¹ The amounts reported above are allocated to an insurance type based on how an insurance company is registered with the Pennsylvania Insurance Department. To the extent that some companies register as one type of insurer but are licensed by the Insurance Department to sell multiple types of insurance, the amounts may include taxes on other insurance types.

² The total deposits are correct. However, due to uncertainty about the validity of recorded revenue codes for the corporations making payments, an unknown amount of distortion may be present in the distributed data.

³ Beginning in fiscal year 2000-01, the Domestic Casualty revenue code is reduced by the transfer of Pennsylvania Property and Casualty Insurance Guaranty Association (PIGA) credits to the Municipal Pension Aid Fund.

⁴ Beginning in fiscal year 2000-01, the Domestic Fire revenue code is reduced by the transfer of PIGA credits to the Fire Insurance Tax Fund.
