Disbursement by County.....	16
Disbursement by School District	85

Introduction

This report contains statistical information on claim year 2019 Property Tax Rent Rebate (PTRR) applications processed by the Pennsylvania Department of Revenue (the department), through April 2021. This is the final report on claim year 2019 applications that will be published by the department. Section 1309 (b) of Act 1 of Special Session 2005-2006, also known as the Taxpayer Relief Act, requires the department to submit an annual report including a breakdown of claims and rebates by county, school district, and each household income level. In September of 2020, a preliminary letter was sent to the chairs of the General Assembly's Appropriations Committees with initial claims data. The detail required by Act 1 is included in this final report.

As of the date of this report, 466,637 applications were approved to be paid. Rebates to qualified claimants for taxes or rent paid during claim year 2019 totaled more than \$222.5 million. The total represents a decrease of 41,601 claims from the prior year. Since the beginning of the Property Tax Rent Rebate program in 1971, more than \$7.1 billion has been distributed.

As of the date of this report, 10,333 applications have been denied. Claims were denied because they did not meet the statutory eligibility requirements or because the department did not receive the necessary documents to warrant payment. Historically, denied claims represent approximately 3.5% of claims filed.

Eligibility

Pennsylvania's PTRR program was established under Act 3 of 1971, also known as the Senior Citizens Rebate and Assistance Act. The PTRR program is designed to assist Pennsylvania's elderly, widows, widowers, and permanently disabled citizens in maintaining peaceable possession of their homesteads by providing tax relief in the form of rebates.

Beneficiaries of the PTRR program include Pennsylvanians age 65 and older, widows and widowers age 50 and older, and people with disabilities age 18 and older. Homeowners and renters who meet these requirements may be eligible to receive a rebate for a portion of the property taxes or rent paid on their occupied residence. Applicants who paid both property taxes and rent any time during the applicable tax year fall under the category of Owner/Renter and are also eligible for a rebate. Historically, eligible claimants were required to have an annual income of \$15,000 or less. That threshold was raised to \$35,000 for owners in 2006. Through claim year 2019, PTRR income is generally defined as the total household income minus 50 percent of Social Security and/or Railroad Retirement Benefits.¹

Program eligibility income levels have remained unchanged since 2006. Eligibility income levels are not indexed to inflation. As income levels rise over time, claimant income levels will exceed program eligibility. For example, between claim years 2014 and 2019, both the number of rebates issued and total rebate amounts decreased by over 17 percent. Other factors, including the COVID-19 pandemic, may have also reduced participation in the program for claim year 2019.

¹ Beginning in 1999. See Act 30 of 1999.

Calculation of Rebate

Prior to Act 1 of 2006, PTRR rebates were calculated as a percentage of property taxes or rent in lieu of property taxes paid for a particular claim year. Renter rebate percentages assume that 20 percent of the total rent paid by an individual is used by the landlord to satisfy the real estate taxes on the rented property. The rebate percentage tables applicable for claim years 1973 through 2005 are found in subsequent tables.

Inflation Dividends

Act 131 of 1979 provided that all recipients of PTRR automatically received an inflation dividend ranging from \$20.00 to \$125.00 for claim years 1979-1990. The fixed amount of inflation dividend was based on household income as reported on the PTRR claim form and may be found in subsequent tables.

Act 1 of 2006

Act 1 of 2006, also known as the Taxpayer Relief Act, increased the income eligibility requirements for PTRR from \$15,000 to \$35,000 for homeowners and boosted the maximum rebate from \$500 to \$650 for all recipients. Eligibility income parameters for renters remained at \$15,000 or less.

The PTRR calculation was also streamlined, replacing the percentages with flat rebate amounts based on income. Claims for taxes paid were now determined using the total amount of real property taxes paid and the total amount of rent rebate in lieu of property taxes, or the maximum rebate amount (whichever is less). A summary of the rebate parameters is present in a subsequent table.

Act 1 also provides for additional tax relief to certain senior homeowners reporting less than \$30,000 in eligibility income. Seniors living in Philadelphia, Pittsburgh, or Scranton are eligible for supplemental rebates of up to 50 percent of their base rebate amounts. Seniors residing in the rest of the commonwealth who pay more than 15 percent of their income in property taxes are also eligible to receive supplemental rebates of up to 50 percent of their base rebates. The supplemental rebates were first effective in calendar year 2008 when the amount available from gaming revenue, designated for property tax relief, surpassed \$400 million as required by law.

