GENERAL FUND

The General Fund is the major operating fund of the commonwealth. It receives most tax revenue and other receipts not assigned by law to special funds. Special funds receive monies set aside for particular purposes. The General Fund is the primary funding source for most commonwealth agencies.

General Fund revenues are appropriated by the General Assembly and approved by the Governor. Funding for basic and higher education, health and human services, and protection of persons and property account for the majority of General Fund expenditures.

General Fund revenues are comprised of four major sources:

The corporate revenues component consists of taxes levied directly on business entities, with a tax on corporate income constituting the bulk of revenues received. Taxes on utility, transportation, and communications companies, as well as financial institutions, makes up the remainder.

The consumption taxes component of the General Fund is comprised of taxes on the purchase of goods and services by the end consumer. These revenues are largely generated by the Sales and Use Taxes, with smaller amounts generated by taxes on alcohol and tobacco products.

Other taxes included in the General Fund do not fall on a specific type of activity like those in the corporate and consumption components. The personal income tax, which is assessed against eight types of income, is by far the largest source of revenue for this component. Also included are taxes assessed on real estate transfers and inheritances. All of the commonwealth's taxes on gaming are included in this component, as well as a small amount of minor taxes and residual payments on repealed taxes.

The non-tax component of General Fund revenue includes items such as licenses, fines, penalties, interest income, miscellaneous revenues, escheated accounts, profits from the operation of Pennsylvania liquor stores, and transfers from special funds.

In addition, several programs generate tax credits for businesses and individuals to apply against various General Fund taxes. Furthermore, several specialized zones use tax revenues that would otherwise go to the General Fund for the purpose of economic development within the zones.

CORPORATE NET INCOME TAX

This tax is paid by all domestic and foreign corporations for the privilege of doing business, carrying on activities, or employing or owning capital or property in Pennsylvania. The tax is levied on federal taxable income with Pennsylvania modifications. If the business of the corporation is not transacted entirely within Pennsylvania, taxable income is usually determined by a single sales factor apportionment formula. Net operating loss deduction is allowed, with a current cap of 40% of taxable income.

ENTITIES SUBJECT TO THE TAX

Domestic and foreign corporations, as well as limited liability companies and business trusts that are classified as corporations for Federal income tax purposes and are doing business in the Commonwealth are subject to the tax.

The following types of businesses are exempt: building and loan associations, banks, savings institutions, trust companies, insurance and surety companies, and nonprofit corporations.

Corporations are taxed on a separate company basis for Pennsylvania purposes; therefore, corporations that file a consolidated federal return must start with the taxable income which would have been shown on separate federal returns in order to arrive at the Pennsylvania base.

Corporation Tax Bulletin 2019-04 introduced a rebuttable presumption that corporations without any physical presence in Pennsylvania, but with \$500,000 or more of gross receipts per year sourced to Pennsylvania, are subject to Corporate Net Income Tax. Act 53-2022 codified this standard.

TAX BASE

This tax is levied on federal taxable income, without the federal net operating loss deduction and special deductions, and modified by certain additions and subtractions:

ADDITIONS

- Taxes imposed on or measured by net income
- Employment incentive payment credit adjustment
- Current year bonus depreciation
- Intangible expenses for interest, royalties, patents, trademarks, etc. between related companies (tax year 2015 forward)
- Tax preference items

DEDUCTIONS

- Corporate dividends received
- Interest on US securities
- An adjustment for bonus depreciation, that can result in both an addition to and a deduction from federal income.
- Federal wages disallowed as a result of tax credits under IRC Sec 45B or IRC Sec 51.

Certain tax payers can also take the Qualified Manufacturing Innovation & Reinvestment Deduction. A qualified manufacturing business can take a deduction from their taxable income under the Corporate Net Income Tax, relative to investments in manufacturing capacity.

TAX RATE

The CNIT rate was 9.99% for tax years 1995 through 2022. Act 53-2022 set a schedule of rate reductions for tax years 2023 through 2031.

YEAR	RATE	LEGISLATION	YEAR	RATE	LEGISLATION
1935	6.00%		1991	12.25%	Act 22-1991
1936	10.00%		1994	11.99%	Act 48-1994
1937	7.00%		1995	9.99%	Act 21-1995
1943	4.00%		2023	8.99%	
1951	5.00%		2024	8.49%	
1956	6.00%		2025	7.99%	
1967	7.00%		2026	7.49%	
1969	12.00%		2027	6.99%	Act 53-2022
1972 ¹	11.00%		2028	6.49%	
1974	9.50%		2029	5.99%	
1977 ²	10.50%		2030	5.49%	
1985	9.50%	Act 94-1984	2031	4.99%	
1987	8.50%	Act 77-1986			

1) The rate was 12% for the first half of 1972 and 11% for the second half.

2) Act 98-1977 temporarily raised the rate to 10.5%, and Act 246-1982 made this rate permanent.

PAYMENTS

The tax is paid on an estimated tax payment system, wherein prepayments are considered deposits as opposed to tentative liabilities. Total prepayments must exceed 90% of reported annual liability, or 100% of the liability two years' prior (subject to current law).

Quarterly payments are due on the 15th day of the 3rd, 6th, 9th, and 12th months of the tax year. Final reports and payments are due thirty days after the federal report is due, or would be due if the corporation were required to file federally. Extensions are available for filing annual reports, but not for remitting payments.

APPORTIONMENT

For corporations whose entire business is not transacted within Pennsylvania, the income base may be allocated and apportioned to determine income subject to taxation in Pennsylvania. Nonbusiness income is directly allocated within or without Pennsylvania. Business income is usually apportioned based on property, payroll, and sales factors within and without Pennsylvania, as follows:

TAX YEAR	PROPERTY	PAYROLL	SALES	LEGISLATION
1994 and prior	33.3%	33.3%	33.3%	
1995 to 1998	25.0%	25.0%	50.0%	Act 21-1995
1999 to 2006	20.0%	20.0%	60.0%	Act 4-1999
2007 and 2008	15.0%	15.0%	70.0%	Act 116-2006
2009	8.5%	8.5%	83.0%	Act 48-2009
2010 to 2012	5.0%	5.0%	90.0%	Act 48-2009
2013 and beyond	0.0%	0.0%	100.0%	Act 85-2012

Special apportionment methods are available for railroad, truck, bus, airline or qualified air freight forwarding companies; pipeline or natural gas companies; water transportation companies; and satellite television services providers.

APPORTIONMENT (continued)

Act 52-2013 clarified the rules for the sales apportionment factor with regard to sale of services for tax years beginning after December 31, 2013. The sale, lease, rental or other use of real property occurs at the location of the real property. The rental, lease or licensing of tangible personal property occurs at the location of first possession of the property. Sales of services occur at the point of delivery of the services.

Act 53-2022 clarified the sourcing of receipts from the sale of intangibles, including receipts from royalties on intangible property such as trademarks, interest derived from loans made to purchase real property or vehicles, credit card interest and fees, and other types of receipts derived from intangible sources.

NET OPERATING LOSSES (NOL)

Corporations can carry forward a Pennsylvania net loss for taxable years beginning on or after January 1, 1981. The schedule below shows the number of years a loss may be carried forward.

TAX YEAR	CARRY FORWARD	LEGISLATION
1981	1 taxable year	Act 195-1979
1982	2 taxable years	Act 195-1979
1983 to 1987	3 taxable years	Act 48-1994
1988	2 taxable years (plus 1995)	Act 48-1994
1989	1 taxable year (plus 1995 and 1996)	Act 48-1994
1990 to 1993	1995 through 1997	Act 48-1994
1994	1995 tax year	Act 48-1994
1995 to 1997	10 taxable years	Act 45-1998
1998 and thereafter	20 taxable years	Act 89-2002

The losses carried into a given taxable year can be used to offset positive taxable income. The table below shows the limit on this reduction by tax year.

TAX YEAR	NOL CAP	LEGISLATION
1982 to 1990	Uncapped	
1991 to 1994	Suspended	Act 22-1991
1995	\$500,000	Act 48-1994
1996 to 1998	\$1 million	Act 21-1995
1999 to 2006	\$2 million	Act 4-1999
2007 and 2008	\$3 million or 12.5% of taxable income	Act 116-2006
2009	\$3 million or 15% of taxable income	Act 116-2006
2010 to 2013	\$3 million or 20% of taxable income	Act 48-2009
2014	\$4 million or 25% of taxable income	Act 52-2013
2015 and 2016	\$5 million or 30% of taxable income	Act 52-2013
2017	30% of taxable income	Act 43-2017
2018	35% of taxable income	Act 43-2017
2019 and thereafter	40% of taxable income	Act 43-2017

As noted above, Act 43-2017 eliminated the fixed dollar cap on net operating loss utilization. This was in response to the Pennsylvania Supreme Court's ruling in *Nextel Communications of the Mid-Atlantic, Inc., v. Commonwealth of Pennsylvania*, in which the court found that the fixed dollar cap violated the Uniformity Clause of the Pennsylvania constitution.

CORPORATE NET INCOME TAX

LEGISLATION

The Corporate Net Income Tax originated as an emergency tax during the Civil War but later was declared unconstitutional by the Pennsylvania Supreme Court. It was enacted as an emergency tax again in 1923 and in 1935. In 1957, the tax was made permanent and was later codified into the Tax Reform Code.

The enabling legislation is Article IV of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

GROSS RECEIPTS TAX

This tax is levied on the gross receipts from business transacted within Pennsylvania by specified companies owned, operated or leased by corporations, associations, or individuals. Various gross receipts taxes are imposed upon private bankers; pipeline, conduit, steamboat, canal, slack water navigation and transportation companies; telephone, telegraph and mobile communications companies; electric light, water power and hydroelectric companies; express companies; palace car and sleeping car companies; and freight and oil transportation companies.

ENTITIES SUBJECT TO THE TAX

Entities subject to the tax include private bankers; pipeline, conduit, steamboat, canal, slack water navigation and transportation companies; telephone, telegraph and mobile communications companies; electric light, water power and hydroelectric companies; express companies; palace car and sleeping car companies; and freight and oil transportation companies.

TAX BASE

The tax is levied on each dollar of the gross receipts of the corporation, company or association, limited partnership, joint-stock association, co-partnership, person or persons received from:

- Passengers, baggage, oil and freight transported wholly within this State;
- Telegraph or telephone messages transmitted wholly within the state, and telegraph or telephone messages transmitted in interstate commerce where such messages originate or terminate in this state and the charges for such messages are billed to a service address in this state;
- Mobile telecommunications services messages sourced to this commonwealth based on the place of primary use standard; and
- Sales of electric energy within this state, and certain sales of electric energy produced in Pennsylvania and made outside of the state.

Certain telegraph or telephone and mobile telecommunications gross receipts are excludable, including:

- Sales of access to the Internet;
- Sales for resale of telecommunications services; and
- The sales of telephones, telephone handsets, modems, tablets and related accessories, including cases, chargers, holsters, clips, hands-free devices, screen protectors and batteries.

Additionally, telegraph or telephone companies or providers of mobile telecommunications services that pay a gross receipts tax to another state on messages or services which are taxable in Pennsylvania are entitled to a credit against the tax due.

Exemptions apply for electric light, waterpower, and hydro-electric companies as well, including:

- Sales for resale;
- Certain gross receipts received in connection with a nuclear generating facility which has experienced a major accident or natural disaster;
- Municipally owned or operated public utilities may exclude gross receipts derived from business done inside the limits of the municipality; and
- Electric cooperative corporations are exempt from gross receipts tax on electric companies for sales within their service territory.

TAX RATE

Act 138–1996 provided the Revenue Neutral Reconciliation (RNR) mechanism for adjusting the base rate on sales of electric energy. Act 89–2002 set the permanent RNR tax rate paid by electric companies at 15 mills for tax year 2003 and thereafter.

Act 89–2002 created a Gross Receipts Tax surcharge in the event refunds for PURTA appeals exceed \$5 million in any fiscal year. The surcharge is calculated based on the amount of PURTA refunds during the prior fiscal year. Act 46–2003 excludes from the surcharge gross receipts derived from providing mobile telecommunications services and telegraph or telephone messages transmitted in interstate commerce.

Beginning July 1, 1993, the revenue raised from 0.25 mill of the tax collected during the fiscal year is transferred to the Alternative Fuels Incentive Grant Fund pursuant to Act 166–1992.

Act 46-2003 expanded the Gross Receipts Tax to mobile telecommunications, starting January 1, 2004.

PAYMENTS

Firms are required to file reports and remit tax payments annually by March 15th for taxable gross receipts in the prior year.

Act 7-1997 changed the Gross Receipts Tax from a tentative to an estimated prepayment system effective for tax years beginning on or after January 1, 1998. Under this system, prepayments are considered deposits as opposed to tentative liabilities.

Estimated payments are due March 15th for the current tax year and must exceed 90% of reported annual liability, or 100% of the liability two years prior, subject to the current rate. Sufficient payments are determined retrospectively based on the final return.

OTHER EXEMPTIONS

Various acts have made broad exemptions upon entities previously subject to the gross receipts tax:

Exemption	Effective Date	Legislation
Railroads	January 1, 1995	Act 21-1995
Motor Carriers	January 1, 1998	Act 45-1998
Natural Gas	January 1, 2000	Act 4-1999 & Act 21-1999
Sale for Resale of Telecommunications Services	January 1, 2000	Act 23-2000
Managed Care Organizations	January 1, 2017	Act 84-2016

LEGISLATION

The tax on gross receipts originated in 1864. In 1889 a revised gross receipts tax was enacted, and eventually codified. The enabling legislation of the current Gross Receipts Tax is Article XI of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

PUBLIC UTILITY REALTY TAX

The Public Utility Realty Tax (PURTA) provides for the state taxation of public utility realty. The PURTA tax base is the fair market value of utility realty, which is defined as the assessed value of the realty, as adjusted by the common level ratio of the county in which the realty is located. Exempt from the tax are easements, rights-of-way, pipe, rail or other lines, machinery or equipment not affixed to the land, and certain property subject to local taxation. An amendment to the Constitution of Pennsylvania in 1968 provided for the state taxation of public utility realty.

ENTITIES SUBJECT TO THE TAX

This tax is levied against certain entities furnishing utility services that are regulated by the Pennsylvania Public Utility Commission or a similar regulatory body. Public utilities furnishing sewage services and municipal authorities furnishing public utility service are exempt from tax. The commonwealth imposes this tax on public utility realty in lieu of local real estate taxes and distributes the local realty tax equivalent to local taxing authorities.

TAX BASE

Beginning with tax year 1998, the PURTA tax base is the fair market value of utility realty, which is defined as the assessed value of the realty, as adjusted by the common level ratio of the county in which the realty is located.

Prior to Act 4-1999, the base had been the depreciated book value of the utility realty.

Exempt from the tax are easements, rights-of-way, pipe, rail or other lines, machinery or equipment not affixed to the land, and certain property subject to local taxation.

For tax year 1999 and for each tax year thereafter, the local taxing authorities must file reports with the Department separately listing the utility realty in each jurisdiction and the realty tax equivalent by April 1st of the succeeding year.

TAX RATE

The Department will annually calculate a variable tax rate in order to raise an amount of revenue equal to the distribution of the realty tax equivalent to the local taxing authorities. An additional tax rate of 7.6 mills is applied to the tax base.

Up until June 30, 2003, 7.6 mills of revenue was transferred to the Public Transportation Assistance Fund. Act 46–2003 eliminated this transfer as of June 30, 2003.

PAYMENTS

For taxable year 2000 and for each year thereafter, a tentative payment and the utility realty report are due on May 1st of the taxable year, and a final payment is due on September 15th of the following year.

LEGISLATION

The enabling legislation is Article XI of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

INSURANCE PREMIUMS TAX

The Insurance Premiums Tax is paid by domestic and foreign insurance companies for the privilege of doing business in the commonwealth. The tax is levied on premiums, premium deposits, or assessments received in the course of doing business in the commonwealth.

ENTITIES SUBJECT TO THE TAX

Domestic and foreign insurance companies, with some statutory exceptions, are subject to this tax. A retaliatory fee is also imposed on taxable companies incorporated in other states that impose a higher burden upon Pennsylvania companies doing business there.

TAX BASE

The tax base is yearly insurance premiums received from doing business. Insurance premiums are premiums, premium deposits, or assessments.

Exclusions include canceled policies, premiums for reinsurance, annuity considerations and dividends, and earnings of participating members of mutual or stock insurance companies.

Act 4–1989 exempted premiums written by automobile insurance companies for extraordinary medical benefit coverage from \$100,000 to \$1,100,000. Act 21–1995 exempted all sums paid or otherwise received by insurance companies as consideration for annuity contracts from the insurance premiums tax base effective January 1, 1996.

TAX RATE

The basic rate of tax is 2% of insurance premiums, plus any retaliatory fee.

However, a 3% surplus lines tax rate is imposed on policies written with surplus lines insurers or other non-admitted insurers when the insured's home state is Pennsylvania. All premiums of the insured are taxed at the full rate, no matter where the risk is located.

Companies transacting marine insurance business within the commonwealth are subject to a 5% tax on their underwriting profits in lieu of a tax on their premiums.

PAYMENTS

Estimated payments are due March 15th for the current taxable year and must exceed 90% of reported annual liability, or 100% of the liability two years prior, subject to the current rate. The adequacy of these payments is judged retrospectively based on the final return. Final payments and reports must be remitted together by April 15th of each year for the previous tax year.

The miscellaneous insurance taxes have the following due dates for payments and reports:

The marine insurance underwriting profits tax is due by June 1st.

The 3% surplus lines tax on premiums placed with an unlicensed insurance company is due January 31st from the surplus lines agent if such agent was involved in the placement. However, in the case of a policy placed without a surplus lines agent, the insured must remit a report and payment of tax within 30 days of the date the insurance was procured. The insurance premiums tax on life insurance entered with unauthorized insurance companies is due from the insured at the same time as each premium payment.

Prior to the passage of Act 53-2022, taxes on premiums from foreign casualty companies and foreign fire companies were deposited in the Municipal Pension Aid Fund (MPAF) and the Fire Insurance Tax Fund (FITF), respectively. The act provides that payments from all IPT taxpayers are deposited in the General Fund. At the close of the fiscal year, the greater of 38% of IPT revenues or \$345 million is to be transferred to the MPAF, and the greater of 8.5% of IPT revenues or \$85 million is to be transferred to the FITF. The change is effective for fiscal year 2022-23.

INSURANCE PREMIUMS TAX

ASSOCIATED CREDITS

Tax credits are available to companies that are members of the Pennsylvania Life and Health Insurance Guaranty Association (PLHIGA) or the Pennsylvania Property and Casualty Insurance Guaranty Association (PP&CIGA) for assessments paid to the guaranty associations for the purpose of continuation of coverage for policyholders and claimants in the event of insolvency. The credits are to be taken equally over five years, beginning the year after the assessment is paid and may not exceed certain percentages of taxable premiums.

Act 52-2013 created the Innovate in PA tax credit program. Under the act, the Department of Community and Economic Development sold \$100 million in tax credits to qualified insurance companies via a bidding process. Insurance companies first claimed credits in calendar year 2017 against insurance premiums tax liabilities for taxable years beginning on or after January 1, 2016. No more than \$20 million in credits may be claimed in any fiscal year, nor may they exceed a taxpayer's insurance premiums tax liability for that year. Credits may be carried forward for any taxable year that begins prior to 2026.

LEGISLATION

The enabling legislation is Article IX of the Act of March 4, 1971 (P.L. 6, No. 2), the Act of July 6, 1921 (P.L. 723), the Act of May 17, 1921 (P.L. 682), and the Act of May 13, 1927 (P.L. 998).

Please refer to the Recent Changes in Tax Law section for additional information.

FINANCIAL INSTITUTIONS TAX

The various classes of financial institutions are subject to three different taxes. The Bank and Trust Company Shares Tax (BST) and the Title Insurance Companies Shares tax (TICT) are levied on the value of shares as of each January 1st. The Mutual Thrift Institutions Tax (MTIT) is levied on the net earnings or income received or accrued from all sources during the tax year.

ENTITIES SUBJECT TO THE TAX

The various classes of financial institutions are subject to three different taxes:

BST is imposed on every bank and trust company having capital stock which is conducting business in Pennsylvania.

TICT is imposed on domestic title insurance companies.

MTIT is imposed on savings institutions, savings banks, savings and loan associations, and building and loan associations conducting business in Pennsylvania.

Credit unions are not subject to tax.

TAX BASE

Shares exempt from BST and TICT include the taxpayer's shares of stock of national banks and the shares held by exempt holders (i.e., charitable, religious, or educational institutions). Additionally, a deduction is permitted for exempt federal obligations as a proportion of all assets.

The BST base is the value of shares as of each January 1st. Prior to January 1, 2014, the value of shares was calculated by a six-year moving average of total equity capital, with a proportional exemption for United States obligations. For each year in the average, total equity capital and deductions for United States obligations were determined by averaging the values as shown in the Report of Condition for each quarter of the preceding calendar year.

As part of Act 52-2013, the value of shares is the total bank equity capital, with a proportional exemption for United States obligations, effective for tax years beginning on January 1, 2014 and thereafter. Total bank equity capital and deductions for United States obligations are determined by the most recent year-end values as shown in the Report of Condition. Effective January 1, 2018, Act 84-2016 provides a phased-in deduction for Edge Act corporation equity.

The TICT base is the value of shares as of each January 1st. The value of shares is calculated by a six-year moving average using the total number of shares divided into the book values of capital stock paid in, surplus and undivided profits, with a proportional exemption for United States obligations. For each year in the average, book values and deductions for United States obligations are determined by averaging book values as shown in the Report of Condition for each quarter of the preceding calendar year.

The MTIT applies to the net earnings or income received or accrued from all sources during the tax year. Income earned from United States obligations or Pennsylvania state and local obligations is excluded from the computation of net earnings on income. The deduction of the portion of interest expense associated with tax-exempt income is disallowed. Apportionment of income to Pennsylvania is permitted through payroll, receipts, and deposits factors. Mutual thrift institutions are permitted to carry forward net operating losses a maximum of three years.

