

INSTRUCTIONS FOR ESTIMATING PA FIDUCIARY INCOME TAX FOR ESTATES AND TRUSTS ONLY

PART 1. WHO MUST MAKE ESTIMATED TAX PAYMENTS

Fiduciaries of estates and trusts must make PA estimated tax payments if they reasonably expect that the estate or trust will earn, receive, or realize income of \$8,000 (\$246 in tax) for 2010, and they reasonably expect the credits will be less than the smaller of:

- 90% of the tax to be shown on the estate or trust's 2010 tax return; or
- 100% of the product of multiplying the net PA taxable income shown on the 2009 PA-41 return by 3.07% (0.0307).

NOTE: Fiduciaries may also follow federal rules in determining the amount of quarterly estimated payments due.

The Department only requires that estates (or trusts that receive the residue of a probate estate) make estimated payments beginning with taxable years ending two or more years after the decedent's death.

NOTE: An estate or trust that receives its income unevenly throughout the year may be able to lower or eliminate the amount of its required estimated tax payment for one or more periods by using the annualized income installment method. See Annualized Income Method below. When income is earned unevenly throughout the year, complete and include with your Form PA-41, Fiduciary Income Tax Return, Form REV-1630F, Underpayment of Estimated Tax by Fiduciaries, to determine if you owe or do not owe Estimated Underpayment Penalty. Fiduciaries that have taxable income of \$8,000 for a tax year in which estimated payments are due will be subject to estimated underpayment penalties for all estimated payment periods in which an estimated payment is not made, or is underpaid, and no exceptions are met for that period, even if the calculated annualized income for those periods is less than an annualized income amount of \$8,000. Underpayment penalties will accrue for those periods until such estimated tax payments are received.

CAUTION: Fiduciaries cannot use the prior year PA-41 tax liability as this year's estimated tax to avoid underpayment penalty. The estimated tax rules apply to:

- Resident estates or trusts; and
- Nonresident estates or trusts that expect to have taxable income from sources within Pennsylvania.

Use these instructions and Form REV-414(F), Estates and Trusts Worksheet, to determine the estimated tax. Use Form PA-40ES Fiduciary or Form PA-40ESR (F/C), Declaration of Estimated Personal Income Tax, to declare and pay the estimated tax for the estate or trust.

Part A and Part B of Form REV-414(F) will help you figure the correct amount to pay. Use the Record of Estimated Tax Payments on

Form REV-414(F) to keep track of the payments made and amount of the remaining payments. Use Forms PA-40ES Fiduciary or PA-40ESR (F/C); Declaration of Estimated Personal Income Tax forms to ensure the Department properly credits the estimated tax installment payments.

Use the table below to determine the due date and the amount of each installment. You may pay the entire amount of your estimated tax for the estate or trust with the first payment or pay in installments when due.

IMPORTANT:

NOTE: DO NOT USE SOCIAL SECURITY NUMBERS. The Form PA-40ES Fiduciary also have a unique line of information, including an encrypted version of the estate or trust's federal EIN, that the Department uses to post the estimated payment. To control costs and provide better service, the Department will only provide new estimated forms when you make a change to the taxpayer's identification number or name. The Department will make address changes on the next year's estimated forms.

PART 5. AMENDING ESTIMATED TAX PAYMENTS

The estate or trust may have a change in income, credits, or its distribution deduction during the year that requires it to change or amend the estimated tax and payments. To change or amend estimated tax liability and subsequent payments, first refigure the estimated tax using Form REV-414(F), Estates and Trusts Worksheet. Then subtract any estimated payments already paid. Make the remaining installment payments using the instructions for payment due dates shown on the front.

PART 6. WHEN A PENALTY IS APPLIED

In some cases, an estate or trust may owe an interest penalty. PA law imposes this penalty on each underpayment for the number of days that it remains unpaid, but not beyond the due date for the tax return.

- PA law imposes the penalty when the estate or trust did not make the payments on time and/or in the required amount.

- PA law imposes the penalty even if the estate or trust has an overpayment on its PA-41 tax return.

The Department will notify you with a preassessment notice if the estate or trust is subject to Estimated Underpayment Penalty. You can calculate the correct amount of the penalty on PA Form REV-1630F if you disagree with the amount on the notice.

SAFE HARBOR RULES

The Department will not impose the penalty when:

- The total timely estimated payments and credits are at least equal to an amount calculated using the current year's tax rate times the net taxable income on its prior year's Form PA-41 (NOTE: This exception does not apply if no return was filed in the prior year.); or
- For each installment period, the timely estimated payments and credits are at least 90% of the actual tax due on the income earned or received for each installment period.

Exception: The Department only requires that estates (or trusts that receive the residue of a probate estate) make estimated payments beginning with taxable years ending two or more years after the decedent's death.

NOTE: An estate or trust that receives its income unevenly throughout the year may be able to lower or eliminate the amount of its required estimated tax payment for one or more periods by using the annualized income installment method.