Recent Program Changes

While income limits for the program have not been changed since 2006, there have been some eligibility criteria changes in the last ten years. As a result of *Muscarella v. Commonwealth of Pennsylvania*, property tax and rent rebate claims may now be filed on behalf of claimants who passed away during the claim year. Previously, claimants were required to be alive for the entire claim year in order to qualify for a rebate. For property tax rebate claims filed on behalf of deceased claimants, property taxes are prorated based on the number of days during the claim year that the claimant was alive. Rent rebate claims on behalf of deceased claimants are based on the amount of rent paid during the claim year. A deceased claimant's household income is annualized to determine rebate eligibility.

PROPERTY TAX RENT REBATE PROGRAM

2019 STATISTICAL REPORT

Act 156 of 2014 applied to claimants who collected Social Security and received a property tax or rent rebate for claim year 2012. If a claimant's eligibility income exceeded the maximum income allowed under program parameters solely due to a Social Security cost-of-living adjustment, a claimant was able to remain eligible for a property tax or rent rebate. Program eligibility under Act 156 of 2014 expired for claim years beginning after December 31, 2016.

Other recent changes have allowed for the exclusion of certain types of income from eligibility income. Act 117 of 2016 allows for the exclusion of all federal veterans' disability payments and all state veterans' benefits, beginning with claim year 2017. Act 42 of 2018 allows claimants who receive pension benefits from the federal Civil Service Retirement System accrued during a period of employment when they did not have to contribute to Social Security to exclude an amount equal to half of the average retired worker Social Security payment from their PTRR income. This change was first effective for claim year 2018 rebates, and the amount permitted as an exclusion from income is published annually by the department.

Act 20 of 2020, which was enacted on May 19, 2020, permitted the immediate payment of rebates for claim year 2019, provided sufficient funds were available. In addition, Act 20 directed the department to expedite claims from individuals who had a claim approved in the previous year. The payment of rebates was accelerated to provide additional relief to claimants during the COVID-19 pandemic. More than 310,000 claim year 2019 rebate checks were sent out early.

With the introduction of the Pennsylvania Tax Hub (PaTH) system, claimants have the option of filing electronically for claim year 2020 rebates. Previously, only paper filing was available.

Notes on Presentation of Data

Statistics for owner/renter claimants are combined with owner statistics to prevent disclosure of specific taxpayer information.

PTRR supplements are only available to homeowners.