PAYMENTS

BST and TICT reports and full payment of the tax on the value of shares on the preceding January 1st are due each March 15th.

Mutual thrift institutions make quarterly estimated payments by applying the current tax rate to 100% of the tax base for the second preceding year, or by paying at least 90% of the reported annual liability for the current year. Final reports are due 105 days after the close of the fiscal year. Extensions are available for filing reports; however, no extensions are granted for payments.

APPORTIONMENT, ADJUSTMENTS, AND NEXUS

Act 48–1994 established apportionment and expanded the nexus of BST to all banks operating in the Commonwealth effective January 1, 1995. Apportionment was also established for domestic title insurance companies.

Act 55–2007 allowed for goodwill generated by a merger or acquisition to be subtracted from a bank’s book value of total equity capital when calculating its shares history relative to BST. Act 52-2013 allowed for this subtraction from total bank equity capital.

Act 52-2013 revised BST, changing how taxable shares are apportioned beginning January 1, 2014. Apportionment is now based solely on receipts, rather than on payroll, receipts, and deposits. The act also expanded nexus by using a more customer-based definition of an institution.

Act 84-2016 revised BST, providing a phased-in deduction for Edge Act corporation equity, beginning January 1, 2018. The act also changed the source for income in the receipts definition from the federal tax return to the Consolidated Reports of Condition and clarified the deduction for goodwill generated from combination activity and the apportionment of receipts from investment and trading assets and activity.

Act 25-2021, amended the definition of receipt, providing that the income of two or more banking institutions shall be combined on income statements of Reports of Condition in the event of mergers or acquisitions.

LEGISLATION

The enabling legislation is found in Articles VII, VIII and XV of the Tax Reform Code of 1971 (P.L. 6, No. 2).

SALES, USE, AND HOTEL OCCUPANCY TAX

The tax is levied on the sale at retail, including rental, of tangible personal property and certain services, or upon the use within Pennsylvania of tangible personal property, or taxable services purchased at retail if the tax was not paid at time of purchase. A tax on the occupancy of hotel rooms is imposed as part of the sales and use tax law.

ENTITIES SUBJECT TO THE TAX

Sales, Use, and Hotel Occupancy Taxes are imposed on the ultimate consumer, but collected and remitted to the commonwealth by others such as manufacturers, retail vendors, or licensed agents of the commonwealth. Based on the Supreme Court decision in *South Dakota v. Wayfair, Inc.* and ensuing SUT Bulletin 19-01 and Act 13-2009, economic nexus for online retailers applies only to those persons who, in the previous twelve months, made more than \$100,000 of gross sales into the commonwealth.

Exemptions are allowed for purchases or use by the United States Government, the commonwealth and its political subdivisions, ambassadors, ministers and consular officers of foreign governments, volunteer firemen's organizations, and certain institutions of purely public charity.

TAX BASE

The Sales and Use Tax is imposed on the retail sale, consumption, rental, or use of tangible personal property in Pennsylvania. The tax is also imposed on certain services relating to such property and on the charge for specific business services. Major items exempt from the tax include food (not ready-to-eat), most apparel, prescription and non-prescription drugs, and residential utilities. There are also exemptions for certain business activities: manufacturing, processing, agriculture, and public utilities.

A Use Tax, at the same rate as Sales Tax, is due on taxable purchases of tangible personal property or specified services used or consumed in Pennsylvania where no Sales Tax is paid to a vendor.

The Hotel Occupancy Tax, imposed at the same rate as Sales Tax, applies to room rental charges for periods of less than 30 days by the same person.

TAX RATE

The current tax rate of 6% has been in effect since tax year 1968.

<u>YEAR</u>	<u>RATE</u>
1954	1.00%
1956	3.00%
1959	3.50%
1959	4.00%

1968	6.00%

LOCAL TAX RATES

Philadelphia and Allegheny Counties are authorized to impose local sales, use, and hotel occupancy taxes under the Pennsylvania Intergovernmental Cooperation Authority Act for cities of the first class and the Second Class County Code, respectively. The provisions parallel those under the state Sales, Use, and Hotel Occupancy Tax except the local levies are point-of-sale taxes.

<u>COUNTY</u>	<u>CURRENT RATE</u>	<u>AUTHORIZING LEGISLATION</u>	<u>NOTABLE CHANGES</u>
Philadelphia	2%	Act 6-1991	Act 44-2009: increased rate from 1% to 2%; Act 52-2013: permanently extended 2% rate
Allegheny	1%	Act 77-1993	

SALES, USE, AND HOTEL OCCUPANCY TAX

PAYMENTS

The Sales, Use, and Hotel Occupancy Taxes are required to be collected by those engaged in making taxable sales of tangible personal property or services; leasing, renting, or using tangible personal property; or renting hotel rooms within the commonwealth. Vendor licenses are renewable on a five-year cycle and may be suspended or revoked.

A Use Tax, at the same rate as Sales Tax, is due on taxable purchases of tangible personal property or specified services used or consumed in Pennsylvania where no sales tax is paid to a vendor. For example, the purchase may have been made out-of-state. Licensees must report and pay Use Tax at the time their regular Sales Tax return is due. Non-licensees must report and pay Use Tax on or before the end of the month following the month during which the tax was incurred.

Payments and reports are due from taxpayers as follows. Liability levels are based on the third quarter of the prior calendar year, unless otherwise noted.

FREQUENCY	LIABILITY		DUE DATES & PAYMENT
	MINIMUM	MAXIMUM	
Semi-annual	--	\$75 annually	Return and payment due August 20th for January to June period, February 20th for July to December period
Quarterly	\$75.01 annually	\$600.00	Return and payment due 20th day of April, July, October, and January for the preceding calendar quarter
Monthly - No Prepayment	\$600.01	\$24,999.99	Return and payment due 20th day of the following month
Monthly - Level 1 Prepayment	\$25,000.00	\$99,999.99	Prepayment due 20th of same month, may be either 50% of the tax liability for the same month of the previous year or greater than 50% of the actual tax liability for the same month in the current year; return and remaining payment due 20th of following month
Monthly - Level 2 Prepayment	\$100,000.00	--	Prepayment due 20th of same month, must be 50% of the tax liability for the same month of the previous year; return and remaining payment due 20th of following month

The department may, by regulation, waive the quarterly filing requirement for taxpayers whose collections do not exceed \$75 quarter and provide for reporting on a semi-annual basis.

VENDOR DISCOUNT

A licensed vendor is permitted a discount as a credit against the gross amount of tax collected provided that a tax return, with full payment due the department, is filed or postmarked on or before the due date. Current discount amounts were set by Act 84-2016. The discount shall be the lesser of 1% of the tax collected and the following: \$25 for a monthly filer, \$75 for a quarterly filer, or \$150 for a semiannual filer. Prior to Act 84-2016, the discount amount was 1% of tax collected and uncapped.

A one-time transfer occurred in FY 2019-20 to the Tobacco Settlement Fund to replace monies deducted from the Master Settlement Agreement for deposit in the Tobacco Revenue Bond Debt Service Account.

Previously, 1.22% of Sales and Use Tax receipts were transferred monthly to the Supplemental Public Transportation Account, effective July 1, 1997, authorized under Act 3–1997. The transfer was capped at \$75 million per fiscal year. Act 44–2007 replaced this transfer by providing that 4.4% of Sales and Use Tax receipts be transferred monthly to the Public Transportation Transfer Fund, effective July 1, 2007.

LEGISLATION

The sales, use, and hotel occupancy taxes were enacted in 1953 and later codified into the Tax Reform Code of 1971. The enabling legislation is Article II of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

CIGARETTE TAX

The Cigarette Tax is an excise tax levied on the sale or possession of cigarettes in Pennsylvania.

ENTITIES SUBJECT TO THE TAX

The tax is imposed on the ultimate consumer, but cigarette-stamping agents apply tax stamps to cigarette packs, which indicate payment of the tax, and are responsible for remitting payment to the commonwealth.

TAX BASE

The tax is based on a rate per cigarette. Only one sale of cigarettes, whether individual cigarettes, packages, cartons, or cases, is taxable. Act 48 of 2009 expanded the definition of cigarette to include little cigars, weighing less than four pounds per thousand.

TAX RATE

The current rate of 13 cents per cigarette has been in effect since August 1, 2016.

The tax is imposed at the following combined rates for the General Fund and special funds:

YEAR	RATE PER CIGARETTE	EFFECTIVE DATE	LEGISLATION
1935	\$0.0010		
1947	\$0.0020

2016	\$0.1300	August 1, 2016	Act 84-2016

LOCAL TAX RATES

Under Act 131–2014, the Philadelphia School District levies a cigarette tax at the rate of 10 cents per cigarette effective October 1, 2014. Act 84 of 2016 made this local cigarette tax permanent.

PAYMENTS

Payments are due at the time of purchase of the stamps or, if the cigarette stamping agency is bonded, by the 15th of the following month. Reports are due on the 10th day after the end of the month for which they are prepared.

Cigarette stamping agents, wholesalers, retailers, and vendors must be licensed.

The Local Cigarette Tax Fund transfer will occur if prior year deposits into the Local Cigarette Tax Fund fall below \$58 million. In this case, the General Fund will transfer the difference between \$58 million and actual deposits to the Local Cigarette Tax Fund. This transfer is effective for fiscal years 2016-17, with the first transfer having occurred in fiscal year 2017-18.

LEGISLATION

The tax was first enacted in 1935 as a temporary emergency tax and was made permanent in 1951. The enabling legislation is Article XII of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

OTHER TOBACCO PRODUCTS TAX

The Other Tobacco Products Tax is an excise tax levied on the sale or possession of tobacco products other than cigarettes, and electronic cigarettes, in Pennsylvania.

ENTITIES SUBJECT TO THE TAX

Resident and non-resident wholesalers and manufacturers are required to collect the Other Tobacco Products Tax when selling to retailers and customers in Pennsylvania. Retailer licensees purchasing from unlicensed wholesalers and unlicensed manufacturers must collect the tax when selling to customers.

TAX BASE

The tax is based on weight for tobacco products other than electronic cigarettes, and is based on the purchase price charged to the retailer in the case of electronic cigarettes.

Tobacco products subject to this tax include roll-your-own tobacco, periques, granulated, plug cut, crimp cut, ready rubbed and other smoking tobacco, snuff, dry snuff, snuff flour, Cavendish, plug and twist tobacco, fine-cut and other chewing tobaccos, shorts, refuse scraps, clippings, cuttings and sweepings of tobacco and other kinds and forms of tobacco, prepared in such manner as to be suitable for chewing or ingesting or for smoking in a pipe or otherwise, or any combination of chewing, ingesting or smoking. The term does not include any item subject to the Cigarette Tax or cigars.

Electronic cigarettes subject to this tax include electronic oral devices (composed of a heating element and battery or electronic circuit, or both) that provide a vapor of nicotine or any other substance, and the use of inhalation of which simulates smoking. It also includes any liquid or substance placed in or sold for use in an electronic cigarette. Components, such as but not limited to coils, batteries, and reservoirs, if sold separately, are not subject to the tax.

TAX RATE

The tax rate for tobacco products other than electronic cigarettes is \$0.55 per ounce. For items sold in units that weigh less than 1.2 ounces, the tax is equal to the tax on an item that weighs 1.2 ounces

The tax rate for electronic cigarettes is 40% of the purchase price charged to the retailer.

PAYMENTS

Monthly reports are due by the 20th day of the month following the sale or purchase of tobacco products. Remittances are due at the time the report is due.

The tax shall be separately stated on an invoice or other sales document.

LEGISLATION

The enabling legislation is Article XII of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended by Act 84 of 2016.

Please refer to the Recent Changes in Tax Law section for additional information.

MALT BEVERAGE TAX

The Malt Beverage Tax is assessed by volume on malt or brewed beverages sold to consumers in Pennsylvania.

ENTITIES SUBJECT TO THE TAX

The tax is borne by the consumer, but manufacturers, distributors, and importers remit the tax to the commonwealth.

TAX BASE

The Malt Beverage Tax is levied on the volume of malt or brewed beverages manufactured and sold for use in Pennsylvania, or manufactured outside of Pennsylvania but sold for importation and use in Pennsylvania.

TAX RATE

The Malt Beverage Tax rates are as follows:

<u>STANDARD FRACTION</u>	<u>RATE</u>	<u>STANDARD FRACTION</u>	<u>RATE</u>	<u>STANDARD FRACTION</u>	<u>RATE</u>
1 barrel	\$2.48	1/8 barrel	\$0.32	40 ounce	\$0.03
1/2 barrel	\$1.24	160 ounce	\$0.10	1 quart	\$0.02
50 liter	\$1.06	4 liter	\$0.09	25 ounce	\$0.02
12 gallon	\$0.96	1 gallon	\$0.08	1 pint	\$0.01
1/4 barrel	\$0.62	2 liter	\$0.05	1/2 pint	\$0.01
1/6 barrel	\$0.42				

These rates have remained unchanged since 1947. Prior to 1947, malt beverage tax rates were one-half the current rate.

PAYMENTS

Manufacturers must file reports and submit payments by the 15th day of each month for the preceding month. For the purpose of verifying tax payments, every transporter for hire, bailee for hire, warehouseman, and distributor also must submit reports by the 15th of the month for the preceding month.

CREDIT

Certain manufacturers of malt or brewed beverages are permitted a credit for qualifying capital expenditures, defined as purchases of plant, machinery, or equipment for use in the commonwealth. The annual credit per manufacturer is equal to the amount of qualifying capital expenditures in the reporting year or \$200,000, whichever is less. This credit applies to purchases made through December 31, 2008 or after June 30, 2017. The credit for purchases made prior to December 31, 2008 was limited to taxpayers whose annual production of malt or brewed beverages did not exceed 1.5 million barrels. The credit for purchases made after June 30, 2017 has no limit on annual production but is capped at \$5 million.

LEGISLATION

The enabling legislation is Article XX of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

LIQUOR TAX

The Liquor Tax is a consumption tax on the sale of liquor by the commonwealth. The distribution of liquor is a state enterprise under the auspices of the Pennsylvania Liquor Control Board (LCB). The commonwealth assumed the liquor control responsibility following the repeal of Prohibition in 1933.

Individual consumers making purchases at PLCB stores pay Liquor Tax at the time of purchase; Sales Tax is also imposed on the transaction. Retail licensees, such as restaurants and bars, purchase liquor from the PLCB at a discounted price and pay Liquor and Sales Taxes on these purchases. These taxes are not charged on subsequent purchases of liquor by restaurant customers.

ENTITIES SUBJECT TO THE TAX

The tax is borne by the consumer, paid directly through transactions in state liquor stores.

TAX BASE

All liquors sold by the LCB are subject to this tax, which is computed on the actual price paid by the consumer including mark-up, handling charge, and federal tax. The first sale of liquor is also subject to the Sales and Use Tax at the time of purchase.

TAX RATE

The tax is imposed at the following rates:

<u>TAX YEAR</u>	<u>RATE</u>
1936	10.00%
1963	15.00%
1968	18.00%

PAYMENTS

The LCB periodically transmits reports and payments to the Department of Revenue.

LEGISLATION

Enabling legislation is the Liquor Code, Act of June 29, 1987 (P.L. 32) 47 P.S. §§ 1-101 et seq. and the Emergency Liquor Sales Tax Act, Act of June 9, 1936 (Special Session, P.L. 13) 47 P.S. §§ 794 et seq.

PERSONAL INCOME TAX

The Personal Income Tax is a tax levied on the eight classes of personal income taxable by the Commonwealth of Pennsylvania, subject to the exemptions, deductions, and credits described below.

ENTITIES SUBJECT TO THE TAX

The Personal Income Tax is levied against the taxable income of resident and nonresident individuals, estates and trusts, partnerships, S corporations, business trusts, and limited liability companies that are not taxed as corporations for federal purposes.

TAX BASE

Pennsylvania taxes eight classes of income:

- Compensation
- Net profits from the operation of a business, profession, or farm
- Net gains or income less net losses from dispositions of property
- Net gains or income from rents, royalties, patents, and copyrights
- Dividends
- Interest
- Gambling and Lottery winnings
- Net gains or income derived through estates or trusts

A loss in one class of income may not offset income in another class, nor may gains or losses be carried backward or forward from year to year.

Act 40-2005 amended the definition of compensation to include distributions from nonqualified plans attributable to an elective deferral of income, regardless of whether the distribution is paid during employment or retirement. With some exceptions, including certain types of retirement contributions, Pennsylvania's constructive receipt rules are now the same as the federal constructive receipt rules to determine when compensation is received by a cash basis taxpayer.

Between July 21, 1983 and December 31, 2015, Pennsylvania Lottery prizes were not subject to personal income tax. Act 84-2016 made cash prizes of the Pennsylvania Lottery subject to personal income tax, effective for tax years beginning on or after January 1, 2016. Pennsylvania Lottery noncash prizes remain exempt.

EXCLUSIONS, DEDUCTIONS, AND CREDITS

The Pennsylvania Personal Income Tax does not provide for a standard deduction or personal exemption. However, individuals are able to reduce their tax liabilities through allowable exclusions, deductions, and credits.

EXCLUSIONS

Description of Exclusion

- Retirement income
- Retirement contributions by employers
- Employee benefit program employer contributions
- Sickness or disability proceeds
- Unemployment and supplemental unemployment compensation
- Workers' compensation
- Strike benefits
- Public assistance
- Compensation for military service
- Scholarships, grants, fellowships, and stipends
- Reimbursements for actual expenses
- Interest on state and local obligations
- Pennsylvania Lottery noncash prizes

Act 40-1991 reversed Act 22-1991, which was also effective for TY 1991. Act 22-1991 raised the income threshold for a single individual to \$7,000, with an additional allowance of \$2,000 for each dependent and household member. Additionally, the legislation adopted the federal definition of dependent and counted all poverty income earned by any member of a household toward the eligibility threshold.

1991	2.60%	Act 22-1991	Blended rate due to midyear rate change.
1992	2.95%	Act 22-1991	Blended rate due to midyear rate change.
1993	2.80%	Act 22-1991	
2004	3.07%	Act 46-2003	

The income tax was first imposed in 1971 but was declared unconstitutional because it violated the uniformity clause. The tax was modified to a flat rate tax on the eight separate classes of income described above, effective June 1, 1971.

PAYMENTS

The commonwealth employs four primary methods for collecting Personal Income Taxes: (1) estimated and final payments from individuals; (2) employer withholding; (3) withholding from nonresident partners, shareholders, partnerships, estates and trusts, or S corporations; and (4) withholding by payers of nonemployee compensation, business income, or lease payments to nonresident individuals or disregarded entities with a nonresident owner.

1) Individuals, estates, and trusts must file annual returns on or before April 15th for the previous year's income. Individuals, estates, and trusts with non-withheld income in excess of \$8,000 annually must file and remit estimated payments by the 15th day of April, June, September, and January for the preceding calendar quarter. For tax years beginning before January 1, 2000, the income threshold for estimated tax payments was \$2,500. Act 108-2022 gradually increases the threshold starting in tax year 2024, up to \$20,000 in tax year 2028. After 2028, the threshold increases by \$500 annually. There are special estimated tax provisions for farm income and trusts.

2) Employers withhold and remit employees' taxes on wage and salary income according to the following schedule:

- a) Quarterly - If total withholding tax is expected to be under \$1,200 per calendar year, due the last day of April, July, October, and January for the preceding calendar quarter.
- b) Monthly - If \$1,200 or more but less than \$4,000 of tax is expected to be withheld per calendar year, due the 15th day of the following month.
- c) Semi-Monthly - If \$4,000 or more but less than \$20,000 in tax is expected to be withheld per calendar year, due within three banking days of the close of the semi-monthly period.
- d) Semi-Weekly - If \$20,000 or more in tax is expected to be withheld per calendar year, due Wednesday after the payday if the payday falls on a Wednesday, Thursday, or Friday, and on the Friday after payday if the payday falls on a Saturday, Sunday, Monday, or Tuesday.

PERSONAL INCOME TAX

PAYMENTS (continued)

An employer reconciliation statement must be filed by January 31st following the calendar year for which taxes were withheld or within 30 days after the termination of a business.

3) Partnerships and S corporations with nonresident partners or shareholders must remit tax on income from sources within this commonwealth that is allocable to a nonresident. The nonresident partner or shareholder may take a credit on their annual return for the tax remitted by the partnership or S corporation.

4) Payers of nonemployee compensation or business income to nonresident individuals or disregarded entities with a nonresident owner on income sourced to Pennsylvania are required to withhold personal income tax from such payments. The United States government, the Commonwealth of Pennsylvania, their agencies, instrumentalities, and any political subdivisions of Pennsylvania are excluded from this withholding requirement. Further, lessees of Pennsylvania real estate making lease payments (as defined by Act 43-2017, which does not include residential rental payments) in the course of a trade or business to nonresident lessors are also required to withhold personal income tax on such payments.

Withholding of tax from nonemployee compensation or business income is required for payments of \$5,000 or more annually and is optional on payments less than \$5,000. Payers of nonemployee compensation, business income, or lease payments are to follow the same withholding and remittance schedule as employer withholding taxes on wages and salaries of employees. An annual reconciliation statement must be filed by payers by January 31st following the calendar year for which taxes were withheld. Payers must also file a copy of federal Form 1099-MISC with the department and provide a copy to the payee or lessor by January 31st of the following year.

Act 20-2019 provided for recurring transfers from personal income tax revenues to the Farm Show Complex restricted revenue account, beginning in fiscal year 2019-20. The amount of the transfer is currently approximately \$13.25 million annually.

Act 54 of 2022 created a recurring transfer of \$45 million from personal income tax revenues to the Election Integrity restricted account, starting with fiscal year 2022-23.

LEGISLATION

The enabling legislation is Article III of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

REALTY TRANSFER TAX

The Realty Transfer Tax is levied on the value of the real estate transferred by a deed, instrument or other writing.

ENTITIES SUBJECT TO THE TAX

All persons are subject to the tax unless otherwise exempted.

