding

By Partnerships and PA S Corporations

REV-413 (P/S) IN (EX+) 04-18

PART 1. GENERAL INSTRUCTIONS

Partnerships and PA S corporations with taxable PA-source income are:

- Jointly liable with their nonresident partners and shareholders for payment of tax on such income to the extent allocable to the nonresidents; and
- Authorized and required to withhold such tax from their nonresident owners and remit the tax to Pennsylvania.

The imposition of the tax against the partnership or PA S corporation does not change the filing requirements or the tax liability of its nonresident owners.

The nonresidents take credit for the tax withheld on their annual returns and treat their income from the partnership or PA S corporation as income subject to withholding in calculating any other personal estimated taxes. The nonresidents may not deduct their personal estimated tax payments from the tax imposed on the partnership or PA S corporation.

NONRESIDENT PARTNER OR SHAREHOLDER

The terms nonresident partner and nonresident PA S corporation shareholder include only owners that are nonresident individuals, nonresident inter vivos or testamentary trusts or nonresident decedents' estates.

The entity may rely on its business records to determine the identity, the place of residence and the distributive share of income and losses of each partner or shareholder. The entity may rely on such records, unless and until the entity receives a notice furnished under federal temporary regulation § 1.6031(c)-1t.

PART 2. PAYMENT OF NONRESIDENT WITHHOLDING

All partnerships and PA S corporations must collect and pay nonresident quarterly withholding tax. Use Part A and Part B of the REV-414 (P/S), PA Nonresident Withholding Tax Worksheet for Partnerships and PA S Corporations to figure the correct amount of 2019 nonresident quarterly withholding tax. If the aggregate 2019 nonresident quarterly withholding tax will be less than \$500, the entity must pay within 30 days of the close of the taxable year.

If the aggregate 2019 nonresident quarterly withholding tax will be \$500 or more, the entity may either pay all of the nonresident tax with the first payment or pay in installments when due. Use this table to determine the amount and due date for each installment of nonresident tax. If the due date falls on a Saturday, Sunday or legal holiday, the due date is the next business workday. Interest on underpayments of nonresident quarterly withholding tax shall run from the due date to the 30th day following the close of the taxable year.

FINAL CATCH-UP PAYMENT OF NONRESIDENT WITHHOLDING

If the tax of the nonresident owners exceeds the nonresident quarterly withholding tax payments, the partnership or PA S corporation must pay the deficiency by the date prescribed for filing the entity's PA-20S/PA-65 Information Return.

When submitting the final nonresident withholding (catch-up) payment for nonresident owners that are individuals, estates, or trusts, print the entity's federal employer identification number (FEIN) and 2019 Final Nonresident Withholding on the check or money order made payable to the PA Dept. of Revenue.

When using approved software, you must include the 2019 Nonresident Withholding Payment substitute voucher with a check or money order and submit with the PA-20S/PA-65 Information Return, PA-40 NRC or extension request.

COLLECTION OF NONRESIDENT WITHHOLDING

If the partnership or PA S corporation maintains a drawing account for, or makes distributions or guaranteed payments to its nonresident partner or shareholder and the withdrawals or distributions are sufficient to cover the tax withheld, Pennsylvania law authorizes and requires the entity to deduct the tax from the drawing account or distribution when credited. Otherwise, the time and manner of collection of the tax withheld shall be a matter of settlement between the partnership or PA S corporation and its partners or shareholders.

PART 3. STATEMENT OF NONRESIDENT WITHHOLDING

Each entity with income from sources within Pennsylvania must provide each of its nonresident owners with a PA-20S/PA-65 Schedule NRK-1 showing the owner's income (losses), credits and tax withheld.

PA-40 ESR (F/C) forms for properly paying the nonresident quarterly withholding.

If the partnership or PA S corporation does not receive its preprinted Forms PA-40 ES (P/S) forms or the forms are damaged, use the PA-40 ESR (F/C) form. See Forms Ordering in Part 8. Failure to receive department-provided forms does not relieve a partnership or PA S corporation from filing and paying the tax.

PA-40 ESR (F/C), DECLARATION OF ESTIMATED TAX OR ESTIMATED WITHHOLDING TAX

Partnerships or PA S corporations filing a nonresident quarterly withholding return for the first time should use the PA-40 ESR (F/C) form. Thereafter, the department will provide preprinted PA-40 ES (P/S) forms.

IMPORTANT:

When filing the PA-40 ESR (F/C), enter the FEIN of the partnership or PA S corporation; never use the Social Security number of an owner.

Complete the other identification information on the left-hand side of the coupon. In the middle column, fill in the oval to indicate the account is for a partnership, association, or PA S corporation. In the right-hand column, enter the fiscal year information if applicable, as well as the amount of payment or declaration of tax (see instructions under Part 5 for specific information about how to complete these lines).

PART 5. HOW TO COMPLETE PA-40 ES (P/S) THE DECLARATION OF TENTATIVE NONRESIDENT WITHHOLDING TAX FORM

Use only the properly dated PA-40 ES (P/S) form for each nonresident quarterly withholding payment.

IMPORTANT:

The department personalizes each PA-40 ES (P/S) form with the partnership or PA S corporation identification information, including an encrypted version of the entity's FEIN in the unique line of information that the department uses to post the payments. **DO NOT GIVE THESE FORMS TO ANY OTHER TAXPAYER. THIS MAY CAUSE THE ENTITY'S PAYMENT TO BE APPLIED TO AN INCORRECT ACCOUNT.**

DO NOT MAKE CORRECTIONS ON YOUR PA-40 ES (P/S) FORMS. IF THE PREPRINTED INFORMATION IS INCORRECT, COMPLETE A PA-40 ES CORRECTION FORM, (FORM REV-459) and mail it to:

PART 6. AMENDING NONRESIDENT QUARTERLY WITHHOLDING PAYMENTS

The partnership or PA S corporation may have a change in income or credits during the year that would require it to change or amend its nonresident quarterly payments. To amend, refigure the nonresident tax using the REV-414 (P/S), PA Nonresident Withholding Tax Worksheet for Partnerships and PA S Corporations. Then subtract the payments made to date. Make the remaining payments using the table.

PART 7. PENALTY FOR FAILURE TO WITHHOLD

Pennsylvania law imposes a 5 percent penalty for failure to pay on or before the due date the quarterly withholding on the distributive PA taxable income of nonresident partners and shareholders. The penalty is 5 percent per month or fraction thereof, to a maximum of 50 percent, of the nonresident quarterly withholding due.

SAFE HARBOR RULES

The department will not impose the penalty when:

1. The total timely nonresident withholding payments and credits are at least equal to an amount calculated using the current year's tax rate times the net taxable income of nonresident partners or shareholders on its prior year's information return (this exception does not apply if no return was filed in the prior year); or
2. For each installment period, the timely nonresident withholding tax payments and credits are at least 90 percent of the actual tax due on the income earned or received by the nonresident partners or shareholders for each installment period.