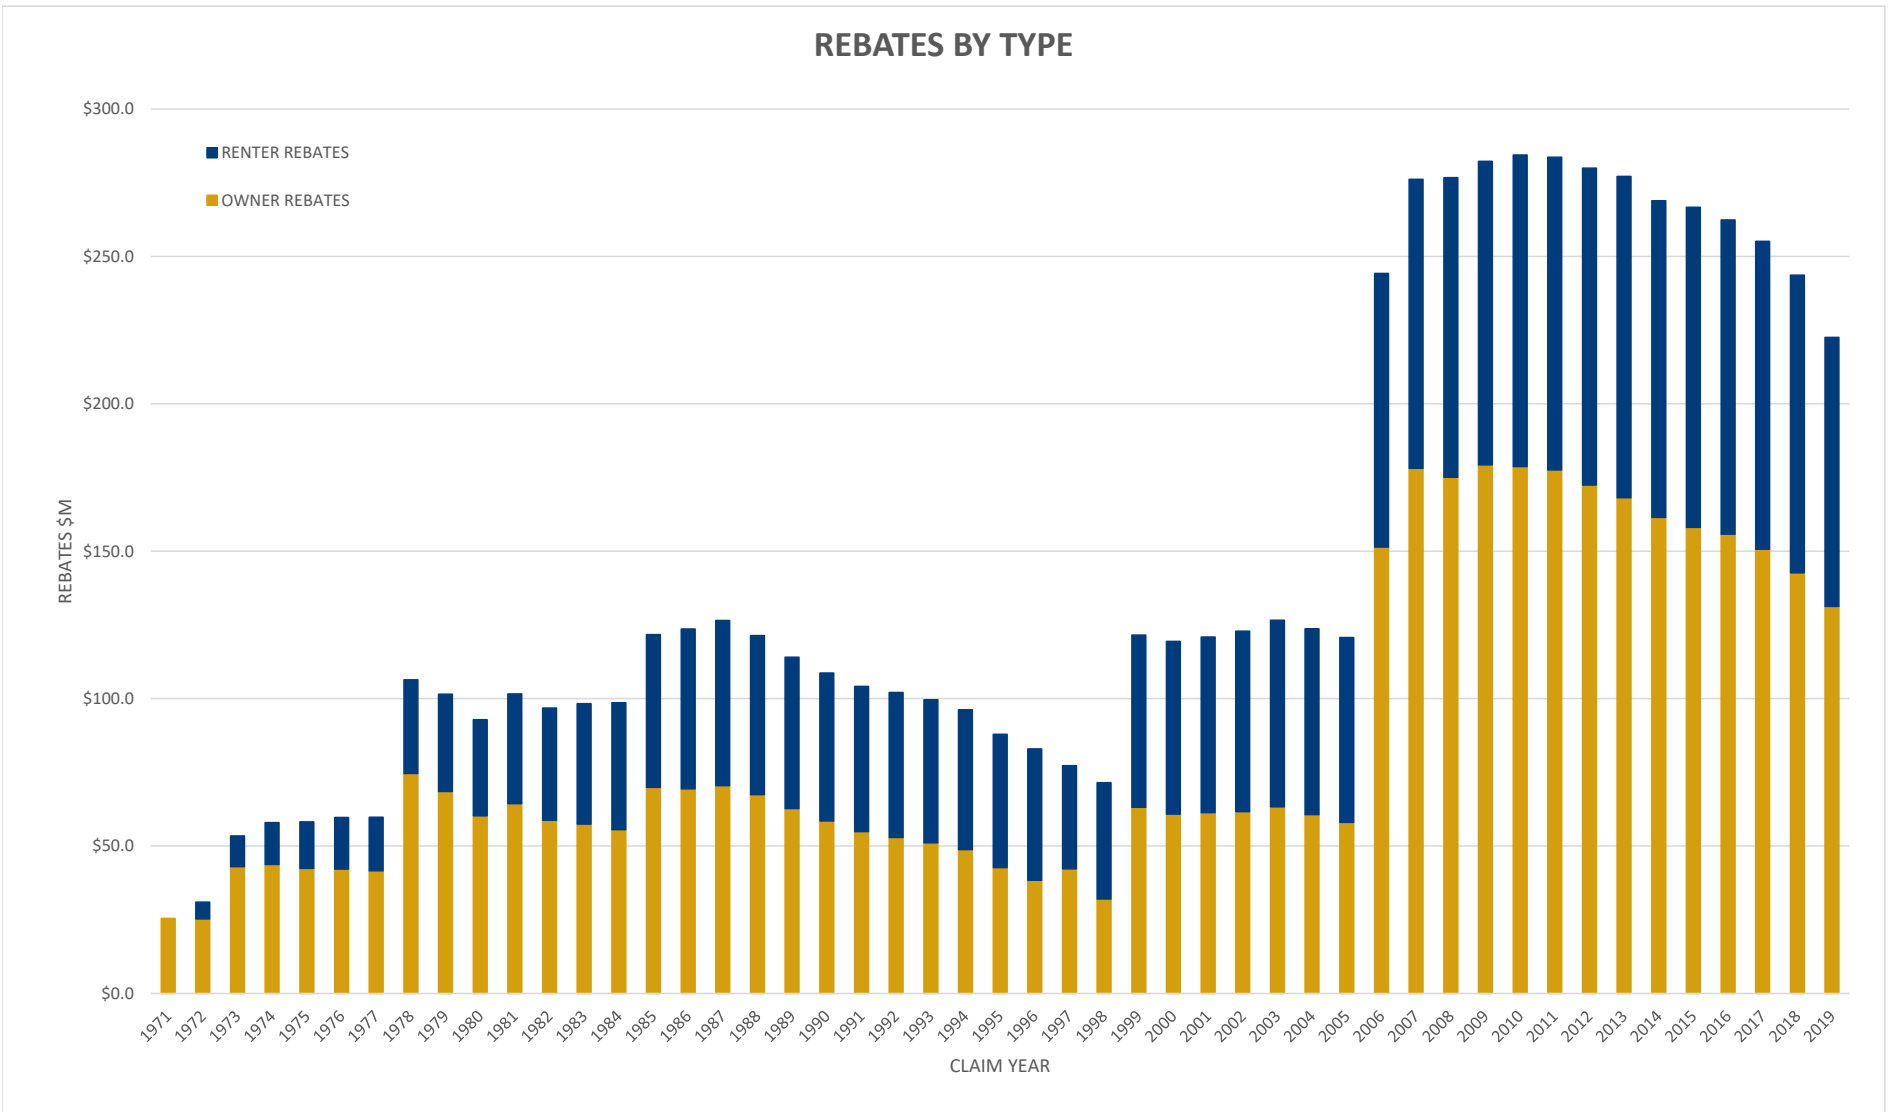

** indicate that data have been redacted to prevent disclosure of individual claimant information. However, data are included in the appropriate totals.