The United States, the commonwealth or their instrumentalities, agencies, or subdivisions are exempt from payment of the tax. However, the exempt status of a party does not relieve the other parties to a transaction from the entire tax due.

TAX BASE

The tax is based on the value of real property, including contracted-for improvements to the property, transferred by deed, instrument, long-term lease, or other writing. All transfers are taxable unless exempted.

Exempt classes of transfers include:

- Wills
- Mortgages
- Deeds of trust or similar instruments given as security for debts, and deeds to release such debt
- Land contracts where legal title passes only upon completion of payment
- Short term leases and instruments, which solely grant, vest, or confirm a public utility easement

These items are excluded from the definition of document.

Other specific transactions exist which are given statutory or regulatory exemptions from payment of the tax. Some of these excluded transactions include:

- Certain transfers among family members
- Certain transfers to governmental units
- Certain transfers between religious organizations
- Certain transfers to shareholders or partners
- Certain transfers to or from a non-profit industrial development agency
- Certain transfers of ownership interest in a real estate company or family farm
- Leases for the production or extraction of coal, oil, natural gas, or minerals
- Certain partitions of realty held by cotenants, when the property was passed by testate or intestate succession
- Deeds to burial sites
- Certain agricultural, conservation, or historic preservation easements transfers to dedicated conservancies
- Certain transfer by not-for-profit veterans' organizations
- Transfers to or from a land bank

In addition, Act 52-2013 eliminated the 89/11 loophole, which had allowed the buyer of certain real estate to acquire 89% of the real estate company along with an option to purchase the remaining 11% after 3 years and avoid paying the RTT.

TAX RATE

Since enactment, the Realty Transfer Tax has been imposed at the rate of 1% of the actual consideration or price of the property represented in the deed.

When the document has no consideration stated or the transaction is not arm's-length, the tax rate is 1% of the property's actual monetary worth computed through use of assessed value adjusted to market value.

REALTY TRANSFER TAX

PAYMENTS

The tax is payable upon the presentation of any document for recording or 30 days after acceptance of the document, whichever occurs first. Both grantor and grantee are held jointly and severally liable for payment of the tax. The County Recorder of Deeds collects the tax and remits it to the commonwealth.

The stamps or meter impressions, indicating payment of the tax, are affixed to the document when presented for recording.

TRANSFERS

Beginning in July 1994 with Act 50-1993, a share of Realty Transfer Tax revenues have been transferred to the Keystone, Recreation, Park, and Conservation Fund (KRPCF):

	DATES	KRPCF TRANSFER	LEGISLATION
July 1994	December 2001	15%	Act 50-1993
January 2002	June 2002	10%	Act 89-2002
July 2002	June 2003	7.5%	Act 89-2002
July 2003	June 2006	15%	Act 89-2002
July 2006	June 2007	2.1%	Act 67-2006
July 2007 forward		15%	Act 67-2006

Beginning in fiscal year 2015-16 a transfer has been made to the Pennsylvania Housing Affordability and Rehabilitation Enhancement Fund (PHARE). The transfer amount is to be the lesser of 40% of the difference between the total dollar amount of the realty transfer tax collected in the prior fiscal year and the total dollar amount of the realty transfer tax official estimate for fiscal year 14-15 (\$447.5 million) or an amount according to the following:

FISCAL YEAR	TRANSFER MINIMUM	LEGISLATION
2015-16 to 2018-19	\$25 million	Act 58-2015
2019-20 to 2021-22	\$40 million	Act 13-2019
2022-23 forward	\$60 million	Act 108-2022

LEGISLATION

The tax was enacted as a temporary tax in 1951 and was made permanent in 1961.

The enabling legislation is Article XI-C of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

INHERITANCE AND ESTATE TAXES

The Inheritance Tax is levied on the value of assets transferred via will or other posthumous transfer of property. See below for estate tax details.

ENTITIES SUBJECT TO THE TAX

The personal representative of the decedent's estate or the transferee pays Inheritance and Estate Taxes using proceeds from the estate. The local Register of Wills acts as the commonwealth's agent in the collection of these taxes.

Inheritance Tax is not levied on transfers of assets to certain types of entities. Transfers to governmental entities are exempt. Also exempt are transfers of property to charitable and fraternal organizations when the property is used exclusively for religious, charitable, scientific, literary, or educational purposes. Transfers to qualified veteran organizations are not subject to Inheritance Tax.

TAX BASE

The Inheritance Tax is imposed on the value of the decedent's estate transferred to beneficiaries by will or intestacy. Certain inter vivos transfers are also subject to Inheritance Tax. A fractional portion of property held by the decedent and one or more other persons jointly with the right of survivorship is taxable in the decedent's estate. Specified deductions may be taken in determining taxable estate value.

TAX RATE

The tax rates levied against estates are based on to whom property is bequeathed:

- From non-jointly held property to spouse
- From children 21 years of age or younger to parents
- From parents to children 21 years of age or younger
- To lineal heirs
- To siblings
- All other transfers

DATE OF DEATH	RATE						LEGISLATION
	Spouse	Child to Parent	Parent to Child	Lineal	Sibling	Other	
10/3/1991 TO 6/30/1994	6%	6%	6%	6%	15%	15%	Act 22-1991
7/1/1994 TO 12/31/1994	3%	6%	6%	6%	15%	15%	Act 48-1994
1/1/1995 TO 6/30/2000	0%	6%	6%	6%	15%	15%	Act 21-1995
7/1/2000 TO 12/31/2019	0%	0%	4.5%	4.5%	12%	15%	Act 23-2000
1/1/2020 TO PRESENT	0%	0%	0%	4.5%	12%	15%	Act 13-2019

Rate history reflects the present Inheritance Tax only, established by Article XXI of the Tax Reform Code, effective 10/3/1991.

PAYMENTS

Inheritance Tax payments are due upon the death of the decedent and become delinquent nine months after the individual's death. If Inheritance Taxes are paid within three months of the decedent's death, a 5% discount is allowed.

ESTATE TAX

The Estate Tax was a pick-up tax imposed to absorb the maximum amount of credit allowed by federal estate tax law toward state death taxes. For residents, the Estate Tax represented the difference between the Pennsylvania Inheritance Tax plus death taxes paid to other states and the maximum federal credit for state taxes allowed by federal estate tax law. The federal credit was phased out between 2002 and 2005. Once the credit was completely phased out, the Pennsylvania Estate Tax was eliminated. As a result of the American Taxpayer Relief Act of 2012, the federal credit is not scheduled to return.

TABLE GAME TAXES

Table Game Taxes are levied on gross table game revenue, which is the total cash or cash equivalents, tournament fees, and rakes minus cash or cash equivalents paid out, to fund prizes, or for personal property distributed as a result of play.

ENTITIES SUBJECT TO THE TAX

Each table game operation certificate holder is subject to the tax.

TAX BASE

The taxes are imposed on gross table game revenue, which is defined as total cash or cash equivalents received in the playing of table games, contest or tournament fees or payments, and total amount of rakes collected minus cash or cash equivalents paid out, paid to purchase annuities to fund prizes, and paid for personal property distributed to patrons as a result of playing a table game.

TAX RATE

Act 1-2010 established a 12% Table Game Tax imposed on gross table game revenue. Act 84-2016 established an additional 2% Table Game Tax on gross table game revenue for the period August 1, 2016 through June 30, 2019. Act 13-2019 extended that expiration to August 1, 2021, while Act 25-2021 made the additional 2% permanent. Fully automated electronic gaming tables are subject to a 34% tax, in addition to the percentages above.

PAYMENTS

Table Game Taxes are payable on a weekly basis based on the gross table game revenue derived during the previous week.

FUND

Act 53-2022 repealed the provision that required the revenue be deposited to the Property Tax Relief Fund once the Budget Stabilization Fund balance exceeded \$750 million.

LEGISLATION

Enabling legislation is Act 1 of January 7, 2010 (P.L. 1, No. 1).

Please refer to the Recent Changes in Tax Law section for additional information.

FANTASY CONTEST TAX

The Fantasy Contest Tax is levied on fantasy contest adjusted revenue, which is the total of all entry fees minus prizes or awards for each contest multiplied by the in-state percentage.

ENTITIES SUBJECT TO THE TAX

Each fantasy contest licensed operator is subject to the tax.

TAX BASE

The tax is imposed on fantasy contest adjusted revenue which is defined as, for each fantasy contest, the total amount of all entry fees collected from all participants entering the fantasy contest minus prizes or awards paid to participants in the fantasy contest, multiplied by the in-state percentage. The in-state percentage is, for each fantasy contest, the percentage of entry fees collected from all in-state participants divided by the total entry fees collected from all participants in the fantasy contest.

TAX RATE

Act 42-2017 established a 15% Fantasy Contest Tax on monthly fantasy contest adjusted revenue of licensed operators.

PAYMENTS

The tax is remitted monthly based upon monthly fantasy contest adjusted revenue derived during the previous month.

LEGISLATION

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

Please refer to the Recent Changes in Tax Law section for additional information.

INTERACTIVE GAMING AND MULTI-USE GAMING DEVICE TAXES

The Interactive Gaming Tax is levied on daily gross interactive gaming revenue from peer-to-peer games and non-peer-to-peer games that simulate table games. The Multi-Use Gaming Device Tax is levied on daily gross interactive airport gaming revenue.

ENTITIES SUBJECT TO THE TAX

Each interactive gaming certificate holder is subject to the Interactive Gaming Tax, and each interactive gaming certificate holder authorized to conduct interactive games at qualified airports is subject to the Multi-Use Gaming Device Tax.

TAX BASE

The taxes are imposed on gross interactive gaming revenue or gross interactive airport gaming revenue, as applicable, which is defined as the total of all cash or cash equivalent wagers paid by registered players to an interactive gaming certificate holder, or by eligible passengers through the use of multi-use computing devices, including cash received as entry fees for contests or tournaments, minus the total of cash or cash equivalents paid out to registered players, or eligible passengers, as winnings and the actual cost paid by the certificate holder for any personal property distributed to a player or passenger.

TAX RATE

Act 42-2017 established a 14% Interactive Gaming Tax on daily gross interactive gaming revenue from peer-to-peer games and non-peer-to-peer games that simulate table games operated by interactive gaming certificate holders. It also established a 14% Multi-Use Gaming Device Tax on daily gross interactive airport gaming revenue from peer-to-peer games and non-peer-to-peer games that simulate table games and a 52% tax imposed on the daily gross interactive airport gaming revenue from non-peer-to-peer games simulating slot machines.

PAYMENTS

The taxes are payable on a weekly basis based upon the revenue generated during the previous week.

RELATED TAX

Act 42-2017 also established a 52% Interactive Gaming Tax on daily gross interactive gaming revenue from non-peer-to-peer games that simulate slots operated by interactive gaming certificate holders. This tax is deposited in the State Gaming Fund.

LEGISLATION

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

Please refer to the Recent Changes in Tax Law section for additional information.

SPORTS WAGERING TAX

The Sports Wagering Tax is levied on revenues received by holders of sports wagering certificates. The tax is applied to total daily cash received, less amounts paid out towards prizes.

ENTITIES SUBJECT TO THE TAX

Each sports wagering certificate holder is subject to the tax.

TAX BASE

The tax is imposed on daily gross sports wagering revenue, which is defined as the total of cash or cash equivalents received from sports wagering minus the total of cash or cash equivalents paid to players, paid to purchase annuities to fund prizes, and paid for personal property distributed to players as a result of sports wagering.

TAX RATE

Act 42-2017 established a 34% Sports Wagering Tax on daily gross sports wagering revenue.

PAYMENTS

The tax is payable on a weekly basis based on the gross sports wagering revenue derived during the previous week.

AUTHORIZATION

Act 42-2017 established standards and procedures to govern sports wagering and established a tax on daily gross sports wagering revenue of certificate holders in the event sports wagering was authorized under federal law. In May 2018, the Supreme Court allowed for sports wagering in the commonwealth by striking down the federal law that banned sports wagering in most states.

LEGISLATION

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

Please refer to the Recent Changes in Tax Law section for additional information.

MINOR AND REPEALED

Minor taxes produce comparatively small annual yields and primarily consist of the Excess Vehicle Rental Tax, Wine Excise Tax, other selective business taxes, and Consumer Fireworks Tax. Payments received as Electronic Funds Transfers (EFT) that cannot be immediately attributed to a specific tax category are placed in a temporary clearing account within this category. Transfers of state tax revenue to the various zone programs are also made from Minor and Repealed Taxes. See the individual pages of the Neighborhood Improvement Zones, City Revitalization and Improvement Zones, and the Military Installation Remediation Projects for additional information.

MINOR TAXES

VEHICLE RENTAL TAX

The Vehicle Rental Tax is a 2% tax imposed on the rental of private passenger cars, trucks, and trailers used in the transportation of non-commercial property for periods of less than 30 days. The tax was originally named the Passenger Car Rental Tax when it was created by Act 48–1994, as it was levied only on the rental of private passenger vehicles for periods of less than thirty days. However, Act 7–1997 expanded the tax to include the rental of trucks, trailers, and semi-trailers used in the transportation of non-commercial property. Revenues from the Vehicle Rental Tax are used to refund the cost of licensing and title fees to vehicle rental companies. Any excess funds are transferred to the General Fund.

Enabling legislation of the vehicle rental tax is Article XVI-A of the Tax Reform Code of 1971 (P.L. 6, No. 2).

WINE EXCISE TAX

The Wine Excise Tax is a tax upon the sale and delivery of wine to Pennsylvania residents by direct wine shippers. The tax is imposed by Section 488(J) of the Liquor Code and is in addition to the Sales and Use Tax. It is assessed at the rate of \$2.50 per gallon of wine sold; the 18% liquor tax does not apply to direct shipments of wine by direct wine shippers. The Wine Excise Tax took effect August 8, 2016.

OTHER SELECTIVE BUSINESS TAXES

Other selective business taxes include the Cooperative Agricultural Association and Electric Cooperative Corporation Taxes. Imposition of these taxes is in lieu of other corporation taxes and certain excise taxes. Electric cooperatives are exempt from gross receipts tax on electric companies for sales within their service territory.

The enabling legislation is the Act of June 22, 1935 (P.L. 414) and the Act of July 15, 1919 (P.L. 954), as amended.

CONSUMER FIREWORKS TAX

The Consumer Fireworks Tax is a 12% tax on each separate sale at retail of consumer fireworks within the state. Effective October 1, 2022, in accordance with Act 74 of 2022, the Consumer Fireworks Tax and the Sales Tax, imposed at a rate of 6%, apply to the purchase price of consumer fireworks, independent of each other. Sellers of consumer fireworks are required to apply for a Consumer Fireworks Facility License with the Pennsylvania Department of Agriculture, Bureau of Ride and Measurement Standards. Licensees must submit a quarterly consumer fireworks tax return with the Pennsylvania Department of Revenue, even for periods where no taxable retail fireworks sales occurred. The consumer fireworks tax became effective October 30, 2017.

Under Act 74-2022, beginning in FY 2023-24, all Consumer Fireworks tax is transferred annually out of the General Fund to various special funds or restricted accounts according to the following:

FUND OR PROGRAM	AMOUNT
Emergency Medical Services Grant Program	\$ 150,000
Online Training Educator and Training Reimbursement Account	\$ 250,000
Pennsylvania Higher Education Assistance Agency for loan forgiveness and tuition assistance	\$ 1,000,000
Department of Health for training EMS personnel	\$ 1,000,000
Office of the State Fire Commissioner	\$ 1,750,000

Any remaining tax shall be equally divided among the Emergency Medical Services Grant Program and the Fire Company Grant Program.

Enabling legislation of the consumer fireworks tax is PA ST 3 Pa.C.S.A. § 1112.

MINOR AND REPEALED

TAVERN GAMES TAXES

The tavern games taxes are a 60% Tavern Games Tax and a 5% Host Municipality Tavern Games Tax imposed on net revenue from tavern games. For games required to be purchased from a licensed distributor, net revenue is the difference between the face value, as indicated by the manufacturer, collectible by a licensee, and the maximum amount of prizes, as indicated by the manufacturer, payable by a licensee from a tavern game. For tavern games not required to be purchased from a licensed distributor, net revenue is the difference between the actual gross revenue collected by a licensee from a tavern game and the actual amount of prizes paid by a licensee plus the cost to purchase tavern games.

These taxes are collected and remitted by the licensed distributor or by the tavern games licensee in instances where the tavern game is not required to be purchased from a licensed distributor. Licensed distributors must file tavern games tax returns and remit tax by the 20th day of each month for the preceding month. Tavern games licensees must file returns and remit tax on a quarterly basis. Returns and tax for each calendar quarter are due on the 20th of the month following the close of each calendar quarter.

Enabling legislation is Act 90 of November 27, 2013 (P.L. 1045 No. 90).

REPEALED TAXES

CAPITAL STOCK AND FOREIGN FRANCHISE TAXES

Any outstanding remittances of Capital Stock and Foreign Franchise Taxes are reported here as well. These taxes are imposed on corporations with capital stock, joint-stock associations, limited liability companies, business trusts, and other companies doing business within Pennsylvania. Nonprofit and family farm corporations are exempt. Domestic corporations are subject to the capital stock tax while foreign corporations are subject to the foreign franchise tax on capital stock apportioned to Pennsylvania. Effective for tax years 2016 and after, the Capital Stock and Foreign Franchise tax has been eliminated.

CORPORATE LOANS TAX

Act 71 of 2013 repealed the corporate loans tax for tax years beginning after December 31, 2013.

Please see past versions of the Tax Compendium for a more extensive discussion of these taxes.

NON-TAX REVENUE

This category of General Fund revenue includes items such as licenses, fines, penalties, interest income, miscellaneous revenues, escheated accounts, profits from the operation of Pennsylvania liquor stores, and transfers from special funds.

LIQUOR STORE PROFITS

The profits of Pennsylvania liquor stores are transferred by the Liquor Control Board (LCB) to the General Fund. The amount is annually determined by the LCB, subject to the approval of the Governor. Enabling legislation is the Liquor Code, Act of June 29, 1987 (P.L. 32) 47 P.S. §§ 8-802 et seq.

LICENSES AND FEES

Licenses and fees include collections by commonwealth agencies that are not specifically required by law to be placed in special funds to support a specific purpose. Although amounts obtained from an individual class of license very often are sufficient only to cover regulatory costs, any additional money is available for general purposes. Many licenses and fees are required by laws designed to protect the public from indiscriminate and unsafe practices. The largest recurring revenues in the aggregate are collected by the Insurance Department for appointment and licensing fees and by the State Department for corporate and Uniform Commercial Code filings.

MISCELLANEOUS

Miscellaneous revenues include all other income to be used for general appropriation purposes in the General Fund, except monies which are given to the commonwealth by individuals, or are provided by law to be deposited in the Judicial Computer System Augmentation Account in accordance with Act 1988-79. Interest accrued by the Treasury Department and escheated property to the state are also included as miscellaneous revenue.

TRANSFERS

Recurrent transfers from special funds, such as from video gaming terminals (VGTs), as well as one-time statutorily-defined transfers occur.

Tax from VGTs is deposited into the General Fund as a transfer. The tax is remitted bimonthly and is initially deposited in the Video Gaming Fund. On the last day of each fiscal year, the remaining balance in the Video Gaming Fund that is not transferred to the Compulsive and Problem Gambling Treatment Fund is transferred to the General Fund.

FINES, PENALTIES, AND INTEREST

This revenue source includes fines and penalties not required by law to be placed into a special fund for a specific purpose. Most of these fines and penalties collected by the various departments are an integral part of enforcement of the laws providing for licenses and fees. The largest revenues collected are by the Insurance Department for surcharges from moving vehicle violations and by the Department of Revenue for vehicle code fines.

TAX CREDIT PROGRAMS

Pennsylvania offers a variety of tax incentives, credits and programs to eligible Pennsylvania residents and businesses. These tax credits and incentive programs encourage economic activity, charitable contributions, and community improvement by providing tax reductions to individual and business taxpayers.

Taxpayers can receive credits for direct charitable giving or investment in neighborhood improvement. For example, the educational tax credits are tied to the amount of money given to a scholarship foundations, while the Neighborhood Assistance Program issues credits based on contributions and investments in qualified neighborhood assistance projects. These types of programs incentivize businesses to directly participate in the improvement of the community around them in targeted ways.

Tax credits are also used to reward businesses for making investments that both benefit the business, and serve the commonwealth's overall economic interests. Industry specific incentives, such as the Computer Data Center Equipment Incentive Program or the Qualified Manufacturing Innovation and Reinvestment Deduction, help businesses looking to expand their capacity make those investments here in Pennsylvania. These investments mean new jobs, which are also directly incentivized by credit programs such as the Manufacturing and Investment Tax Credit. Other credits incentivize business to engage in business activities that are beneficial to the community, but may not be profitable, such as the Coal Refuse and Resource Enhancement and Protection tax credits.

Other credits are intended to incentivize business to locate new production in Pennsylvania. Tax credits focused on the live performance, film, and video game industries reward new employment and capital investment in the commonwealth, while the Innovate PA program and R&D tax credits mean a lower cost of business for high tech and cutting edge firms.

Some tax credit and incentive programs are focused on select geographies. Tax increment finance zones, such as the City Revitalization and Improvement Zones (CRIZ) and Neighborhood Improvement Zone (NIZ), use captured state and local taxes to finance local improvement projects. Other geographically bound tax credit programs incentivize certain business activities within their bounds (e.g. the Keystone Innovation Zones), or award tax credits for new jobs and/or investment created within the zone, such as the Strategic Development Areas program.

For this year's report, there are several changes. First, the Mobile Telecommunications Broadband Investment Tax Credit was replaced under Act 132 of 2020, with the Unserved High-Speed Broadband Funding Program, and has been removed from this report. Several new credits, exemptions, and special tax zones have been added to the report, including the Airport Land Development Zone, and a broad exemption for entities working in the commonwealth during an emergency. Additionally, the Tax Credit for New Jobs has been added back. Although no new credits could be awarded after June 30, 2020, it was determined that unissued amounts from earlier fiscal years may be awarded for applications approved prior to the expiration date of the credit.

A significant addition to the commonwealth's tax credit system, included in this report, is the Pennsylvania Economic Development for a Growing Economy Tax Credits (PA EDGE). This new program combines new and existing credits to encourage agricultural, high-tech, and petrochemical industry development, along with the resulting economic and job growth.

Since the previous report, the commonwealth instituted an appeals process for taxpayers, brokers, and the Department concerning administration of tax credits and benefits, through Act 25 of 2021. This includes a taxpayer's right to appeal determinations by the department made after July 30, 2021.

AIRPORT LAND DEVELOPMENT ZONES

The Airport Land Development Zones program promotes economic development and job creation on the grounds of commercial and noncommercial airports. Employers receive tax credits for the number of new full-time equivalent employees working in the zone. The Department of Community and Economic Development will administer the program.

WHO IS ELIGIBLE TO PARTICIPATE IN THE PROGRAM?

Commercial and noncommercial service airports meeting acreage and development requirements are eligible to participate.

To be eligible, the development area must be of a certain size (no more than 300 acres for a commercial airport and no more than 50 acres for a noncommercial service airport), consist of parcels of real property that are owned by the airport or leased to a third party, with no permanent vertical structures affixed or buildings with businesses located in the structures as of December 31, 2021. The total acres for each type of airport (commercial and noncommercial service) may not exceed 2,000 acres.

WHAT ACTIVITY DOES THE PROGRAM SEEK TO PROMOTE?

The program seeks to promote economic development and job creation within the zones by awarding tax credits to entities creating jobs for new full-time equivalent employees in the zone in excess of those existing prior to January 1, 2021.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The eligible taxes for zone tax credits include Personal Income (excluding employer withholding) Tax, Corporate Net Income Tax, Bank and Trust Company Shares Tax, Title Insurance Companies Shares Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

Airport land development zone employers may earn a tax credit of \$2,100 for each full-time equivalent employee in excess of the number of full-time equivalent employees employed by the airport land development zone employer prior to January 1, 2021. Tax credits may be earned beginning in tax year 2022.

If earning tax credits under the Airport Land Development Zones program, and employer may not earn tax credits under the Keystone Opportunity Zone, Keystone Opportunity Expansion Zone, or Keystone Opportunity Improvement Zone programs. An employer also may not simultaneously earn a tax credit under the Tax Credit for New Jobs program.

CAN THE CREDIT BE CARRIED FORWARD?

The tax credit can be carried forward for 10 years, but may not be carried back or refunded. Credits can be transferred to pass-through entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member, or partner.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits may be sold or assigned; they shall be used by the purchaser or assignee in the tax year in which the sale or assignment occurs. Purchasers may utilize the credits to offset up to 75% of any qualified tax liability in the year of the sale approval or thereafter.

REPORTING (INCLUDING ACT 25-2021)

The Department of Community and Economic Development administers the credit, and is responsible for publishing a report on the program. The report must be issued by August 15 each year, and include the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with Act 25-2021.

AUTHORIZING LEGISLATION

Act 53-2022 created the Airport Land Development Zones Program.

COAL REFUSE ENERGY AND RECLAMATION TAX CREDIT

The Coal Refuse Energy and Reclamation Tax Credit is awarded to qualified taxpayers who generate electricity in the commonwealth by using coal refuse for power generation, control acid gasses for emission control, and use ash produced by the facilities to reclaim mining-affected sites. The credit is distributed at a rate of \$4 per ton of qualified coal refuse utilized at an eligible facility, or a prorated amount should the total of all credits awarded exceed the statutory cap.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Taxpayers who operate eligible facilities that generate electricity in the commonwealth to use coal refuse for power generation, control acid gasses for emission control, and use ash produced by the facility to reclaim mining-affected sites.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is designed to incentivize the use of coal refuse fired electric power generators, which creates environmental and fiscal benefits through the reclamation of coal refuse piles and previously mined lands.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The tax credit may be used against Personal Income Tax, Corporate Net Income Tax, Capital Stock and Franchise Tax, Bank Shares Tax, Title Insurance Company Premiums Tax, Insurance Premiums Tax and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The credit is calculated at a rate of \$4 per ton of qualified coal refuse utilized at an eligible facility. This amount may be prorated if the total of all credits awarded exceeds the statutory cap.

TAX CREDIT CAP

Credit caps by fiscal year are as follows (millions):

FISCAL YEAR	CAP
2016-17	\$7.5
2017-18 & 2018-19	\$10.0
2019-20 and after	\$20.0

CAN THE CREDIT BE CARRIED FORWARD?

The tax credit can be carried forward for 15 years, but may not be carried back or refunded. Credits can be transferred to pass-through entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member, or partner.

CAN THE CREDIT BE SOLD/ASSIGNED?

An unused tax credit may be sold or assigned. A sold or assigned tax credit must be used by the purchaser or assignee in the tax year in which it was sold or assigned. A sold or assigned tax credit may only reduce a taxpayer's qualified liability by 75% in a given tax year.

REPORTING (INCLUDING ACT 25-2021)

The Department of Community and Economic Development is required to provide a report by October 1 of each year. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer. The report must also include the quantity of coal refuse utilized and the volume of coal ash used to reclaim mine affected areas. These requirements are continued under Act 25 of 2021.

AUTHORIZING LEGISLATION

The credit was created by Act 84 of 2016.

CITY REVITALIZATION AND IMPROVEMENT ZONES PROGRAM

The City Revitalization and Improvement Zones (CRIZ) program promotes economic development in second class-A cities, third class cities, and home rule municipalities with populations of at least 20,000. A CRIZ is an area of up to 130 acres, comprised of parcels designated by a contracting authority, which provide economic development and job creation within a political subdivision. State and local taxes collected within the CRIZ are used to repay debt service to stimulate economic development projects within the CRIZ.

WHO IS ELIGIBLE TO PARTICIPATE IN THE PROGRAM?

The program is for second class-A cities, third class cities, and home rule municipalities with populations of at least 20,000. Additionally, a pilot zone may be created in one or more municipalities, with a total population of at least 7,000.

There are currently two zones - one in Lancaster and one in Bethlehem. There is also a pilot zone in Tamaqua. Up to two additional zones may be designated each year.

WHAT ACTIVITY DOES THE PROGRAM SEEK TO PROMOTE?

The CRIZ program seeks to promote business development within eligible cities and municipalities. State and local taxes collected within the CRIZ will be used to repay debt service to stimulate economic development projects within the CRIZ.

WHAT COMMONWEALTH TAXES ARE ELIGIBLE FOR THE PROGRAM?

Eligible taxes include Corporate Net Income Tax, Bank Shares Tax, Sales, Use and Hotel Occupancy Tax, Employer Withholding, Malt/Brewed Beverage Tax, Liquor/Wine Tax, and Personal Income Tax paid by shareholders.

PARTICIPATION

The program is similar to a tax incremental financing program in that it is structured to protect the existing state and local tax base, while providing incremental funding for tax revenues based on new growth generated over and above an established baseline per business and new tax revenue generated in the zone by new businesses. General Fund and local tax revenues above the baseline amount may be used for the purpose of improvement and development within the zones. Businesses within zones must complete an annual state tax report each year so the Department of Revenue may certify state taxes to be transferred to the zones' contracting authorities.

Act 84-2016 significantly amended the calculation of the annual certification amount. Baseline tax amounts and revenue above the baseline are calculated by individual entity, rather than by the entire zone. If an entity's taxes fall below its baseline, the amount is no longer included in that year's revenue change from the baseline, eliminating the impact of entities that have year-over-year decreases in tax revenue on the entire zone.

Act 84-2016 also made numerous technical and administrative changes to the CRIZ program. The act expanded eligibility to cities of the second class, third class cities with populations over 20,000, and otherwise eligible third class cities that have had a receiver. The act allowed pilot zones to include multiple municipalities. Further, the act expanded the definition of eligible tax types within the zone to include hotel occupancy tax and personal income tax paid by members or partners of Subchapter S corporations, limited liability companies, partnerships, or sole proprietors on income. Recalculation of the baselines for existing zones to include hotel occupancy tax was prohibited. The act also lowered the maximum amount that a zone may borrow per year from \$10 million to \$7.5

Act 43-2017 allowed an inactive parcel to be transferred out of the zone and replaced with a parcel of equal or lesser acreage. Such a transfer of parcels in and out of the zone does not need to occur simultaneously. Also, the act provides that excess money transferred to a CRIZ fund for utilization in a pilot zone is not required to be returned to the commonwealth by the pilot zone's contracting authority and must be used in accordance with the current utilization provisions in the article. The changes were effective October 30, 2017.

CITY REVITALIZATION AND IMPROVEMENT ZONES PROGRAM

CONTINUED

PARTICIPATION (continued)

Act 68-2020 permits the use of CRIZ funds to provide grants and loans to qualifying businesses, political subdivisions and municipal authorities operating within the CRIZ that have been negatively impacted by the proclamation of disaster emergency related to COVID-19 for the following purposes: business operating expenses; working capital; business loan payments to financial institutions; payroll to current employees as a means of retaining employees; and establishment of short-term loan guarantee accounts. These provisions expire June 30, 2021.

REPORTING (INCLUDING ACT 25-2021)

Act 53-2022 requires DOR to notify each contracting authority of all CRIZ report non-filers and strengthens confidentiality provisions on usage of taxpayer data supplied to the authority from the department. The act also permits a CRIZ authority to provide financial assistance in the form of a grant.

AUTHORIZING LEGISLATION

The CRIZ program was created by Act 52-2013.

COMPUTER DATA CENTER EQUIPMENT INCENTIVE PROGRAM

The Computer Data Center Equipment Incentive Program, administered by the Department of Revenue, provided sales and use tax refunds for the purchases of computer data center equipment, such as that used to outfit, operate, or benefit a computer data center and component parts, installations, refreshments, replacement, and upgrades to the equipment. Total refunds were capped at \$7 million annually. Act 25-2021 replaced the refund program with a sales and use tax exemption, effective January 1, 2022.

WHO WAS ELIGIBLE TO PARTICIPATE IN THE PROGRAM?

Computer data centers that wished to qualify for the Sales and Use Tax refunds under the program met certain requirements relating to the size of new investment being made to the computer data center, as well as a requirement as to annual compensation of its employees.

WHAT ACTIVITY DID THE PROGRAM SEEK TO PROMOTE?

The program was designed to attract new investment from businesses that operated within facilities containing equipment such as servers or data storage equipment necessary to operate a computer data center.

WHAT TAXES WERE ELIGIBLE?

The program provided for a refund of Sales and Use Tax paid on eligible equipment purchases.

PROGRAM CAP

The program cap was \$7 million.

REPORTING (INCLUDING ACT 25-2021)

The program was administered by the Department of Revenue, as is its successor sales and use tax exemption program. No report was statutorily required to be published.

AUTHORIZING LEGISLATION

The program was created by Act 84-2016 and was replaced by Act 25-2021.

EDUCATIONAL TAX CREDITS

EDUCATIONAL IMPROVEMENT TAX CREDIT

The Educational Improvement Tax Credit (EITC) is awarded to businesses making contributions to scholarship, educational improvement, or pre-kindergarten scholarship organizations. The credits are based on the amount contributed, subject to individual limits and a cap on total credits awarded each fiscal year.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The EITC is granted to business firms providing proof of a contribution to a scholarship organization, an educational improvement organization, or a pre-kindergarten scholarship organization.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

This credit seeks to promote contributions from business firms to educational improvement organizations that support innovative educational programs and scholarship programs that provide tuition and school-related fees to eligible students.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The tax credits awarded under the ETC program may be applied to the Personal Income Tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank and Trust Company Shares Tax, Title Insurance Company Shares Tax, Insurance Premiums Tax, Mutual Thrift Institutions Tax, and Malt Beverage Tax. The credits can be distributed through more than one level of pass-through entities and can be applied to the personal income tax of a spouse filing a joint return (Act 194-2014).

TAX CREDIT CALCULATION

The actual credit is equal to 75% of the total amount contributed during the taxable year. The tax credit shall not exceed the tax liability of a business for any given taxable year. The tax credit may be increased to 90% of the contribution made, up to a maximum of \$750,000 per taxable year, if the business firm agrees at the time of application to provide the same amount of contribution for two consecutive tax years. To ensure the receipt and retention of the 90% tax credit, the business firm must make the same amount of contribution in each of the two consecutive tax years.

A business firm may receive a tax credit equal to 100% of the first \$10,000 contributed to a Pre-Kindergarten Scholarship Organization during the taxable year, and may receive a tax credit equal to 90% of any additional amount contributed during the taxable year, up to a maximum of \$200,000 of tax credits per taxable year.

EDUCATIONAL TAX CREDITS

EDUCATIONAL IMPROVEMENT TAX CREDIT (CONTINUED)

TAX CREDIT CAP

Act 55-2022 increased the total amount of EITC that can be granted in any fiscal year to \$340 million from \$225 million. The act reserves \$12 million of the total to supplement scholarships for students attending economically disadvantaged schools (shown as SUPPLEMENTAL in the following table).

Fiscal year limits by organization type are as follows (millions):

2022-23	\$263.0	\$44.5	\$20.5	\$12.0	\$340.0

CAN THE CREDIT BE CARRIED FORWARD?

A credit not used in the taxable year that the contribution was made cannot be carried forward or back and is not refundable. Act 48-2009 created an exception for credits distributed by a pass-through entity to its shareholders, members, or partners, which may be used in the tax year following the year of the contribution.

CAN THE CREDIT BE SOLD/ASSIGNED?

A credit not used in the taxable year that the contribution was made is not transferable.

REPORTING (INCLUDING ACT 25-2021)

The Department of Revenue shall provide a list of all organizations receiving contributions from business firms receiving an ETC program credit to the General Assembly by June 30th of each year.

AUTHORIZING LEGISLATION

The EITC program was originally authorized under Act 4-2001 within the Public School Code. Act 48-2009 moved the EITC program to the Tax Reform Code. Act 194-2014 combined the EOSTC and EITC as the Educational Tax Credits program under Article XVII-F of the Tax Reform Code. Act 86-2016 repealed Article XVII-F and moved the ETC program to the Public School Code.

EDUCATIONAL TAX CREDITS

EDUCATIONAL OPPORTUNITY SCHOLARSHIP TAX CREDIT

The Educational Opportunity Scholarship Tax Credit (EOSTC) program provides tax credits to eligible businesses contributing to an Opportunity Scholarship Organization. Business contributions are then used by Opportunity Scholarship Organizations to provide tuition assistance in the form of scholarships to eligible students residing within the attendance area of a low-achieving school to attend another public school outside of their district or nonpublic school.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The EOSTC is available to eligible businesses contributing to an opportunity scholarship organization approved by the Department of Community and Economic Development

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

Business contributions are used by opportunity scholarship organizations to provide tuition assistance in the form of scholarships to eligible students residing within the attendance area of a low-achieving school to attend another public school outside of their district or a nonpublic school. A low-achieving school is defined as a public elementary or secondary school ranking in the bottom 15% of their designation as an elementary or secondary school based upon combined math and reading Pennsylvania System of School Assessment (PSSA) scores.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The tax credits awarded under the ETC program may be applied to the Personal Income Tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank and Trust Company Shares Tax, Title Insurance Company Shares Tax, Insurance Premiums Tax, Mutual Thrift Institutions Tax, and Malt Beverage Tax. The credits can be distributed through more than one level of pass-through entities and can be applied to the personal income tax of a spouse filing a joint return (Act 194-2014).

TAX CREDIT CALCULATION

The EOSTC is equal to 75% of contributions to an approved scholarship organization, up to a maximum of \$750,000 per taxable year. The percentage can be increased to 90% upon the business committing for two years.

TAX CREDIT CAP

Act 55-2022 increased the total amount of EOSTC that can be granted in any fiscal year to \$65 million from \$55 million. Prior to passage of this act, a portion of funds from the EOSTC program provided supplemental scholarships to students attending economically disadvantaged schools; these supplements are now supported by the EITC program.

Credit caps by fiscal year are as follows (millions):

<u>FISCAL YEAR</u>	<u>EOSTC</u>
2012-13	\$50.0
2019-20	\$55.0
2022-23	\$65.0

CAN THE CREDIT BE CARRIED FORWARD?

A credit not used in the taxable year that the contribution was made cannot be carried forward or back and is not refundable. The enabling legislation makes an exception for credits distributed by a pass-through entity to its shareholders, members, or partners, which may be used in the tax year following the year of the contribution.

CAN THE CREDIT BE SOLD/ASSIGNED?

A credit not used in the taxable year that the contribution was made is not transferable.

EDUCATIONAL OPPORTUNITY SCHOLARSHIP TAX CREDIT (CONTINUED)

REPORTING (INCLUDING ACT 25-2021)

The Department of Revenue shall provide a list of all organizations receiving contributions from business firms receiving an ETC program credit to the General Assembly by June 30th of each year.

Act 194-2014 made numerous administrative changes to the ETC programs in order to make the program more flexible in awarding the tax credits and how they may be utilized.

AUTHORIZING LEGISLATION

Act 85-2012 created the EOSTC program. Act 194-2014 repealed Article XVII-G.1 of the Tax Reform Code containing the EOSTC and combined the EOSTC and EITC as the Educational Tax Credits program under Article XVII-F of the Tax Reform Code. Act 86-2016 repealed Article XVII-F and moved the ETC program to the Public School Code.

ENTERTAINMENT PRODUCTION TAX CREDITS

ENTERTAINMENT ECONOMIC ENHANCEMENT PROGRAM

The current Entertainment Economic Enhancement Program provides a tax credit that may be claimed by qualified concert tour promotion companies, concert tour management companies, or other concert management companies for qualified rehearsal and tour expenses. Individual credit limits per tour are based on the types of venues and number of performances at which the performer(s) will appear.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The credit may be claimed by qualified concert tour promotion companies, concert tour management companies, or other concert management companies, excluding contractors or subcontractors of such companies.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit promotes the commonwealth's live performance industries.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The tax credit may be applied against Corporate Net Income Tax, Personal Income Tax (excluding taxes withheld by an employer from an employee), Bank and Trust Company Shares Tax, and Insurance Premiums Tax.

TAX CREDIT CALCULATION

The amount of credit awarded per taxpayer may not exceed certain percentages of qualified rehearsal and tour costs, based on the types of venues and number of performances at which the performer(s) will appear.

TAX CREDIT CAP

The credit caps by fiscal year is as follows (millions):

FISCAL YEAR	CAP
2017-18	\$4.0
2018-19	\$8.0
2019-20	\$8.0
2022-23	\$24.0

Credits granted may be carried forward; however, they may not be carried back or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits may be sold or assigned, and there are procedures for the transfer of unused credits by pass-through entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member or partner.

REPORTING (INCLUDING ACT 25-2021)

DCED is required to provide a report by February 13 of each year. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, as required by of Act 25-2021.

AUTHORIZING LEGISLATION

The current program was initially created by Act 84-2016 as the Concert Rehearsal and Tour Tax Credit.

ENTERTAINMENT PRODUCTION TAX CREDITS

FILM PRODUCTION TAX CREDIT

The current Film Production Tax Credit is available to the producers of feature films and certain television commercials or shows intended for a national audience for certain production expenses. The program provides a 25% credit for qualified film production expenses incurred in Pennsylvania, with an additional 5% credit available if the production is filmed in a qualified production facility that meets all minimum stage filming requirements.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The credit is available for certain production expenses of the producers of feature films and certain television commercials or shows intended for a national audience. Production expenses include compensation paid to individuals or payments made to entities representing individuals for their services, the costs of construction, operations, editing, photography, sound synchronization, lighting, wardrobe and accessories, the cost of transportation, the cost of insurance coverage, the costs of food and lodging, the purchase of music or story rights, and the cost of rental of facilities and equipment. Production expenses do not include certain items such as deferred compensation or profit sharing, development costs, marketing or advertising expenses or expenses related to the selling of the credit.

Qualified film production expenses are Pennsylvania production expenses if at least 60% of the total production expenses are incurred in Pennsylvania except that compensation paid to individuals or payments made to entities representing individuals for services provided in the film cannot exceed \$15 million. DCED may waive the 60% requirement in certain circumstances. An additional tax credit of 5% is available if the taxpayer films a feature film, television film, or television series intended for a national audience in a qualified production facility that meets all minimum stage requirements.

When reviewing and approving applications, DCED may consider a taxpayer's ability to produce multiple films during the proposed period of production within the state and the potential economic impact, including tourism impact, of the multiple films. The film's producers must have no less than 80% common ownership and be production should occur over a period of no more than four years.

Act 43-2017 amended the program to authorize the creation of not more than two Film Tax Credit Production Districts. The districts must meet certain location, size, technical, and investment requirements, and the designation will expire after 15 years. Tax credits for these districts are in addition to the existing Film Production Tax Credit and may be approved beginning in fiscal year 2019-20.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit seeks to promote the commonwealth's film production industry.

The credit may be applied to the Personal Income Tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank and Trust Shares Tax, Title Insurance Company Shares Tax, Insurance Premiums Tax, Gross Receipts Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The credit is calculated by multiplying the qualified expenditures by 25 or 30%, as applicable, depending on the project type.

The credit shall not exceed 25% of qualified expenditures associated with a rehabilitation of a historic structure approved by the Pennsylvania Historical and Museum Commission or 30% of qualified expenditures associated with a workforce housing project.

The maximum HPI tax credit which may be awarded per taxpayer annually is \$500,000. No applications will be accepted after February 1, 2031.

TAX CREDIT CAP

Credit caps by fiscal year are as follows (millions):

FISCAL YEAR	CAP
2013-14 to 2018-19	\$3.0
2019-20 and after	\$5.0

CAN THE CREDIT BE CARRIED FORWARD?

The credit may not be carried back or used to obtain a refund, but it may be carried forward for up to seven taxable years following the first taxable year for which the taxpayer was entitled to claim the credit.

CAN THE CREDIT BE SOLD/ASSIGNED?

A taxpayer without a qualified tax liability may assign or sell credits to another taxpayer.