HISTORICAL DATA

PROPERTY TAX RENT REBATE PROGRAM

PROGRAM REBATE HISTORY (\$MILLIONS)

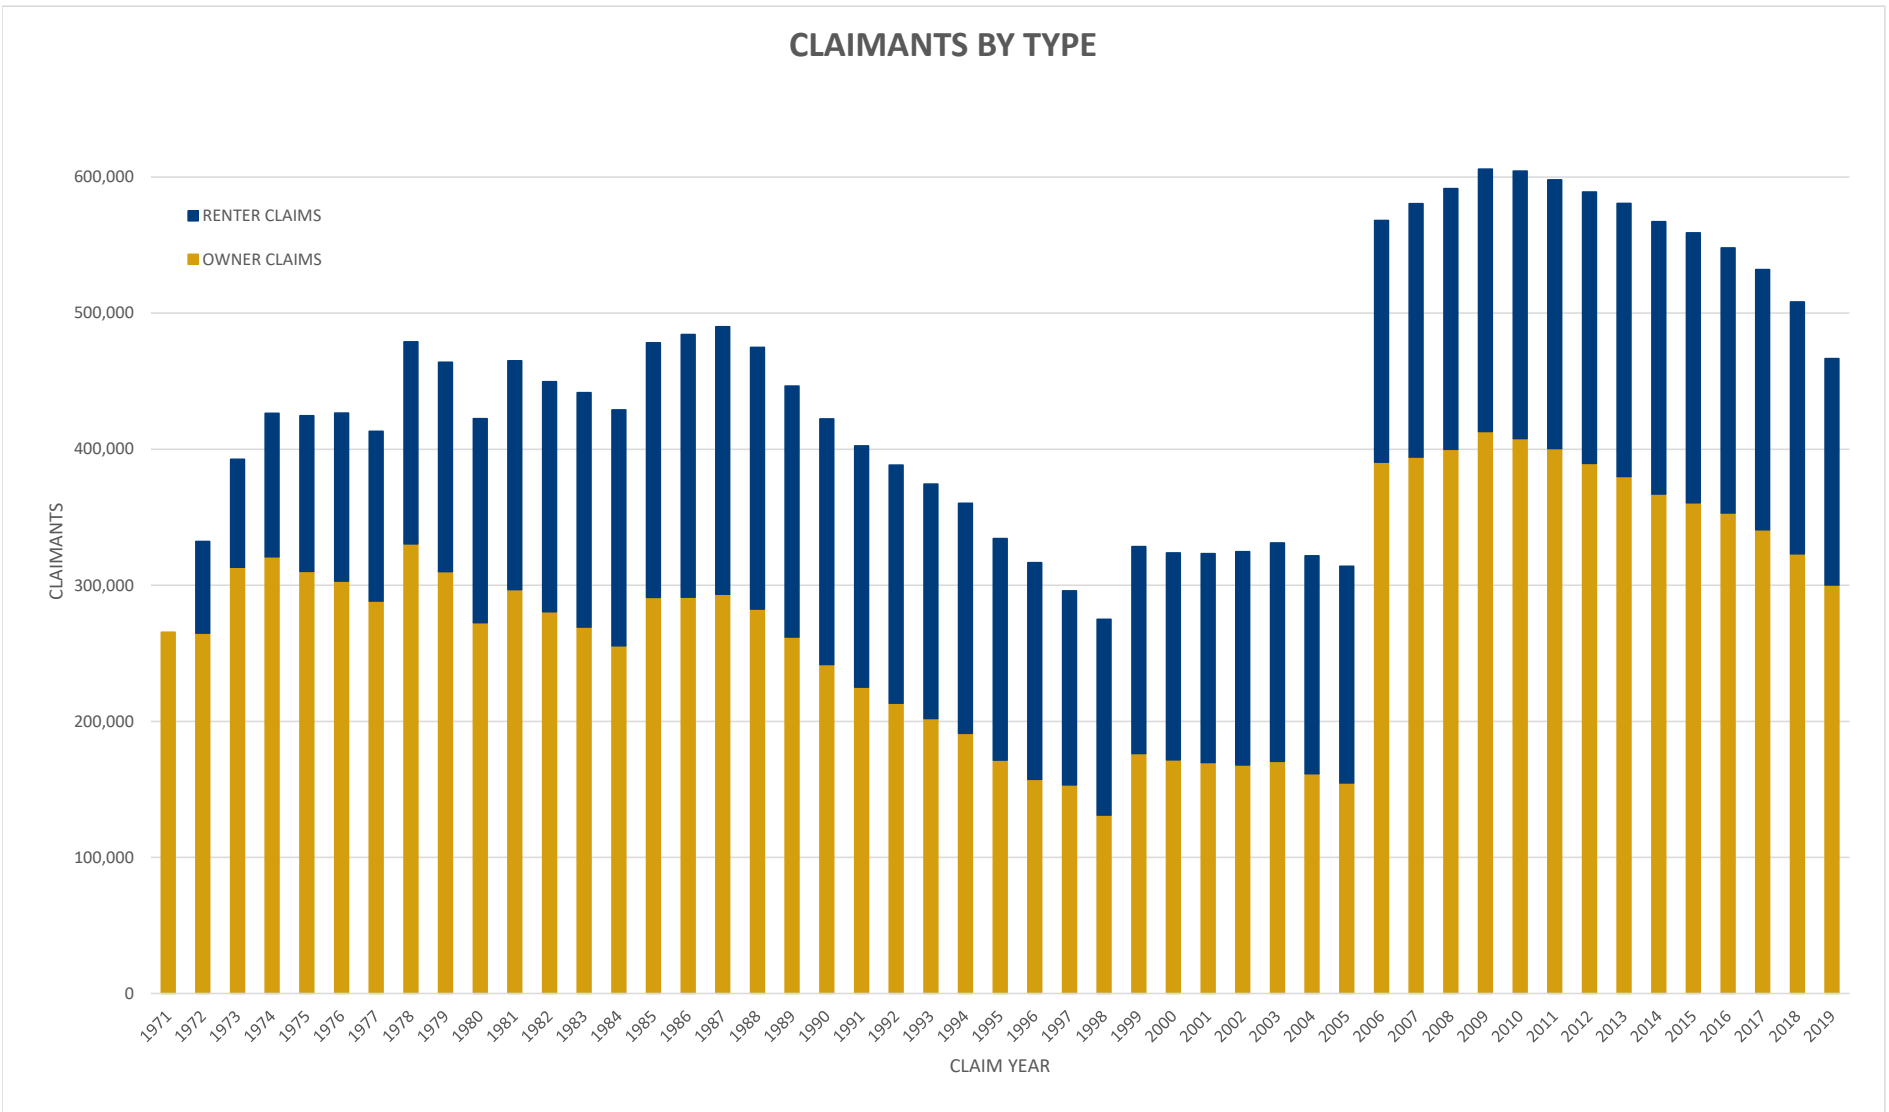

The chart below shows the history of rebates from the program's inception to the most recent complete claim year. The most recent significant change in rebate calculation was enacted under Act 1 of the Special Session of 2006, impacting claim years 2006 and forward. See the historical parameter chart for more information on program parameters.

NOTES:

Act 272 of 1978 increased each income bracket by \$1,500 and raised the maximum rebate from \$200 to \$400 beginning with claim year 1978. Act 56 of 1982 increased each income bracket by \$500 and raised the maximum rebate from \$400 to \$600 beginning with claim year 1981. Act 53 of 1985 increased household income eligibility to \$15,000 from \$11,999 beginning with claim year 1985.

Act 131 of 1979 provided that all recipients of PTRR automatically received an inflation dividend ranging from \$20.00 to \$125.00. Act 36 of 1991 eliminated Inflation Dividends beginning with claim year 1990. In addition to the distribution of inflation dividends from claim years 1978 to 1989, the program issued bonus payments to owners and renters during claim year 1980. During that claim year, 417,360 owner and renter claimants received approximately \$41.7 million in bonus payments.

Current rebate parameters were established by Act 1 of the Special Session of 2006. Rebates may not exceed actual property taxes or rent paid.