HISTORIC PRESERVATION INCENTIVE TAX CREDIT

CONTINUED

REPORTING (INCLUDING ACT 25-2021)

DCED shall provide a report on the HPI tax credits in each fiscal year to the Appropriations and the Finance Committees of the Senate and House of Representatives by October 1 of the following fiscal year. The information in the report shall be public information and shall be posted on the Department's public website. These requirements are continued under Act 25 of 2021.

DCED, in cooperation with the Pennsylvania Historical and Museum Commission, shall review the effectiveness of the HPI program in preserving and rehabilitating the commonwealth's historic structures and the impact these efforts have had on the stimulation of investment in this commonwealth. The results shall be included in the annual report due October 1, 2025.

AUTHORIZING LEGISLATION

The HPI Tax Credit was created as part of Act 85–2012.

KEYSTONE INNOVATION ZONE

The Keystone Innovation Zone (KIZ) tax credit is available to qualified businesses operating in Keystone Innovation Zones. Those businesses are generally engaged in research and development and other high technology projects in affiliation with institutions of higher education.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Qualified businesses operating in a zone are entitled to priority consideration for assistance under a number of state programs, as well as a tax credit. The zones are defined parcels and are operated by a partnership of business groups and institutions of higher education.

Act 16-2012 permits the expansion of an existing KIZ zone if the expansion is expected to increase job creation or capital investment. Benefits for expanded parcels are limited to 15 acres for a period of 10 years.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit program promotes research and development and other high technology businesses in affiliation with institutions of higher education.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

KIZ companies may apply KIZ tax credits against Personal Income Tax and Corporate Net Income Tax liabilities.

TAX CREDIT CALCULATION

A KIZ company may apply to DCED for a tax credit equal to 50% of the increase in its gross revenues from the previous year attributable to its activities in a zone. A KIZ company may not claim in excess of \$100,000 in tax credit per year.

TAX CREDIT CAP

Under Act 84-2016, the program cap was lowered to \$15 million per taxable year. The original cap, effective through fiscal year 2015-16, was \$25 million.

CAN THE CREDIT BE CARRIED FORWARD?

Credits granted may be carried forward; however, they may not be carried back or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits may be sold or assigned, and there are procedures for the transfer of unused credits by pass-through entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member or partner.

REPORTING (INCLUDING ACT 25-2021)

The Department of Community and Economic Development administers the credit, and is responsible for publishing a report on the program. The report is issued December 31 each year, and include the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with Act 25-2021.

AUTHORIZING LEGISLATION

Act 12-2004 created the credit.

KEYSTONE OPPORTUNITY ZONES

The Keystone Opportunity Zone (KOZ) program was established to spur the development of underutilized or deteriorated properties across the commonwealth. In defined, parcel-specific areas, the program allows businesses and residents to receive tax relief from various local and state taxes upon meeting certain requirements.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

An eligible business must be located or partially located within a subzone and engaged in the active conduct of a trade or business for the taxable year. The “active conduct of a trade or business” means a business: (1) engaged in a commercial enterprise conducted for profit earning “net profits” from the operation of the business within the subzone; and (2) employing at least one fulltime employee within the subzone. Activity from real estate investment trusts, venture capital funds, and hedge funds are not engaged in the active conduct of trade or business for the business.

Pennsylvania businesses relocating to a KOZ must either: Increase their full-time employment by 20% within the first full year of operation, or make a 10% capital investment in the KOZ property based on their prior year’s gross revenues.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The tax benefits provided by the program are designed to stimulate investment, economic growth, residential reinvestment, and employment in the commonwealth for development and revitalization.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

Among the state taxes waived by the program are Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Personal Income Tax, Bank Shares Tax, and Mutual Thrift Institutions Tax. Insurance companies and certain regulated transportation companies may earn tax credits based on the number of jobs created in a zone. Businesses operating in a zone are exempted from paying sales and use taxes on items purchased for consumption in a zone. At the local level, property, earned income, and various other taxes are waived for zone businesses and residents.

PARTICIPATION

The KOZ program has been expanded through the following legislation:

Act 217-2002 - designated 12 KOZs, each containing as many as 20 sub-zones; the program was enlarged in scope and length by the creation of Keystone Opportunity Expansion Zones (KOEZ) and Keystone Opportunity Improvement Zones (KOIZ).

Act 51-2003 - permitted KOZ and KOEZ subzones to enhance their size up to previously legislated limits and extended the application period for KOIZ subzones; also changed the relocation provisions governing businesses moving into a subzone.

Act 16-2012 - granted KOZs located in unoccupied parcels the option of extending their associated benefits for seven to ten years; permits DCED to designate up to 19 additional KOEZs; allows the expansion of an existing KOZ and KOEZ zone if the expansion is expected to increase job creation or capital investment.

Act 84-2016 - allows for the designation of 12 new KOEZs consisting of 375 acres each for a period of up to 10 years effective for January 1, 2017 to December 31, 2026; allows existing parcels to be extended up to 10 years for state tax benefits, if the applicant can meet job creation and capital investment requirements.

Act 53-2022 - permits qualified businesses that receive a 10 year extension of KOZ benefits to extend those benefits to affiliates located within the same zone.

REPORTING (INCLUDING ACT 25-2021)

DCED, in collaboration with state and local government, the Department of Revenue, and the Department of Labor and Industry administers the program. Under Act 25-2021, DCED is required to publish a report 45 days following the end of the program year.

AUTHORIZING LEGISLATION

Keystone Opportunity Zones were established by Act 92-1998.

KEYSTONE SPECIAL DEVELOPMENT ZONES

The Keystone Special Development Zones (KSDZ) Tax Credit is available to taxpayers with operations located on parcels of real property certified as Brownfields in order to foster redevelopment of these former industrial and commercial sites. Upon meeting certain requirements, approved business in the zone may be awarded \$2,100 per new job.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The KSDZ tax credit is available to taxpayers with operations located on parcels of real property certified as Brownfields pursuant to the Land Recycling and Environmental Remediation Standards Act. In order to be eligible to receive KSDZ tax credits, a KSDZ employer must employ one or more employees at a designated KSDZ site. To be eligible, the employee must be employed by a KSDZ employer, or its predecessor, after June 30, 2011, be employed for at least 35 hours per week by a KSDZ employer, and spend at least 90% of the time working at the KSDZ location. The KSDZ employer must agree to maintain operations related to the KSDZ tax credits in this commonwealth for 5 years from the date the company first submits a KSDZ tax credit certificate to the Department of Revenue.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

Pennsylvania continues to have a surplus of abandoned and deteriorated commercial and industrial sites in need of revitalization. The KSDZ program is an incentive-based tax credit program to foster redevelopment of these former industrial and commercial sites and encourage job growth.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The KSDZ tax credit may be used against Personal Income Tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank Shares Tax, Title Insurance Tax, and Mutual Thrift Tax. The tax credit may not exceed the qualified tax liability.

TAX CREDIT CALCULATION

The amount of tax credits the KSDZ employer may earn in a single tax year is \$2,100 for each full time equivalent employee (FTE) in excess of the number of FTEs employed by the KSDZ employer in Pennsylvania prior to January 1, 2012. Prior to Act 84-2016, the tax credit was available for ten consecutive tax years during the fifteen-year period the tax credit was to be in existence, ending June 30, 2026. Act 84-2016 extended the ending date to June 30, 2035.

TAX CREDIT CAP

The KSDZ tax credit program is not subject to an overall cap.

CAN THE CREDIT BE CARRIED FORWARD?

The tax credit may be carried forward for up to ten years.

CAN THE CREDIT BE SOLD/ASSIGNED?

Unused KSDZ credits may be sold or assigned to reduce a taxpayer's liability up to 75%. The purchaser or assignee of an unused KSDZ credit must use it in the year it was purchased or assigned.

REPORTING (INCLUDING ACT 25-2021)

The Department of Community and Economic Development administers the credit, and is responsible for publishing a report on the program. The report must be issued by August 15 each year, and include the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with Act 25-2021.

AUTHORIZING LEGISLATION

Act 26–2011 established the KSDZ program.

MALT BEVERAGE TAX CREDIT

The Malt Beverage Tax Credit may be awarded to a manufacturer of malt or brewed beverages for tax credits against the Malt Beverage Tax. The credit was formerly effective from January 1, 1974 to December 31, 2008 for small brewers with an annual production of 1,500,000 or less barrels per year. Reinstatement of the credit was effective beginning in fiscal year 2017-18 with the removal of the annual production cap.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

A taxpayer that is a manufacturer of malt or brewed beverages may submit an application for tax credits against the Malt Beverage Tax imposed under Article XX of the Tax Reform Code for investment in qualified capital expenditures placed into service in this commonwealth.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The program is designed to offset the cost of investment for manufacturing expenditures in the malt or brewed beverage industry.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

This credit may only be applied against Malt Beverage Tax liabilities.

TAX CREDIT CALCULATION

The amount of the tax credit is based on the equivalent cost of qualifying capital expenditures in the effective year of the program. Qualifying capital expenditures include plant, machinery, or equipment for use by the taxpayer in the manufacture and sale of malt or brewed beverages. Act 84-2016 sets the cap of the credit at \$200,000 of qualifying capital expenditures per entity.

TAX CREDIT CAP

The Department of Revenue may not approve greater than \$5 million of tax credits per fiscal year. If the total amount of tax credits applied for by all taxpayers exceeds the cap in a fiscal year, the tax credit to be received by each application shall be pro-rated.

CAN THE CREDIT BE CARRIED FORWARD?

Act 84-2016 allows the amount certified against any tax due in the calendar year in which the expenditures were incurred or against any tax becoming due from the taxpayer to be carried forward for up to three calendar years. No credit shall be allowed against any tax due for any taxable period ending after December 31, 2008, and beginning before July 1, 2017.

CAN THE CREDIT BE SOLD/ASSIGNED?

The credit cannot be sold or assigned to another entity.

REPORTING (INCLUDING ACT 25-2021)

Act 84-2016 names the Pennsylvania Department of Revenue as the reporting agency. Under Act 25-2021, the Department of Revenue is responsible for publishing a report detailing recipients and award amounts 45 days following the program year end.

AUTHORIZING LEGISLATION

The Malt Beverage Tax Credit was originally established by Act 82-1974, but expired in 2008. The credit was reauthorized by Act 84-2016.

MANUFACTURING AND INVESTMENT TAX CREDIT

The Manufacturing and Investment Tax Credit was created for the purpose of providing tax credits to taxpayers who increase their annual taxable payroll by \$1 million through the creation of new full-time jobs. The taxpayer must agree to retain the new jobs and the increase in payroll for at least five years from the start date.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Taxpayers that demonstrate the ability to increase their annual taxable payroll by a minimum of \$1 million through the creation of new full-time jobs which must be maintained for at least five years.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is designed to support job creation in the commonwealth.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The Manufacturing and Investment Tax Credit may be used against Personal Income Tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank Shares Tax, Title Insurance Company Premiums Tax, Insurance Premiums Tax, Gross Receipts Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The tax credit is equal to up to 5% of the taxpayer's increase in annual taxable payroll. The credit may be used to offset 100% of the entities liability or 100% of the shareholder, member or partner's liability if the entity is a pass-through entity.

TAX CREDIT CAP

The budget allocation is \$4 million a year beginning in fiscal year 2017-18.

CAN THE CREDIT BE CARRIED FORWARD?

The tax credit can be carried forward for 3 years, but may not be carried back or refunded. Credits can be transferred to pass-through entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member or partner.

CAN THE CREDIT BE SOLD/ASSIGNED?

An unused tax credit may be sold or assigned. A sold or assigned tax credit must be used by the purchaser or assignee in the tax year in which it was sold or assigned. The credit cannot be carried back, carried forward or refunded. A sold or assigned tax credit may only reduce a taxpayer's qualified liability by 50% in a given tax year.

REPORTING (INCLUDING ACT 25-2021)

In accordance with Act 25-2021, the Department of Community and Economic Development shall publish an annual report on its public website no later than 45 days after the end of the program year. The report shall include the name of each applicant receiving a credit, along with the amounts awarded, utilized, and sold or assigned.

AUTHORIZING LEGISLATION

Act 84-2016 created the Manufacturing and Investment Tax Credit.

MILITARY INSTALLATION REMEDIATION PROJECTS

The Military Installation Remediation Project (MIRP) is a tax incremental finance program designed to foster economic improvement and development within designated parcels to fund contaminant remediation in a municipality with a former military installation. Eligible taxes paid by a qualified business or individual are transferred from the general fund to the MIRP Fund for utilization by the Military Installation Remediation Authority.

WHO IS ELIGIBLE TO PARTICIPATE IN THE PROGRAM?

Qualified taxpayers must be located on parcels previously occupied by a qualified former military installation, which was previously used by a branch of the United States Armed Forces and was officially disestablished based on the recommendation of the Defense Base Closure and Realignment Commission no more than 15 years prior to the effective date of the authorizing legislation. Parcels previously used exclusively for housing are excluded.

Qualified taxpayers include: entities that conduct business, provide services and are located or partially located within the borders of the MIRP; any construction contractor engaged in construction, including infrastructure or site preparation, reconstruction or renovation of a facility located in or partially in the MIRP; and individuals whose primary residence is in a parcel designated within the borders of the MIRP.

WHAT ACTIVITY DOES THE PROGRAM SEEK TO PROMOTE?

The program seeks to promote business and economic development within the former military installation. State and local taxes collected from the MIRP will be used to fund projects for the migration of contamination from per- and polyfluoroalkyl substances (PFAS) in a qualified municipality.

WHAT COMMONWEALTH TAXES ARE ELIGIBLE FOR THE PROGRAM?

The eligible taxes include Corporate Net Income Tax, Bank Shares Tax, Sales and Use Tax, Employer Withholding, Realty Transfer Tax, and Personal Income Tax paid by shareholders, members or partners of Subchapter S corporations, limited liability companies, partnerships or amounts paid by sole proprietors on income other than passive activity income as defined under section 469 of the Internal Revenue Code of 1986.

REPORTING (INCLUDING ACT 25-2021)

All qualified taxpayers within designated parcels must complete an annual state tax report by September 1 each year so the Department of Revenue may certify state taxes to be transferred to the MIRP Fund for utilization by the Military Installation Remediation Authority. Reporting requirements for the MIRP fall outside the scope of Act 25-2021.

Any qualified taxpayer within the designated parcels that fails to file a complete report on a timely basis will be subject to a penalty of the lesser of \$1,000 or 10% of all eligible state taxes payable by the qualified taxpayer for activities in the MIRP during the previous calendar year.

AUTHORIZING LEGISLATION

The MIRP program was authorized by Act 101-2019.

MIXED-USE DEVELOPMENT TAX CREDIT

The Mixed-Use Development Tax Credit allows for the Pennsylvania Housing Finance Agency to sell tax credits to qualified purchasers. Proceeds are deposited in the Mixed-use Development Program Fund, which supports affordable housing and commercial corridor development.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Any natural person, business firm, corporation, business trust, limited liability company, partnership, limited liability partnership, association or any other form of legal business entity that is subject to eligible taxes and meets the criteria set forth in guidelines established by the Pennsylvania Housing Finance Authority regarding purchase of the credit is eligible.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit encourages increased funding of affordable housing and commercial corridor development opportunities in the commonwealth through the Pennsylvania Housing Finance Agency's (PHFA) Mixed-Use Development Program.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credits may be claimed by tax credit purchasers against Personal Income Tax (excluding employer withholding), Corporate Net Income Tax, Bank and Trust Company Shares Tax, Title Insurance Company Shares Tax, Insurance Premiums Tax, Gross Receipts Tax, or Mutual Thrift Institutions Tax.

TAX CREDIT CAP

The current fiscal year program cap is \$4.5 million, increased by Act 25-2021 from \$3 million.

CAN THE CREDIT BE CARRIED FORWARD?

Credits granted may be carried forward for up to seven taxable years; however, they may not be carried back or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits may be sold or assigned, and there are procedures for the transfer of unused credits by passthrough entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member or partner.

REPORTING (INCLUDING ACT 25-2021)

PHFA administers the program. PHFA, in consultation with the Department of Revenue, is responsible for publishing an annual report on the program each July 1. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with Act 25-2021.

AUTHORIZING LEGISLATION

The credit was created by Act 84-2016. The credit was first available in fiscal year 2017-18.

THE NEIGHBORHOOD ASSISTANCE PROGRAM

The Neighborhood Assistance Program was created to encourage business investment in projects which improve distressed areas. The amount of the credit is based on the contribution amount, the type of program to which the contribution was made, and the business type of the contributor.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Any business firm or private company or pass-through entity that engages in certain assistance programs in impoverished areas or makes qualified investments in designated enterprise zones may claim the Neighborhood Assistance Tax Credit.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit seeks to promote engagement in certain assistance programs in impoverished areas and qualified investments in designated enterprise zones.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credit may be applied against Personal Income Tax, Corporate Net Income Tax, Bank and Trust Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The amount of credit that may be awarded to a taxpayer is 55% of the amount contributed by a business firm, or 75% of the amount contributed to special program priorities defined by the Department of Community and Economic Development in regulations. For private companies, the amount is 25% of the amount of qualified investment, or 35% of the amount invested in special program priorities.

In addition, a credit equal to 75% of the contributions made by a business firm during a taxable year for comprehensive service projects with a five-year commitment may be awarded. A credit equal to 80% of the contributions made by a business firm during a taxable year for comprehensive service projects with a six-year commitment may be awarded.

The amount of the credits awarded annually cannot exceed \$500,000 for contributions or investments for single projects or \$1,250,000 for contributions or investments for four projects.

TAX CREDIT CAP

The total amount of Neighborhood Assistance tax credits awarded to taxpayers cannot exceed \$36 million in the aggregate in a fiscal year, with \$2 million allocated exclusively to pass-through entities. However, if the pass-through entities do not claim the \$2 million, the unused portion is available for other taxpayers. Per Act 13-2019 no more than \$2 million of the total aggregate amount of tax credits available may be used towards youth and adolescent development services.

Credit caps by fiscal year are as follows (millions):

FISCAL YEAR	CAP
1994-95	\$14.75
1995-96 to 1996-97	\$16.75
1997-98 to 2008-09	\$18.0
2009-10	\$9.0
2010-11	\$9.9
2011-12 to 2018-19	\$18.0
2019-20 and after	\$36.0

Cap history reflects the present Neighborhood Assistance Program only established by Act 48-1994.

THE NEIGHBORHOOD ASSISTANCE PROGRAM

CONTINUED

CAN THE CREDIT BE CARRIED FORWARD?

If the tax credit is not used in the period the investment was made, it may be carried over for five succeeding calendar or fiscal years.

CAN THE CREDIT BE SOLD/ASSIGNED?

Act 55-2007 allowed for the sale of unused tax credits, subject to a one-year holding period. Purchased tax credits must be used in the taxable year in which they were purchased and may not be carried back, carried forward, refunded or sold.

REPORTING (INCLUDING ACT 25-2021)

DCED shall provide a report listing all applications received and their disposition in each fiscal year to the General Assembly by October 1 of the following fiscal year. In accordance with Act 25-2021, an annual report shall also be published on the department's public website and shall include the name of each applicant receiving a credit, along with the amounts awarded, utilized, and sold or assigned.

Act 100-2018 provided that within 12 months and each 5 years thereafter, DCED shall issue a report including a funding evaluation of the neighborhood assistance program and recommendations for the tax credit. The report shall be submitted to the Finance Committees of the Senate and the House of Representatives.

AUTHORIZING LEGISLATION

Act 48-1994 established the Neighborhood Assistance Program.

NEIGHBORHOOD IMPROVEMENT ZONE PROGRAM

The Neighborhood Improvement Zone (NIZ) program directs state and local taxes collected from businesses within the NIZ to repay debt service and bonds issued by the Allentown Neighborhood Improvement Zone Development Authority in order to encourage development and revitalization in downtown Allentown. Businesses within the NIZ are subject to special reporting and filing requirements.

WHO IS ELIGIBLE TO PARTICIPATE IN THE PROGRAM?

Businesses located within the NIZ, which consists of approximately 128 acres in downtown Allentown and along the western side of the Lehigh River, are eligible to participate.

WHAT ACTIVITY DOES THE PROGRAM SEEK TO PROMOTE?

The NIZ program seeks to promote business and economic development within the zone. State and local taxes collected from the NIZ is used to repay debt service and bonds issued by the Allentown Neighborhood Improvement Zone Development Authority to fund various economic development projects within the zone.

WHAT COMMONWEALTH TAXES ARE ELIGIBLE FOR THE PROGRAM?

The eligible taxes include Corporate Net Income Tax, Bank Shares Tax, Sales, Use and Hotel Occupancy Tax, Employer Withholding, Gross Receipts Tax, Unemployment Compensation, Realty Transfer Tax, Cigarette Tax, Vehicle Rental Tax, Transportation Assistance, Gross Premiums Tax, Malt/Brewed Beverage Tax, Liquor and Wine Taxes, and Personal Income Tax paid by shareholders.

PARTICIPATION

All potential NIZ projects must be geographically located within the NIZ zone and must go through a pre-qualification, application, and if approved, closing process.

Act 43-2017 allowed the contracting authority to transfer parcels out of the zone and replace them with parcels not to exceed the acreage transferred out. The Department of Revenue and municipality must certify that there is no activity in the parcels being transferred that generates tax receipts or other revenue. The amendment was effective one year after passage.

Act 42-2018 added a definition for “entertainment business financial management firm” to enable the contracting authority to identify the responsible party required to fulfill reporting compliance on behalf of a qualified business for concerts or other performances in a facility in the zone, effective immediately.

REPORTING (INCLUDING ACT 25-2021)

The Department of Community and Economic Development administers the program, and is responsible for publishing a report on the program each December 15. This is continued under Act 25-2021.

All businesses within the NIZ must complete an annual state tax report by January 31st each year so the Department of Revenue may certify state taxes to be transferred to the NIZ Fund established for the redevelopment project.

Any business within the NIZ that fails to file a complete report on a timely basis will be subject to a penalty of the greater of \$1,000 or 10% of all eligible state taxes payable by the business for activities in the NIZ during the previous calendar year.

Act 84-2016 made several changes to the program, including providing for new and expanded penalty provisions, changes to the acceptance of late reports within the program reconciliation, and an annual program audit by an independent auditing firm.

AUTHORIZING LEGISLATION

Act 50-2009 created the Neighborhood Improvement Zone (NIZ) program.

ORGAN AND BONE MARROW DONOR TAX CREDIT

The Organ and Bone Marrow Donor Tax Credit was established to promote living organ and bone marrow donation. The tax credit is available to firms that provide a paid leave of absence to an employee for the purpose of living organ or bone marrow donation. The qualifying leave of absence period per employee cannot exceed five days. The tax credit amount is equal to the amount of employee compensation paid during the leave of absence period, the cost of temporary replacement help, if any, during the leave of absence period, and any miscellaneous expenses.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The Organ and Bone Marrow Donor Tax Credit provides a tax credit for expenses incurred when a business firm grants to any of its employees a paid leave of absence for the purpose of donating an organ or bone marrow.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit seeks to promote bone marrow and organ donation from living donors by providing a means by which donors may be able to donate without risk of loss of income or employment.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

Credits can be used against Personal Income Tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank and Trust Company Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, and Mutual Thrift Institutions Tax. Credits cannot be applied against employer withholding tax under Article III. The credit against personal income tax may be passed through proportionately to the shareholders of S corporations, members of limited liability companies, or partners.

TAX CREDIT CALCULATION

The credit amount is equal to the amount of employee compensation paid during the leave of absence period (which is not to exceed five days or the hourly equivalent), the cost of temporary replacement help during the period, and any authorized miscellaneous expenses incurred in connection to the period. The credit is subject to apportionment based on Pennsylvania payroll.

TAX CREDIT CAP

There is no overall cap to the credit.

CAN THE CREDIT BE CARRIED FORWARD?

Unused credits can be carried forward for three taxable years. Credits may not be carried back and are not refundable.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits cannot be transferred.

REPORTING (INCLUDING ACT 25-2021)

Within five months of the close of the calendar year, the Department of Revenue shall provide a report to the General Assembly with details of employers using the credit and the amount of credits granted to those employers.

AUTHORIZING LEGISLATION

Act 193-2014 reestablished the Organ and Bone Marrow Donor Tax Credit.

PA ECONOMIC DEVELOPMENT FOR A GROWING ECONOMY TAX CREDITS

PENNSYLVANIA MILK PROCESSING TAX CREDIT

The Pennsylvania Milk Processing Tax Credit is available to entities that purchase milk produced in this Commonwealth for processing at a project facility that is placed in service by the entity and is within this Commonwealth. The qualified entities must meet capital investment and job creation goals to qualify for the credit. The tax credit shall apply to the purchase and processing of milk produced in this Commonwealth for a period of 8 years from the date the first project facility is placed into service.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Taxpayers who qualify for the credit are entities that purchase milk produced exclusively in this Commonwealth for processing at a project facility. The capital investment for the project facility must be \$500 million and create at least 1,200 new and permanent jobs which pay at least the prevailing minimum wage and benefits for that job type. A qualified taxpayer must also demonstrate a good faith effort to recruit from the local labor market and to encourage contractors to do the same.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is intended to promote additional economic development by providing an incentive for the milk processing industry to locate new facilities within the Commonwealth.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credit may be used against Personal Income Tax, Corporate Net Income Tax, Bank and Trust Company Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, Gross Receipts Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The qualified entities must meet capital investment and job creation goals to qualify. The credit applies for 5 years from the date the first project facility is placed into service.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Taxpayers who qualify for the credit are entities that conduct semiconductor manufacturing, biomedical manufacturing, or biomedical research in this state at a project facility. The capital investment for the project facility must be \$200 million and create at least 800 new and permanent jobs which pay at least the prevailing minimum wage and benefits for that job type. Taxpayers must also demonstrate a good faith effort to recruit from the local labor market, and to encourage contractors to do the same.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is intended to promote additional economic development by providing an incentive for semiconductor manufacturing, biomedical manufacturing, or biomedical research industries to locate new facilities within the commonwealth.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credit may be used against Personal Income Tax, Corporate Net Income Tax, Bank and Trust Company Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, Gross Receipts Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The credit is earned via 2.5% of initial capital investment and/or 100% of Personal Income Tax withholdings, or \$20,000 per job, whichever is less. A taxpayer may use this credit to reduce their tax liability by a maximum of 20% for any tax year in which it is awarded.

The total aggregate amount of tax credits awarded to a qualified taxpayer may not exceed 25% of the capital investment made to construct a project facility and place that facility into service.

TAX CREDIT CAP

The annual cap for qualified taxpayers engaged in semiconductor manufacturing is \$10 million; the annual cap for qualified taxpayers engaged in biomedical manufacturing or biomedical research is \$10 million.

The maximum amount of credits that can be awarded over the life of the program is \$100 million.

CAN THE CREDIT BE TRANSFERRED OR CARRIED FORWARD?

The SMBMR tax credit may not be carried back, carried forward, or refunded.

If a qualified taxpayer holds a tax credit through the end of the calendar year in which the credit was awarded, the qualified taxpayer may sell or assign the tax credit, in whole or in part, provided the sale is effective by the close of the following calendar year.

REPORTING (INCLUDING ACT 25-2021)

The program will be administered by the Department of Revenue. No later than the year after which tax credits are first awarded, and each October 1 thereafter, the Department of Revenue shall submit a report to the general assembly summarizing the effectiveness of the tax credit.

AUTHORIZING LEGISLATION

The credit was authorized by Act 108 of 2022.

PA ECONOMIC DEVELOPMENT FOR A GROWING ECONOMY TAX CREDITS

REGIONAL CLEAN HYDROGEN HUB TAX CREDIT

The Regional Clean Hydrogen Hub Tax Credit is available to qualified taxpayers that own and operate facilities within a designated clean hydrogen hub and utilize raw materials produced in the commonwealth. Taxpayers must meet capital investment and job creation goals to qualify for the credit. The tax credit shall apply to the purchase of clean hydrogen for the 20-year period beginning January 1, 2024, and ending December 31, 2043.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Qualified taxpayers are those that own and operate a project facility within a regional clean hydrogen hub, as designated by the United States Department of Energy. They must also make a minimum \$500 million investment in the facility, create at least 1,200 new jobs at the prevailing minimum wage, and comply with the Steel Products Procurement Act. Qualified taxpayers have also entered into a legal commitment to purchase clean hydrogen from a regional clean hydrogen hub within the commonwealth.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is intended to promote additional economic growth and job creation related to the commonwealth's natural gas boom, by incentivizing investment in manufacturing which utilizes natural gas and natural gas derived (blue) hydrogen as a raw material.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The Regional Clean Hydrogen Hub credit can be used against Personal Income Tax, Corporate Net Income Tax, Bank Shares Tax, Title Insurance Company Premiums Tax, Insurance Premiums Tax and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The credit is valued on a per unit basis for both hydrogen and natural gas used in manufacturing at a project facility. Credits are issued in the amount of \$0.81 per kilogram of clean hydrogen and \$0.47 per thousand cubic feet of natural gas.

For individual taxpayers, credit usage is capped at 20% of their tax liability per tax year, and aggregate credits cannot exceed 50% of the qualified capital investment. A sold or assigned tax credit may only reduce a taxpayer's liability by 50% in a given tax year.

TAX CREDIT CAP

The credit is capped at \$50 million per fiscal year. The first taxpayer to qualify for the credit shall receive up to \$50 million per fiscal year, with the remainder available for the next taxpayer to qualify. Taxpayers who qualify for other credits under the PA EDGE program (e.g. the Local Resource Manufacturing credit) are not eligible to receive this credit.

CAN THE CREDIT BE CARRIED FORWARD?

The Regional Clean Hydrogen Hub tax credit may not be carried back, carried forward, or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

An unused tax credit may be sold or assigned. A sold or assigned tax credit must be used by the purchaser or assignee in the tax year in which it was sold or assigned. The credit cannot be re-sold, carried back, carried forward or refunded.

REPORTING (INCLUDING ACT 25-2021)

The Department of Revenue is required to provide a report within one year of when the first credits are awarded, and each October 1 thereafter. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with Act 53-2021. The report includes new and permanent jobs created, by facility location.

AUTHORIZING LEGISLATION

The credit was authorized by Act 108 of 2022.

PA ECONOMIC DEVELOPMENT FOR A GROWING ECONOMY TAX CREDITS

LOCAL RESOURCE MANUFACTURING TAX CREDIT

The Local Resource Manufacturing Tax Credit is available to qualified manufacturers of chemical and fertilizer products that utilize natural gas produced in the commonwealth as a material input. The manufacturers must meet capital investment and job creation goals to qualify for the credit. The tax credit shall apply to purchases of dry natural gas for the period beginning January 1, 2024, and ending December 31, 2049.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Qualified taxpayers must use natural gas produced in the commonwealth as a raw material in the manufacture of petrochemicals or fertilizers at a facility placed in service after September 21, 2020. Capital investment for this facility must exceed \$400 million, and create at least 800 new and permanent jobs that pay at least the prevailing minimum wage and benefits for that job type. Qualified taxpayers must demonstrate a good faith effort to recruit in the local labor market, and to encourage contractors to do the same.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is intended to promote additional economic growth and job creation related to the commonwealth's natural gas boom, by incentivizing investment in manufacturing which utilizes natural gas as a raw material.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credit may be used against Personal Income Tax, Corporate Net Income Tax, Bank Shares Tax, Title Insurance Company Premiums Tax, Insurance Premiums Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The credit is awarded at \$0.47 per thousand cubic feet of natural gas produced in the commonwealth, that is then used in the manufacturing of petrochemicals or fertilizers at the facility. A taxpayer may use this credit to reduce their tax liability by a maximum of 20% for any tax year in which it is awarded.

Two taxpayers per year may receive up to \$6,666,667 in credits. One additional taxpayer may receive the remainder of the total credit cap, if they meet additional job and investment requirements.

TAX CREDIT CAP

The maximum credit that can be awarded is \$56,666,668 per fiscal year.

CAN THE CREDIT BE CARRIED FORWARD?

The Local Resource Manufacturing tax credit may not be carried back, carried forward, or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Within one year after the Local Resource Manufacturing credit is approved, a taxpayer can apply to DCED for approval to assign or sell eligible credits to another taxpayer. The eligible buyer of the credit may use the purchased credits to offset up to 50% of its Pennsylvania tax liabilities. The credit can be assigned to related entities.

REPORTING (INCLUDING ACT 25-2021)

The Department of Revenue is required to provide a report on June 15 of each year. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with the requirements of Act 25-2021.

AUTHORIZING LEGISLATION

The credit was created by Act 66 of 2020.

PENNSYLVANIA HOUSING TAX CREDIT

The Pennsylvania Housing Tax Credit (PHTC) is available to entities that develop or preserve affordable rental housing. For purposes of allocating the PHTC, qualified low-income housing projects should also be eligible for and receive an award of either 4% or 9% federal Low-Income Housing Tax Credits (LIHTCs).

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Businesses engaged in the development or preservation of affordable rental housing who are also eligible for, and receive an award of either 4% or 9% federal LIHTCs are eligible for the PHTC. The application and administrative review process for PHTC will be handled consistent with the procedures and process for the federal 4% and 9% LIHTC program.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The PHTC was established to encourage the development of qualified low-income rental housing projects in the state.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

A tax credit may be applied against Personal Income Tax, excluding any tax withheld by an employer, Corporate Net Income Tax, Bank and Trust company Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, Gross Receipts Tax, or Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

PHFA will determine the amount of tax credits conditionally reserved to a taxpayer based on the merits of the qualified low-income housing project and gross construction costs of the project's affordable units. At least 10% of the tax credits should be reserved for projects providing housing units targeted at household with incomes at or below 30% of the area median income. Use of the credit may not exceed 50% of the qualified tax liability for the taxable year. Individual awards are capped at \$1.5 million.

TAX CREDIT CAP

The current fiscal year cap for the program is \$10 million.

CAN THE CREDIT BE CARRIED FORWARD?

The tax credit may be carried forward for not more than five taxable years following the first taxable year for which the credit was approved. The tax credit may not be carried back or be used to obtain a refund.

CAN THE CREDIT BE SOLD/ASSIGNED?

Approved tax credits must first be applied against the taxpayer's own tax liability. Pass-through entities may elect to pass through all or part of the credit to the shareholders, members, or partners. The taxpayer, upon application to and approval by the Department of Revenue, may sell or assign unused credits. The recipient must claim the credit in the taxable year in which the purchase or assignment is made. The recipient may carry forward the credit for the remainder of the effective period of the credit until the expiration date on the original credit certificate issued to the taxpayer awarded PHTCs.

REPORTING (INCLUDING ACT 25-2021)

The Pennsylvania Finance Housing Agency (PHFA) administers the program. PHFA is also responsible for publishing a report on the program by October 1 each year. These requirements are continued under Act 25 of 2021.

AUTHORIZING LEGISLATION

The credit was created by Act 107-2020.

PENNSYLVANIA RESOURCE MANUFACTURING TAX CREDIT

The Pennsylvania Resource Manufacturing (PRM) Tax Credit allows qualified manufacturers of ethylene-based products to take a credit relative to their purchase of hydrocarbon inputs. The tax credit shall apply to purchases of ethane for the period from January 1, 2017 to December 31, 2042.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The PRM tax credit is available to business entities purchasing ethane for use in manufacturing ethylene at a facility in the commonwealth that has made a capital investment of at least \$1 billion and created at least 2,500 full-time equivalent jobs during the construction phase.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is intended to promote additional economic growth and job creation related to the commonwealth's natural gas boom, by incentivizing investment in manufacturing which utilizes natural gas as a raw material.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credit may be used to offset a taxpayer's liabilities for Personal Income tax, Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, Bank Shares Tax, Title insurance Company Shares Tax, Insurance Premiums Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The PRM tax credit is equal to \$0.05 per gallon of ethane purchased (\$2.10/barrel) for the period from January 1, 2017 to December 31, 2042. A taxpayer may use this credit to reduce their tax liability by a maximum of 20% for any tax year in which it is awarded.

TAX CREDIT CAP

The credit does not have an annual cap.

CAN THE CREDIT BE CARRIED FORWARD?

The PRM tax credit may not be carried back, carried forward, or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Within one year after the PRM credit is approved, a taxpayer can apply to DCED for approval to assign or sell eligible credits to another taxpayer. The eligible buyer of the credit may use the purchased credits to offset up to 50% of its Pennsylvania tax liabilities. The credit can be assigned to related entities.

REPORTING (INCLUDING ACT 25-2021)

The Department of Revenue is required to provide a report by April 15 of each year. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer, in accordance with the requirements of Act 25-2021.

AUTHORIZING LEGISLATION

The credit was created by Act 85 of 2012.

QUALIFIED MANUFACTURING INNOVATION & REINVESTMENT DEDUCTION

The Qualified Manufacturing Innovation & Reinvestment Deduction allows a qualified manufacturing business a deduction from their taxable income under the Corporate Net Income Tax, relative to investments in manufacturing capacity. Investments must exceed \$60 million in private capital, which is put towards new or refurbished manufacturing capacity.

WHO IS ELIGIBLE TO RECEIVE THE DEDUCTION?

The deduction is available to taxpayers engaged in manufacturing directly utilizing a workforce, and who are subject to the Corporate Net Income Tax. These firms must be able to demonstrate a new private capital investment of \$60 million or more in the creation of new or refurbished manufacturing capacity within 3 years of a designated project start date.

WHAT ACTIVITY DOES THE DEDUCTION SEEK TO PROMOTE?

The deduction was established to encourage new investment in manufacturing capacity in the commonwealth, which will facilitate new job creation.

WHAT TAXES CAN THE DEDUCTION BE APPLIED AGAINST?

The deduction only applies to the Corporate Net Income Tax. Qualified manufacturers may take the deduction against Pennsylvania taxable income.

DEDUCTION CALCULATION AND LIMITATIONS

The Qualified Manufacturing Innovation & Reinvestment Deduction is applied to the taxable income of a taxpayer, following the allocation and apportionment of income, applicable to tax years beginning after December 31, 2020.

For manufacturers that invest \$100 million or less, the maximum deduction over ten tax years will be equal to 37.5% of the private capital investment utilized in the creation of new or refurbished manufacturing capacity. The maximum deduction allowed in any single tax year will be 7.5%.

For manufacturers that invest more than \$100 million, the maximum deduction over ten tax years will be equal to 25% of the private capital investment utilized in the creation of new or refurbished manufacturing capacity. The maximum deduction allowed in any single tax year will be 5%.

A business cannot use the deduction to reduce its tax liability by more than 50% of their Corporate Net Income tax liability.

CAN THE DEDUCTION BE TRANSFERRED OR CARRIED FORWARD?

The deduction is non-transferrable. Any unused portion in a tax year shall expire at the end of the corresponding tax year.

REPORTING (INCLUDING ACT 25-2021)

The program will be jointly administered by the Department of Community and Economic Development and the Department of Revenue. A report on the program will be published by DCED by February 14 each year, in accordance with the requirements of Act 25-2021.

AUTHORIZING LEGISLATION

The deduction was authorized by Act 43 of 2017.

RESEARCH AND DEVELOPMENT TAX CREDIT

A Research and Development Tax Credit is available for qualified research performed in Pennsylvania. The current cap is \$55M, with \$11M of that amount set aside for small businesses. If the tentative award amounts exceed the caps, the awards are prorated down to the cap levels.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Any company that performs research and development (R&D) in Pennsylvania could receive this tax credit. The tax credit has a small business set aside, where small business is defined as a "for-profit corporation, limited liability company, partnership, or proprietorship with net book value of assets totaling...less than five million dollars."

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The intent of the credit is to encourage R&D expenditures within the commonwealth in order to enhance economic growth.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The R&D tax credit can be applied to Corporate Net Income Tax, Capital Stock and Franchise Tax, and Personal Income Tax. For tax years 2004 and prior, the credit could not exceed 50% of qualified tax liabilities. Act 46-2003 removed this restriction.

TAX CREDIT CALCULATION

Initially, the credit is equal to 10% of the increase in Pennsylvania research activities over a base period. For small businesses, the tentative credit is equal to 20% of the increase. If aggregate tentative award amounts exceed the caps, credit awards are prorated down to the cap levels.

TAX CREDIT CAP (\$M)

AWARD YEARS	TOTAL CAP	SMALL CAP	NON-SMALL CAP	LEGISLATION
1997 to 2003	\$15.0	\$3.0	\$12.0	Act 7-1997
2004 and 2005	\$30.0	\$6.0	\$24.0	Act 46-2003
2006 to 2008	\$40.0	\$8.0	\$32.0	Act 116-2006

2022 and beyond	\$60.0	\$12.0	\$48.0	Act 53-2022

The R&D tax credit was to sunset on December 31, 2015. Act 84-2016 repealed this provision.

CAN THE CREDIT BE CARRIED FORWARD?

Unused credits may be carried forward 15 taxable years.

CAN THE CREDIT BE SOLD/ASSIGNED?

With the passage of Act 46-2003, taxpayers can apply to the Department of Community and Economic Development to sell or assign an unused tax credit after one year from the date the department approved the credit. The purchaser or assignee must use the credit in the taxable year in which the purchase or assignment is made and the credit cannot exceed 75% of the tax liability for the taxable year. The purchaser may not carry credits forward or back or obtain a refund of any unused credit. This change applied to credits awarded in 2003 and later.

RESEARCH AND DEVELOPMENT TAX CREDIT

CONTINUED

REPORTING (INCLUDING ACT 25-2021)

The Department of Revenue is required to provide a report by October 1 of each year. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer and any purchasers, in accordance with the requirements of Act 25-2021.

AUTHORIZING LEGISLATION

The credit was created by Act 7 of 1997, and renewed by Act 84 of 2016.

RESOURCE ENHANCEMENT AND PROTECTION TAX CREDIT

The Resource Enhancement and Protection (REAP) Tax Credit is available to business entities or individuals that engage in certain agricultural programs that manage nutrients and sediment and protect surface water and groundwater. Depending on the type of development, a taxpayer may receive a credit of up to 75% of cost of a project; a maximum of \$250,000 in tax credits may be awarded per eligible applicant.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

These credits can be awarded to eligible resource enhancement and protection projects, applicants, or sponsors of eligible projects. Awardees may be business entities or individuals.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit encourages the development of riparian forest buffers and the remediation of legacy sediment on commonwealth farmland.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The REAP tax credit may be used against Personal Income Tax, Corporate Net income Tax, Bank and Trust Company Shares Tax, Title Insurance Company Shares Tax, Insurance Premiums Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

Dependent on the type of project, a tax credit in the amount of 75% of the eligible project or 50% of the project costs may be awarded up to a maximum amount of \$250,000 for each eligible applicant or project. There is no limitation on the amount of credit that can be awarded to a sponsor of the project.

TAX CREDIT CAP

The current program cap is \$13 million. Act 13-2019 increased the cap from the previous \$10 million and dedicated \$3 million in credits to projects in the Chesapeake Bay watershed.

CAN THE CREDIT BE CARRIED FORWARD?

Credits granted may be carried forward; however, they may not be carried back or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

There are procedures for the sale and assignment of the credit as well as for pass-through entities to transfer tax credits to their shareholders, partners or members.

REPORTING (INCLUDING ACT 25-2021)

The State Conservation Commission of the Department of Agriculture administers the program. The Commission is also responsible, in consultation with the Department of Revenue, for publishing an annual report on the program within a year of when the credits were granted. In addition to the reporting mandates under Act 25-2021, the Commission's report is required to include the following: (1) the number of projects and the dollar amount of tax credits granted under the program in the aggregate, by best management practice and per project; (2) the types, locations and costs of projects; and (3) the estimated benefits of the projects, including pollution reduction.

AUTHORIZING LEGISLATION

The credit was created by Act 55–2007. The credit took effect in fiscal year 2007-08 except that credits for legacy sediment could not be issued prior to July 1, 2008.

RURAL JOBS AND INVESTMENT TAX CREDIT

The Rural Jobs and Investment Tax Credit is an investment tool designed to offer rural business owners access to capital for business development in rural areas. The capital is sourced to Rural Growth Funds, designated to receive up to \$50 million dollars in capital contributions from investors. The state is using this investment tool to attract and retain rural businesses, create family sustaining jobs, and to stimulate economic growth in rural businesses. Six million in aggregate tax credits may be awarded per year over five years in the program.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Recipients must be a licensed rural business investment company under the Consolidated Farm and Rural Development Act or a small business investment company under the Small Business Investment Act. Entities must have previously invested at least \$100 million in nonpublic companies located in rural areas of the commonwealth or other states.

Business firms that make a credit-eligible capital contribution to a designated Rural Growth Fund are eligible to receive a tax credit equal to the credit-eligible capital contribution. Prior to Act 13-2019, eligible business firms could be approved for up to a 90% equivalent tax credit per contributed dollar.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit is designed to stimulate growth and job creation in rural areas by providing access to capital to rural businesses from businesses supporting Rural Growth Funds.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The Rural Jobs and Investment Tax Credit may be used against the Bank and Trust Company Shares Tax, Title Insurance Company Shares Tax, Insurance Premiums Tax, Mutual Thrift Institutions Tax, Surplus Lines Tax, and Retaliatory Tax.

TAX CREDIT CALCULATION

The credit is equal to the credit-eligible capital contribution.

TAX CREDIT CAP

The budget allocation was \$1 million a year beginning in the fiscal year 2017-18, and was not to exceed \$4 million for the duration of the program. Act 13-2019 provides that beginning fiscal year 2019-20, the fiscal year cap is \$6 million and the aggregate award cap is \$30 million.

CAN THE CREDIT BE CARRIED FORWARD?

The tax credit can be carried forward for 5 years, but may not be carried back or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits can only be sold to affiliated companies, which may reduce their qualified liability by 100% in a given tax year.

REPORTING (INCLUDING ACT 25-2021)

The Department of Community and Economic Development shall provide a report listing all applications received and their disposition in each fiscal year to the General Assembly by October 1 of the following fiscal year. In accordance with Act 25-2021, an annual report shall also be published on the department's public website and shall include the name of each applicant receiving a credit, along with the amounts awarded, utilized, and sold or assigned.

AUTHORIZING LEGISLATION

Act 84-2016 created the Rural Jobs and Investment Tax Credit.

STRATEGIC DEVELOPMENT AREAS

The Strategic Development Areas (SDA) program was established to provide tax incentives to spur economic development in designated areas. The designation is in effect for fifteen years and must be approved by the political subdivision in which the SDA is located. Businesses that meet certain job creation or capital investment requirements may receive tax relief from various local and state taxes.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

Business must own or lease real property in a strategic development area on which the business actively conducts a trade, profession, or business involving energy, bioscience, or manufacturing, or a related activity, and meet one of the following criteria: (1) Create or maintain a minimum of 500 jobs within the first three years of full operation within the strategic development area; or (2) Invest a minimum of \$45,000,000 in capital investment in the property located in the strategic development area within the first three years of full operation.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The intent of the SDA program is to provide tax incentives for economic development in designated areas and spawn economic growth within that community.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

Businesses located within the SDA are eligible to receive tax relief from various local and state taxes, including the Corporate Net Income Tax, Capital Stock and Foreign Franchise Tax, and the Personal Income Tax. In addition, sales at retail of services or tangible personal property, other than motor vehicles, to a qualified business for use at its facility located within a strategic development area are exempt from the Sales and Use tax. Insurance companies and certain regulated transportation companies may earn tax credits based on the number of jobs created in a zone. At the local level, property taxes, earned income and net profit taxes, mercantile license tax, and the local sales and use tax are waived for area businesses.

TAX CREDIT CAP (\$M)

Generally, SDA credits or exemptions are limited to an entity's tax liability. However, credits awarded to insurance companies for job creation may not exceed \$1 million in the aggregate or 50% of the taxpayer's liability. Tax benefits may not extend past December 31, 2022.

CAN THE CREDIT BE CARRIED FORWARD?

Unused credits may not be carried forward.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits, deductions, and exemptions cannot be sold or reassigned.

REPORTING (INCLUDING ACT 25-2021)

Every strategic development area must submit to DCED an annual report by January 31 of each calendar year of all real property located in a designated strategic development area and the owners and addresses of that real property at any time during the preceding year. The SDA program is also covered under the reporting requirements of Act 25-2021.

AUTHORIZING LEGISLATION

SDAs were created by Act 151-2006.

TAX CREDIT FOR NEW JOBS

The Tax Credit for New Jobs was available to an employer creating at least 25 new full-time equivalent jobs or increasing their workforce by 20% or more within three years from a given start date. Under Act 13 of 2019, applications for the credit were not to be approved after June 30, 2020. However, unissued amounts from earlier fiscal years may be awarded for applications approved prior to the expiration date of the credit.

WHO WAS ELIGIBLE TO PARTICIPATE IN THE PROGRAM?

The credit was available to an employer creating at least 25 new full-time equivalent jobs or increasing their workforce by 20% or more within three years from a given start date.

WHAT ACTIVITY DID THE PROGRAM SEEK TO PROMOTE?

The program encouraged job creation and preservation in the commonwealth.

WHAT TAXES WERE ELIGIBLE?

The tax credit may be applied to Personal Income Tax, Corporate Net Income Tax, Bank and Trust Company Shares Tax, Title Insurance Companies Shares Tax, Insurance Premiums Tax, Gross Receipts Tax, and Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

The tax credit was \$1,000 per job for each year in the approved term. Act 84 of 2016 provided a \$2,500 per job credit for every veteran hired.

PROGRAM CAP

The program cap was \$10.1 million.

REPORTING (INCLUDING ACT 25-2021)

The program is administered by the Department of Community and Economic Development and the Department of Revenue. No report was statutorily required to be published.

AUTHORIZING LEGISLATION

The credit was authorized under Article XVIII-B of the Tax Reform Code of 1971 (P.L. 6, No. 2), as amended.

WATERFRONT DEVELOPMENT TAX CREDIT

The Waterfront Development Tax Credit is available to business firms donating cash or property to a waterfront development organization to fund a waterfront development project. The credit is limited to 75% of the total contribution made by the business firm during the taxable year.

WHO IS ELIGIBLE TO RECEIVE THE CREDIT?

The credit may be claimed by qualified business firms subject to various state taxes, that have made a contribution to a waterfront development organization to fund a waterfront development project.

WHAT ACTIVITY DOES THE CREDIT SEEK TO PROMOTE?

The credit seeks to promote development of the commonwealth's waterfronts.

WHAT TAXES CAN THE CREDIT BE APPLIED AGAINST?

The credit may be claimed by qualified business firms subject to Personal Income Tax, Corporate Net Income Tax, Bank and Trust Company Shares, Title Insurance Company Shares, Insurance Premiums Tax (including surplus lines), or Mutual Thrift Institutions Tax.

TAX CREDIT CALCULATION

Tax credits are valued at up to 75% of a business' qualified contribution in a taxable year.

TAX CREDIT CAP

The current fiscal year cap for the program is \$5 million.

CAN THE CREDIT BE CARRIED FORWARD?

Credits granted may be carried forward; however, they may not be carried back or refunded.

CAN THE CREDIT BE SOLD/ASSIGNED?

Credits may be sold or assigned, and there are procedures for the transfer of unused credits by pass-through entities (Subchapter S corporations, Limited Liability Companies, and Partnerships) to a shareholder, member or partner. Particularly, a pass-through entity and a shareholder, member or partner of a pass-through entity may not claim a credit under this article for the same waterfront development project.

REPORTING (INCLUDING ACT 25-2021)

DCED administers the program, and is also responsible for publishing a report on the program by October 1 each year. The report includes the names of taxpayers utilizing the credit, along with the amounts approved, utilized, and sold or assigned by that taxpayer and any purchasers, in accordance with the requirements of Act 25-2021.

AUTHORIZING LEGISLATION

The credit was created by Act 84-2016.

MOTOR LICENSE FUND

The Motor License Fund receives monies from liquid fuels taxes, motor vehicle licenses and fees, aviation revenues, federal aid for highway and aviation purposes, contributions from local subdivisions for highway projects, fines, and other miscellaneous highway revenues.

The fund provides revenues for highway and bridge improvement, design and maintenance, purchase of rights-of-way, aviation activities, administration costs, and the Department of Transportation licensing and safety activities. It also finances State Police highway patrol operations, pays subsidies to local subdivisions for the construction and maintenance of roads, and funds other operations.

OIL COMPANY FRANCHISE TAX

The Oil Company Franchise Tax is imposed on all sales of taxable liquid fuels and fuels. The tax is imposed on a cents-per-gallon equivalent basis and is remitted by distributors of liquid fuels and fuels.

ENTITIES SUBJECT TO THE TAX

The tax is imposed upon sales by distributors, who collect and remit the tax to the commonwealth; however, the tax is ultimately borne by the consumer.

TAX BASE

Prior to October 1, 1997, the tax was imposed on the first sale of petroleum products in Pennsylvania used to fuel motor vehicles for public highway use. Beginning October 1, 1997, the tax is imposed on a cents-per-gallon equivalent basis applied to distributors selling taxable liquid fuels and fuels within the commonwealth.

Exempt from the tax are fuels sold and delivered to the United States Government, the commonwealth and any of its political subdivisions, volunteer fire companies, ambulance services and rescue squads, second class county port authorities, and nonpublic nonprofit schools. In addition to these exemptions, reimbursements are made for certain agricultural purposes.

TAX RATE

Prior to October 1, 1997, petroleum revenue was derived by multiplying total gallons of petroleum products by the average wholesale price as established monthly by the Department of Revenue. Minimum and maximum average wholesale prices were statutorily set at \$0.90 and \$1.25 per gallon, respectively. The tax rate was 153.5 mills.

Act 3-1997 imposed a tax of 153.5 mills on liquid fuels and 208.5 mills on fuels on a cents-per-gallon equivalent basis beginning October 1, 1997. Act 89-2013 added an additional 64 mills beginning January 1, 2014, 49 mills in 2015, 48 mills in 2016, 41 mills in 2017, and 39 mills in 2018 and each calendar year thereafter. These additional mills are levied on both liquid fuels and fuels purchases. Act 89-2013 also set the average wholesale price at \$1.87 per gallon in 2014, \$2.49 in 2015 and 2016, and uncapped the average wholesale price in 2017 and each year thereafter. A statutory average wholesale price floor is set at \$2.99 per gallon in 2017 and thereafter.

Beginning January 1, 1999, under the provisions of Act 151-1998, a bus company may apply for reimbursement of 55 mills of the levy on fuels.

1/1/2017	58.2	74.7
1/1/2018	57.6	74.1

Tax rates are shown for calendar year 2014 and forward, the effective date of Act 89-2013 which reformed motor fuel taxation.

REVENUE DISTRIBUTION

Receipts from 57 mills of the oil company franchise tax on liquid fuels and fuels are deposited as unrestricted Motor License Fund revenue, along with 95.83% of the mills added by Act 89-2013. The remaining 4.17% of the mills added by Act 89-2013 are transferred to the Liquid Fuels Tax Fund. The remainder of the tax rate represents revenues restricted to certain highway activities.

LEGISLATION

Enabling legislation is Chapter 95 of Title 75 (the Vehicle Code) of the Pennsylvania Consolidated Statutes.

Please refer to the Recent Changes in Tax Law section for additional information.

MOTOR CARRIERS ROAD TAX/IFTA

Pennsylvania is a member of the International Fuel Tax Agreement (IFTA), which provides for base state reporting of fuel taxes for operators of qualified motor vehicles used in interstate operations. The Motor Carriers Road Tax/IFTA is imposed on fuel consumed by qualified motor vehicle operators within Pennsylvania.

ENTITIES SUBJECT TO THE TAX

Operators of qualified motor vehicles are responsible for remitting the motor carriers road tax. Qualified motor vehicles include those used, designed, or maintained for the transportation of persons or property which: (1) have two axles and a registered or gross weight greater than 26,000 pounds, or (2) have three or more axles regardless of weight, or (3) are operated as a vehicle combination exceeding 26,000 pounds. Qualified motor vehicles operated in Pennsylvania intrastate activities only are subject to fuel taxation under the motor carriers road tax.

The motorbus road tax, imposed on the motor fuel used by bus companies in their operations on highways within Pennsylvania, was repealed effective January 1, 1996 under the provisions of Act 75 of 1995. If a bus meets the definition of a qualified motor vehicle, its fuel consumption is subject to taxation under motor carrier road tax/IFTA.

TAX BASE

The motor carriers road tax/IFTA is imposed on fuel consumed by qualified motor vehicle operators within Pennsylvania. Credit is granted for tax paid at the pump or directly remitted. Credit is also granted for fuel purchased in Pennsylvania but consumed elsewhere. Exempt from this tax are vehicles operated by political subdivisions, farm vehicles, emergency vehicles, special mobile equipment, implements of husbandry, vehicles operated by charitable and religious organizations, vehicles operated by electric cooperatives, vehicles needing emergency repairs, vehicles securing repairs or reconditioning, recreational vehicles, and school buses.

TAX RATE

The tax rate is equivalent to the rate per gallon currently in effect on liquid fuels, fuels, or alternative fuels. Annual decal fees indicating vehicle registration in Pennsylvania are also included in these taxes. The cost is \$5 per calendar year, and the decals must be displayed on each qualified vehicle operated in Pennsylvania.

PAYMENTS

IFTA payments and reports are due on or before the last day of April, July, October, and January for the quarter ending the last day of the preceding month. Motor carriers road tax reports are filed annually.

SURTAX

Through September 30, 1997, the motor carriers road tax/IFTA accounts served as the reporting mechanism for an additional 6 cents per gallon surtax on fuel used by qualified motor vehicles. Surtax revenue funded, in part, the restricted highway bridge improvement account and was not considered to be part of motor carriers road tax/IFTA collections. Act 3–1997 repealed the surtax effective October 1, 1997.

LEGISLATION

The enabling legislation is Chapter 21 and Chapter 96 of Title 75 (the Vehicle Code) of the Pennsylvania Consolidated Statutes.

Please refer to the Recent Changes in Tax Law section for additional information.

ALTERNATIVE FUELS TAX

Alternative fuels used to propel vehicles on the public highways are subject to the Alternative Fuels Tax. The tax rates are calculated from the current Oil Company Franchise Tax rate on gasoline indexed to the energy content of the alternative fuel.

ENTITIES SUBJECT TO THE TAX

Alternative fuels dealer-users are required to remit the alternative fuels tax.

TAX BASE

Alternative fuels include natural gas, compressed natural gas, liquid propane gas and liquefied petroleum gas, alcohols, gasoline-alcohol mixtures containing at least 85% alcohol by volume, hydrogen, hythane, electricity, and any other fuel not taxable as liquid fuels or fuels. Dealers-users of these fuels are required to collect and remit the tax based on consumption within the commonwealth. Entities exempt from the oil company franchise tax are also exempt from alternative fuels taxes.

TAX RATE

The tax rates are calculated from the current oil company franchise tax rate on gasoline indexed to the energy content of the alternative fuel.

PAYMENTS

Reports and payments are due from alternative fuels dealers-users on or before the 20th day of each month for fuel sold or used in the preceding month. The Department of Revenue may permit dealer-users to report the tax due for reporting periods greater than one month, up to an annual basis, provided the tax is prepaid on an estimated basis.

LEGISLATION

Enabling legislation is Chapter 90 of Title 75 (the Vehicle Code) of the Pennsylvania Consolidated Statutes.

Please refer to the Recent Changes in Tax Law section for additional information.

AVIATION GASOLINE AND JET FUEL TAXES

Aviation gasoline and jet fuel are taxed under the Liquid Fuels and Fuels Tax. The revenue from these tax types is deposited in restricted accounts within the Motor License Fund.

ENTITIES SUBJECT TO THE TAX

The tax is imposed upon sales or use by distributors, who collect and remit the tax to the commonwealth.

TAX BASE

Aviation gasoline and jet fuel gallons. Entities exempt from the oil company franchise tax are also exempt from aviation gasoline and jet fuel taxes.

TAX RATE

Act 164-1984 stipulates that the aviation gasoline tax shall never exceed 6 cents per gallon, nor shall it be less than 3 cents per gallon. Additionally, the jet fuel tax shall never exceed 2 cents per gallon, nor shall it be less than 1.5 cents per gallon. Act 164-1984 stipulates that both taxes shall decrease/increase 0.1 cent per gallon for each 10% change in the producer price index of jet fuel as reported by the U.S. Department of Labor, Bureau of Statistics.

PAYMENTS

Payments and reports are due on or before the 20th day of the month following the month of tax collection.

LEGISLATION

Enabling legislation is Chapter 90 of Title 75 (the Vehicle Code) of the Pennsylvania Consolidated Statutes.

MINOR AND REPEALED

Minor and repealed taxes produce comparatively small annual yields and primarily consist of the following:

Under the provisions of Act 3–1997, a permanent trust fund tax of 12 cents per gallon or fractional part was imposed on all liquid fuels and fuels used or sold and delivered by distributors in the commonwealth beginning October 1, 1997. Act 89-2013 repealed the 12 cents per gallon tax on liquid fuels and fuels effective January 1, 2014. Any receipts due to assessments, late filing, court rulings, or similar events is posted here.

These receipts also temporarily included a notice payment clearing account. Those notice payments are now reported in the General Fund.

MOTOR VEHICLE LICENSES AND FEES

The commonwealth receives revenue from fees levied on the registration of motor vehicles, from the issuance of learner's permits, operator's licenses, transfers of registration, special hauling permits, and from other states for Pennsylvania's share of registration fees based on proportionate travel on Pennsylvania highways (IRP).

LEGISLATION

Title 75 (the Vehicle Code) of the Pennsylvania Consolidated Statutes.

OTHER MOTOR REVENUE

Other Motor License Fund revenue consists of fines collected under the various fuel tax laws and certain Vehicle Code fines.

JUDICIAL COMPUTER SYSTEM AUGMENTATION ACCOUNT

Act 64–1987 established a restricted receipt account known as the Judicial Computer System Augmentation Account. Beginning July 1, 1987, the total of certain fines, fees, and costs collected by any division of the unified judicial system which are in excess of the amount collected from such sources in fiscal year 1986-87 are to be deposited into this account. This transfer was to continue until a statutory cap of \$80 million was transferred but subsequent legislation eliminated this cap. Fines, fees, or costs that are allocated by law to counties and municipalities are not affected by this Act.

OTHER REVENUE

The commonwealth also receives revenue from interest on deposits of Motor License Fund monies; investments and securities; and the sale and rental of properties, maps, and plans. Act 89-2013 ended the transfer of payments from the Pennsylvania Turnpike Commission to the Motor License Fund in fiscal year 2014-15 and each fiscal year thereafter.

LEGISLATION

Title 75 (the Vehicle Code) of the Pennsylvania Consolidated Statutes.

PUBLIC TRANSPORTATION ASSISTANCE FUND

Act 26–1991 established a special fund known as the Public Transportation Assistance (PTA) Fund effective October 1, 1991. The Act imposed fees and taxes to be deposited into that fund and dedicated for funding mass transportation, including a portion of Sales and Use Tax revenue. Act 44–2007 created the transfer of a portion of PTA Fund money to the Public Transportation Trust Fund.

APPLICABILITY OF SALES AND USE TAX

Generally, the provisions of Article II (Sales and Use Tax) of the Tax Reform Code of 1971 apply to PTA Fund taxes and fees. The taxes and fees are in addition to the Sales and Use Tax (SUT) and require any person making sales, rentals, or leases subject to taxes or fees to obtain a Public Transportation Assistance Tax License from the Department of Revenue. The rules and procedures for filing returns are the same as for SUT. If a transaction is taxable and the purchaser does not pay the tax to the vendor for any reason, then the purchaser must pay the tax directly to the Department of Revenue. Specific entities receive exemption for specified purchases.

NEWLY PURCHASED TIRE FEE

A \$1.00 per tire fee is imposed on the sale of new tires for highway use in Pennsylvania. Tires placed on vehicles or equipment licensed for highway use are deemed to be for highway use regardless of the actual usage. The purchase of new tires in conjunction with the purchase of other property, for example a motor vehicle, is subject to the fee. The sale of used tires or tires which are for other than highway use are not subject to the fee.

MOTOR VEHICLE LEASE TAX

The Motor Vehicle Lease Tax, imposed at 3% of the total lease price, applies to leases taxable under Article II (Sales and Use Tax) of the Tax Reform Code. The term lease means a contract for the use of a motor vehicle for a period of 30 days or more. The 6% sales tax and the 3% lease tax are not included in the lease price used to calculate the other tax.

MOTOR VEHICLE RENTAL FEE

The Motor Vehicle Rental Fee is imposed on the rental of any motor vehicle, taxable under Article II (Sales and Use Tax) of the Tax Reform Code, at the rate of \$2.00 for each day or part of a day for which a vehicle is rented. The term rental means a contract for the use of a motor vehicle for a period of less than 30 days.

Act 43 of 2017 (amended by Act 53 of 2022) provided for a prorated fee for partial day car sharing services, peer-to-peer car-sharing programs, or car sharing by a shared vehicle owner as a clarification of the current vehicle rental fee. Rentals of less than two hours will be subject to a \$0.25 fee. Rentals of two to three hours will be subject to a fee of \$0.50. Rentals of more than three but less than six hours will be subject to a \$1.25 fee. Rentals of six or more hours will be subject to a fee of \$2.00.

SALES AND USE TAX TRANSFER

Effective for revenues collected on or after July 1, 1992, Act 40 of 1991 requires 0.44% of SUT to be transferred to the PTA Fund within 30 days of the close of each calendar month. This transfer represents the amount of tax collected pursuant to the imposition of the tax on periodicals under Act 26–1991. Effective for revenues collected on or after April 1, 1995, Act 48 of 1994 requires an additional transfer of 0.09% of SUT revenues from the General Fund to the PTA Fund for the exemption of vehicles class 4 and above from the lease tax. Effective for transfers after June 30, 2003, Act 46 of 2003 requires an additional amount of 0.417% of SUT to be transferred each month from the General Fund to the PTA Fund. As a result, the current monthly transfer totals 0.947%.

PUBLIC UTILITY REALTY ADDITIONAL TAX

Effective January 1, 1998, Act 4–1999 requires that every entity liable for the public utility realty tax (PURTA) imposed under Article XI-A of the Tax Reform Code pay an additional tax of 7.6 mills on each dollar of state taxable value of its utility realty. Act 46–2003 repealed the transfer of 7.6 mills of PURTA revenue from the General Fund to the PTA Fund effective for transfers after June 30, 2003. Beginning in fiscal year 2003–04, revenues associated with the 7.6 mills of PURTA will remain in the General Fund.

UTILITY GROSS RECEIPTS TAX

Act 138–1996 provided that beginning June 15, 1999, and each year thereafter, 0.18% of the gross receipts tax base for electric suppliers is deposited into the Public Transportation Assistance Fund. Act 46–2003 repealed this transfer effective for fiscal year 2003-04 and forward.

Act 138–1996 provided that beginning June 15, 1999, and each year thereafter, 0.18% of the gross receipts tax base for electric suppliers is deposited into the Public Transportation Assistance Fund. Act 46–2003 repealed this transfer effective for fiscal year 2003-04 and forward.

PUBLIC TRANSPORTATION TRUST FUND

The Public Transportation Trust Fund was created by Act 44-2007 to provide dedicated funding to public transportation agencies for operating costs, capital and asset improvements, and programs of statewide significance. A transfer from Sales and Use Tax revenue provides part of this fund.

REVENUE SOURCES

Revenue sources for the fund are as follows:

EFFECTIVE	SOURCE	AMOUNT	LEGISLATION
2007-08 and Beyond	Sales and Use Tax	4.4% of total receipts	Act 44-2007
2017-18 and Beyond	Miscellaneous Transportation Fees	77% of total receipts	Act 89-2013
2014-15 to 2021-22	Pennsylvania Turnpike Commission	\$420 million	Act 89-2013
2021-22 and Beyond	Pennsylvania Turnpike Commission	\$50 million	Act 89-2013
2022-23 and Beyond	Motor Vehicle Sales and Use Tax	See formula below	Act 89-2013

The Motor Vehicle Sales and Use Tax transfer will be \$450 million or the total amount of SUT collected in the previous fiscal year multiplied by the ratio of \$450 million to the total amount of SUT collected in fiscal year 2020-21, whichever is greater. Of that transfer, \$30 million will be transferred to the Multimodal Transportation Fund.

MULTIMODAL TRANSPORTATION FUND

The Multimodal Transportation Fund was created by Act 89-2013 to provide funding for public transportation systems in the commonwealth including ports, rail freight, bicycle, and pedestrian infrastructure.

REVENUE SOURCES

The fund receives 23% of the revenue generated by miscellaneous transportation fees including inspection sticker fees, certificates of title, certified copies of records, and photo ids. Amounts totaling \$35 million annually from the Oil Company Franchise Tax deposited in the Motor License Fund are transferred to the fund. The fund also received a \$30 million annual transfer from the Pennsylvania Turnpike Commission. That transfer ceased after fiscal year 2021-22. Beginning in fiscal year 2022-23, the fund receives a \$30 million transfer from the Public Transportation Trust Fund.

LOTTERY FUND

The Lottery Fund is a special fund comprised of monies received from the sale of lottery tickets and from fees. It provides funds for payment of prizes to lottery winners and for various programs benefiting older Pennsylvanians and others.

THE PENNSYLVANIA LOTTERY

In 1971, legislation was enacted creating a state lottery with a General Assembly mandate that net proceeds were to fund senior citizen benefit programs. Lottery sales originated on March 7, 1972 when the first 50-cent ticket went on sale. In November 1972, the first \$1 game was introduced, establishing a product mix of different games. The product mix has undergone numerous revisions culminating in the current game structure of various computer terminal games and instant ticket games.

Act 201-2014 added definitions for Internet Instant Game and Keno, while prohibiting the Secretary of Revenue from authorizing these games unless authorized by an act of law. The Act also allocates no less than 27% of total revenues from the sale of lottery tickets or shares to property tax relief and free or reduced fare transit service for the elderly in fiscal years beginning before July 1, 2014. For fiscal years beginning after June 30, 2014, that percentage drops to 25%.

Following Act 97 of 2019, for fiscal years beginning after June 30, 2019, and ending June 30, 2024, the share of lottery ticket sales revenue subject to the above transfer is temporarily reduced from 25% to 20%. Act 137 of 2022 extends the reduction to June 30, 2029. For fiscal years beginning after June 30, 2029, the rate returns to 25%.

Act 42-2017 authorized iLottery games and repealed the language prohibiting the Secretary of Revenue from authorizing Internet Games and Keno unless authorized by an act of law.

Sale proceeds from the various games, less retailer-paid prizes, retailer commissions, and funding for the retail incentive program created by Act 42-2017 are deposited in the Lottery Fund. This fund is used to pay prizes and authorized programs. Benefit programs currently offered include:

PROPERTY TAX OR RENT REBATE (PTRR)

Pennsylvania's PTRR program was established under Act 3 of 1971, also known as the Senior Citizens Rebate and Assistance Act. The PTRR program was designed to assist Pennsylvania's elderly, widows, widowers and permanently disabled citizens in maintaining statutory possession of their homesteads by providing tax relief in the form of rebate. Eligibility income levels for claim year 2023 are outlined below:

<u>ELIGIBLE CLAIMANTS</u>	<u>HOUSEHOLD ELIGIBILITY INCOME</u>	<u>MAXIMUM OWNER REBATE</u>	<u>MAXIMUM RENTER REBATE</u>
Aged 65+	\$0 - \$8,000	\$1,000	\$1,000
Spouse aged 65+	\$8,001 - \$15,000	\$770	\$770
Widow/widower aged 50-64	\$15,001 - \$18,000	\$460	\$460
Disabled aged 18-64	\$18,001 - \$45,000	\$380	\$380

Rebates may not exceed actual property taxes paid or 20% of rent paid. Program costs beyond those paid in fiscal year 2006-07 are funded by transfers from the Property Tax Relief Fund.

Claimants reporting eligibility incomes up to \$30,000 and living in Philadelphia, Pittsburgh, or Scranton are eligible for supplement rebates of up to one-half of their base rebate. Similar claimants living elsewhere in the commonwealth are also eligible for supplemental rebates if their property taxes exceed 15% of their eligibility income.

Notable exclusions from eligibility income include 50% of Social Security benefits, 50% of Railroad Retirement Tier I benefits, all federal veterans' disability benefits, all state veterans' benefits, and 50% of the average annual Social Security benefit amount for Civil Service Retirement System (CSRS) beneficiaries.

After claim year 2023, eligibility income and supplement parameters will increase annually according to the Consumer Price Index (CPI) for All Urban Consumers, rounded to the nearest \$10. If CPI declines, eligibility income limits will remain the same.

PHARMACEUTICAL ASSISTANCE (PACE and PACENET)

The PACE program administered by the Pennsylvania Department of Aging was expanded by Act 134–1996 which increased income eligibility requirements and established the PACE Needs Enhancement Tier (PACENET). Those qualifying for these programs must be at least 65 years of age and meet income eligibility requirements.

Currently, individuals and married couples with annual incomes not exceeding \$14,500 and \$17,700 respectively qualify for PACE. The PACE co-payment is \$6 for generic drugs and \$9 for brand-name prescriptions. Additionally, individuals with an annual income greater than \$14,500 but not exceeding \$33,500 and married couples with annual incomes greater than \$17,700 but not exceeding \$41,500 qualify for benefits under PACENET.

The program pays for the entire cost of prescription drugs and insulin supplies, subject to co-payments. Effective January 1, 2022, PACENET cardholders not enrolled in a Part D Plan will pay a \$40.74 premium at the pharmacy each month. The PACE co-payment is \$6 for generic drugs and \$9 for brand-name prescriptions. The PACENET co-payment is \$8 for generic drugs and \$15 for brand-name prescriptions. Effective for 2014, Social Security Medicare Part B premiums are now excluded from income. This change has the same effect as raising the income limits by that amount. For most Medicare beneficiaries, this amount is \$2,041.20 per person for a year. For married couples, the excluded amount would be 4,082.4 for a year.

TRANSPORTATION PROGRAMS

Under the Free Transit Program older Pennsylvanians are eligible for free rides on fixed route services at all regular operating times on weekdays, weekends, and holidays. This program also applies to commuter rail lines. The Shared Ride Program for Older Pennsylvanians, as amended by Act 36–1991, permits citizens aged 65 or older to shared-ride services at a cost of only 15% of the fare. The State Lottery Fund reimburses shared-ride transit operators the remaining 85% of the shared-ride fare.

PennCARE

The State Lottery Fund provides funding to 52 Area Agencies on Aging serving all 67 counties. These Area Agencies on Aging provide aging services at the local level. Lottery funded services include, for example, in-home care, senior center activities, and home delivered meals for people unable to prepare adequate meals for themselves (meals-on-wheels).

LEGISLATION

Enabling legislation is the State Lottery Law of 1971 (P.L. 351, No. 91), as amended.

Please refer to the Recent Changes in Tax Law section for additional information.

GAMING FUND

Act 71–2004 established the State Gaming Fund and authorized slots gaming at 14 locations throughout Pennsylvania. Under current law, a total of 24 slot machine licenses with four categories have been established. A Slot Machine Tax and local share assessments are deposited into the Gaming Fund. The local share assessments are deposited into a restricted receipt account within the Gaming Fund.

The escrow accounts established by each licensed gaming entity and used to pay the commonwealth's administrative expenses related to the Act are also deposited in the Fund. Each Category 1 and 2 slot machine licensee must provide and maintain a deposit of \$1.5 million. Each Category 3 licensee must provide and maintain a deposit of \$1 million.

Several transfers are made from the Gaming Fund, including:

\$2 million, or 0.2% of gross terminal revenue of all active and operating Category 1, 2, and 3 licensed gaming entities, whichever is greater, annually, to the Compulsive and Problem Gambling Treatment Fund.

\$3 million, annually, to the Department of Health for drug and alcohol addiction treatment services.

\$2 million, annually, to the Pennsylvania Gaming Control Board (PGCB) for law enforcement grants. Except that beginning July 1, 2017, the \$2 million is transferred to the Casino Marketing and Capital Development Account, until the earlier of 10 years or when the gross terminal revenue for each Category 1 and 2 gaming entity exceeds \$200 million and each Category 3 gaming entity exceeds \$50 million for the previous fiscal year.

\$25 million to the General Fund for the Volunteer Fire Company Grant Program.

Payments in lieu taxes to counties, school districts, and townships for tax-exempt land owned by the Department of Community and Economic Development, Pennsylvania Game Commission, and Pennsylvania Fish and Boat Commission related to preservation and conservation.

Repayments to the Lottery Fund for property tax relief enacted under Act 1-2006 of the Special Session on Property Tax Relief.

All remaining revenue is transferred to the Property Tax Relief Fund and used for general property tax relief as provided in the statute.

Act 42-2017 also authorized fantasy sports contest, interactive gaming, interactive gaming at qualified airports through the use of multi-use computing devices, sports wagering, and video gaming devices at licensed truck stops. With the exception of video gaming devices at licensed trucks stops and fantasy sports contests, each of these types of gaming is assessed a local share assessment which is deposited into a restricted receipt account within the Gaming Fund. The exact distribution of the assessment is prescribed in the act. This funding supports various services and public interest projects in the commonwealth and in counties and municipalities hosting a licensed gaming entity.

SLOT MACHINE TAX AND ASSESSMENT

A 34% state tax is imposed on the gross terminal revenue of each Category 1, 2, and 3 slot machine licensee and a 50% tax is imposed on gross terminal revenue of each Category 4 licensee. For purposes of this calculation, gross terminal revenue is defined as total cash or cash equivalents received by a slot machine or received as entry fees for slot machine contests or tournaments less cash or cash equivalents paid out, cash or cash equivalents paid to purchase annuities to fund prizes, and personal property distributed to patrons as a result of playing a slot machine.

SLOT MACHINE TAX AND ASSESSMENT (continued)

The tax collected is deposited in the Gaming Fund. However, the tax collected from Category 4 slot machine licenses is then distributed as follows: 65% to the Property Tax Relief Fund; 10% is added to a restricted receipt account within the State Treasurer for distribution to host counties as prescribed by the act; 10% to a restricted receipt account within the Commonwealth Financing Authority for grants for public interest projects within the commonwealth; and 12% to the Pennsylvania Gaming Economic

In addition, a 2% local share assessment is imposed on the gross terminal revenue of each Category 1 and 2 slot machine licensee, other than a slot machine licensee whose facility is located in a county of the first class. A 4% local share assessment is imposed on the gross terminal revenue of each Category 3 and 4 slot machine licensee. The local share assessment on each slot machine licensee, other than a Category 4 licensee, is deposited into the Gaming Fund and, quarterly, is distributed to local jurisdictions hosting a licensed gaming entity. The distribution and uses are prescribed by the legislation and are based upon the classification of the county and municipality in which the facility resides. This funding supports various services and projects at the county and municipal level. The local share assessment remitted by Category 4 licensees is distributed quarterly, as follows: 50% to a restricted receipt account within the Commonwealth Financing Authority for grants for projects in the public interest within the hosting county and 50% to the host municipality, subject to budgetary limitations prescribed in the Act.

Enabling legislation is the Pennsylvania Race Horse Development and Gaming Act of July 5, 2004 (P.L. 572, No. 71).

SLOT MACHINE OPERATION FEE

Act 42-2017 established a slot machine operation fee, effective January 1, 2017, imposed on each Category 1 and 2 licensed gaming entity in amount equal to 20% of the slot machine license fee paid at the time of issuance. The fee is deposited in the Gaming Fund and, quarterly, is distributed to local jurisdictions hosting a licensed gaming entity. The exact distribution and uses are prescribed by the legislation and are based upon the classification of the county in which the facility resides. This funding supports various services and projects at the county and municipal level.

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

TABLE GAME ASSESSMENT

A 2% local share assessment is imposed on gross table game revenue. Gross table game revenue is defined as total cash or cash equivalents received in the playing of table games, contest or tournament fees or payments, and total amount of rakes collected minus cash or cash equivalents paid out, paid to purchase annuities to fund prizes, and paid for personal property distributed to patrons as a result of playing a table game.

The local share assessment is deposited into the Gaming Fund and, quarterly, is distributed to local jurisdictions hosting a licensed gaming entity. The exact distribution and uses are prescribed by the legislation and are based upon the classification of the county and municipality in which the facility resides. This funding supports various services and projects at the county and municipal level. The local share assessment on each Category 4 licensee is distributed quarterly as follows: 50% to a restricted receipt account within the Commonwealth Financing Authority to be used exclusively for grants for public interest projects within the hosting county and 50% to the municipality hosting the facility, subject to budgetary limitations.

Enabling legislation is Act 1 of January 7, 2010 (P.L. 1, No. 1).

INTERACTIVE GAMING TAX AND ASSESSMENT

Act 42-2017 established a 52% tax on the daily gross interactive gaming revenue of non-peer-to-peer games simulating slot machines. The tax is initially deposited in the State Gaming Fund and is then distributed as follows: 65% to the Property Tax Relief Fund, 10% to a restricted receipt account within the State Treasury to be distributed to host counties, and 25% to a restricted receipt account to be established in the Commonwealth Financing Authority to be used exclusively for projects in the public interest.

INTERACTIVE GAMING TAX AND ASSESSMENT (continued)

Act 42-2017 established a 2% local share assessment imposed on daily gross interactive gaming revenue of peer-to-peer and non-peer-to-peer interactive games that simulate table games and of non-peer-to-peer games simulating slot machines. 50% of the assessment is deposited into the Gaming Fund and is distributed quarterly to local jurisdictions hosting a licensed gaming entity. The exact distribution and uses are prescribed by the legislation and are based upon the classification of the county and municipality in which the facility resides. This funding supports various services and projects at the county and municipal level. The other 50% is deposited into a restricted receipt account established in the Commonwealth Financing Authority for grants for public interest projects in the commonwealth.

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

MULTIUSE GAMING DEVICE ASSESSMENT

Act 42-2017 established a 2% local share assessment imposed on daily gross interactive airport gaming revenue. The assessment is deposited into the Gaming Fund and, quarterly, is distributed as follows: 50% to a restricted receipt account established in the Commonwealth Financing Authority for grants for public interest projects in the county hosting the qualified airport; except, for an international airport located partially in a county of the first class and partially in a contiguous county, 50% to be divided between a school district of the first class and a restricted receipt account within the Commonwealth Financing Authority for grants for public interest projects in the contiguous host county. The other 50% is deposited into a restricted receipt account established in the Commonwealth Financing Authority for grants for public interest projects in the commonwealth.

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

SPORTS WAGERING ASSESSMENT

Act 42-2017 established a 2% local share assessment imposed on a sports wagering certificate holder's daily gross sports wagering revenue and directed its deposit into a restricted receipt account in the Gaming Fund. On a quarterly basis, the assessment is deposited into a restricted receipt account established in the Commonwealth Financing Authority for grants for public interest projects in the commonwealth.

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).

LICENSES AND FEES

Some license and fee revenue related to slots gaming is deposited into the Gaming Fund. These fees include licenses and annual renewals for manufacturers and suppliers of slots gaming equipment, and a multitude of other gaming related permits issued by the PGCB. Prior to fiscal year 2013-14, the one-time slot machine license fee paid by licensed gaming entities (\$50 million for a category 1 or 2 license and \$5 million for category 3 license) was deposited to the Gaming Fund. After June 30, 2013, any slot machine license fee received by the Board is deposited to the General Fund in accordance with applicable Fiscal Code budget implementation provisions and, finally, Act 25-2016. Act 42-2017 expanded gaming and implemented various fees, including several related to slots gaming. These fees are deposited to the General Fund.

MEDICAL MARIJUANA PROGRAM FUND

The Medical Marijuana Program establishes a program for the use of medical marijuana in Pennsylvania by patients with serious medical conditions. The law requires growers/processors to pay a 5% excise tax on the gross receipts from the sale of medical marijuana to the dispensary.

ABOUT THE PROGRAM

Medical marijuana refers to marijuana obtained for a certified medical use by a Pennsylvania resident with a serious medical condition and is limited by statute in Pennsylvania to the following forms:

- pill;
- oil;
- topical forms, including gel, creams or ointments;
- a form medically appropriate for administration by vaporization or nebulization;
- tincture;
- liquid;
- A form medically appropriate for administration by vaporization or nebulization, including dry leaf or plant form for administration by vaporization.

The Pennsylvania Department of Health (DOH) handles all licensing/permitting related to the production and/or sale of medical marijuana. Part of the process in applying for a license/permit requires a tax clearance review from the Department of Revenue (DOR), which is initiated by DOH. Once an in-depth review of the company, its partnerships and corporate officers is completed and cleared, a Clearance Certificate will be issued directly to the DOH.

Revenue from the tax and other fees are deposited into the Medical Marijuana Program Fund and are not General Fund money. Revenues are distributed according to the following formula:

- 55% to the DOH for operations of the department, assisting patients with the cost of obtaining identification cards and purchasing medical marijuana, and for reimbursing patients' caregivers for the cost of providing background checks for caregivers
- 10% to the Department of Drug and Alcohol Programs
- 30% to the DOH for further research on medical marijuana
- 5% to the Pennsylvania Commission on Crime and Delinquency

MEDICAL MARIJUANA GROSS RECEIPTS TAX

The gross receipts tax applies to a marijuana firm's gross sales without deductions for the business's expenses, including costs of goods sold and compensation. Medical marijuana sales are exempt from Sales and Use Tax. The current rate is 5%.

The tax is charged against and paid by the grower/processor and may not be added as a separate charge or line item on any receipt or other statement or memorandum of the price paid by a dispensary, patient, or caregiver.

Payments and returns are due on the last day of January, April, July and October for the preceding calendar quarter. Returns must be submitted even for periods where no taxable sales occurred.

LEGISLATION

The enabling legislation is Act 16-2016, known as the Medical Marijuana Act (P.L. 84, No. 16).

VIDEO GAMING FUND

Act 42–2017 established the Video Gaming Fund and authorized placement and operation of video gaming terminals at licensed truck stop establishments within the commonwealth by licensed terminal operators. A Video Gaming Terminal Tax and local share assessment are deposited into the Video Gaming Fund.

On a quarterly basis, the local share assessment is deposited into a restricted receipt account established in the Commonwealth Financing Authority for grants for public interest projects in the commonwealth. On the last day of each fiscal year, an amount equal to 0.002 multiplied by the total gross terminal revenue of all licensed terminal operators is transferred to the Compulsive and Problem Gambling Treatment Fund. On the last day of each fiscal year, the remaining balance in the Video Gaming Fund that is not transferred to the Compulsive and Problem Gambling Treatment Fund is transferred to the General Fund as a transfer under non-tax revenue receipts. In addition, a regulatory assessment imposed on each licensed terminal operator to cover the costs and expenses incurred by the commonwealth to administer video gaming is deposited into accounts established for each terminal operator within the Video Gaming Fund until the funds are appropriated by the General Assembly.

VIDEO GAMING TERMINAL TAX AND ASSESSMENT

Act 42-2017 established a 42% Video Gaming Terminal Tax and a 10% local share assessment on gross terminal revenue from all video gaming terminals operated by a terminal operator licensee within this Commonwealth. Gross terminal revenue is defined as the total of cash or cash equivalents received by a video gaming terminal minus the total of cash or cash equivalents paid out to players as a result of playing a video gaming terminal. The tax is remitted bimonthly.

Enabling legislation is Act 42 of October 30, 2017 (P.L. 419, No. 42).
